FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Section 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes,* the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This volume represents the fulfillment of this obligation for the House of Representatives of 1982.

The text of a bill is spread in full when it receives a first reading. The roll call on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended.

Mrs. Shan Stone Gray, Mrs. Jeanne Wallace, Ms. Ann Seppenfield and Ms. Sharon G. May prepared the 1982 House Journal. The edited copy and index found in this volume reflect the cooperative efforts of the commission's staff.

Except where a *biological* [~~natural~~] parent is the spouse of an adoptive parent an adopted child from the time of adoption shall have no legal relationship to its birth parents in respect to either personal or property rights.

(3) The clerk of the court shall notify the department of any action of the court with respect to entering a judgment granting an adoption, the amendment of an adoption, or the denial or dismissal of a petition for adoption.

(4) (a) The health history of biological parents and blood relatives of the adopted person, in writing, on a standardized form, provided by the department, if known, shall be given by the department or child-placing agency which has such information, to the adoptive parents and to the circuit court not later than the date of finalization of the adoption proceedings.

(b) The information provided for in paragraph (a) of this subsection, if known, shall, upon the request in person or in writing of the adult adopted person be made available in writing to such person. None of the information shall be made available if it is of such a nature that it would tend to identify the biological parents of such adopted person except as provided in Sections 4 and 5 of this Act.

Section 4. KRS 199.570 is amended to read as follows:

(1) The files and records of the court during adoption proceedings shall not be open to inspection by persons other than parties to such proceedings, their attorneys, and representatives of the department except under order of the court expressly permitting inspection. Upon the entry of the final order in the case, the clerk shall place all papers and records in the case in a suitable envelope which shall be sealed and shall not be open for inspection by any person except on written order of the court, *except that upon the written consent of the biological parents and upon written order of the circuit court all papers and records including all files and records of the circuit court during proceedings for termination of parental rights provided in KRS 199.615 shall be open for inspection to any adult adopted person who applies in person or in writing to the circuit court as provided in Section 5 of this Act.* No person having charge of any adoption records shall disclose the names of any parties appearing in such records or furnish any copy of any such records, except upon order of the court which entered the judgment of adoption. The clerk of the circuit court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.

(2) After entry of the adoption judgment, the clerk of the circuit court shall promptly report to the department for human resources of Kentucky full information as called for on forms furnished by the department for human resources, necessary to make a new birth certificate conforming to the standard birth certificate form. Upon receipt of this information, the department for human resources shall cause to be made a new record of the birth and it shall be filed with the original certificate, and the original certificate shall be stamped with the words, "CONFIDENTIAL — subject to copy and/or inspection only on written order of the court."

(3) The new certificate shall set forth the new name, if any, of the adopted child, the names of the adoptive parents and such other information deemed necessary in accordance with rules and regulations promulgated by the department for human resources in issuing of birth certificates. If the adopted child is under eighteen years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the natural parent or parents of the child. The new birth certificate when issued shall not contain the place of birth, hospital and name of doctor or midwife. This information should be given only by an order of the court in which the child was adopted. The new birth certificate shall recite the residence of the adoptive parents as the birthplace of the child and this shall be deemed for all legal purposes to be the birthplace of the child. If no birth certificate is on file for a child born in Kentucky, the department for human resources shall prepare a certificate of birth in accordance with the information furnished the department by the clerk of the circuit court which issued the adoption order. The department for human resources shall furnish to the clerks of the circuit courts the necessary forms to carry out the provisions of this section. In the event the child was born in another state, the order of adoption shall be forwarded to the division of vital statistics of the state concerned to be changed in accordance with the laws of such state. In the event the child was born in a foreign country, the report of adoption shall be returned to the attorney or agency handling the adoption for submission to the appropriate federal agency.

(4) Thereafter when any copy of the certificate of birth of any child is issued it shall be a copy of the new certificate of birth, except when an order of the court granting the judgment of adoption shall request the issuance of the copy of the original certificate of such child's birth.

(5) If any judgment of adoption is reversed, modified or vacated in any particular, the clerk of the circuit court shall notify the department for human resources of such reversal or modification and the effect of same, and thereupon such department shall make such changes, if any, in its records as may be necessary by such reversal or modification.

SECTION 5. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

(1) When any adult adopted person applies in person or in writing to the circuit court for authorization to inspect all papers and records pertaining to the adoption proceedings of such adopted person as provided in KRS 199.570(1), the court may, if satisfied as to the identity of such adult adopted person, authorize the adult adopted person to inspect the papers and records if written consent is obtained from the biological parents identified on the adult adopted person's original birth certificate.

(2) The circuit court shall, within seven (7) working days of the receipt of the request, direct the secretary of the department to notify each biological parent identified on the adult adopted person's original birth certificate that said person has applied to the court for information identifying such biological parent. Within six (6) months of receiving the notice of the request of the adult adopted person, the secretary of the department shall make complete and reasonable efforts to notify each biological parent identified on the adult adopted person's original birth certificate. The secretary may charge a reasonable fee not to exceed two hundred fifty dollars ($250) to the adult adopted person for making such a search. Every child-caring

facility and child-placing agency in the Commonwealth shall cooperate with the secretary in his efforts to notify such biological parents.

(3) The notification of the biological parents shall not be by mail and shall be by personal and confidential contact. The notification shall be done without disclosing the identity of the adult adopted person. The personal and confidential contact with the biological parents shall be evidenced by filing with the circuit court an affidavit of notification executed by the person who notified each parent and certifying each parent was given the following information:

(a) The nature of the information requested by the adult adopted person;

(b) The date of the request of the adult adopted person;

(c) The right of the biological parent to file, within sixty (60) days of receipt of the notice, an affidavit with the circuit court stating that the adult adopted person shall be authorized to inspect all papers and records pertaining to his adoption proceedings;

(d) The right of the biological parent to file at any time an affidavit authorizing the adult adopted person to inspect all papers and records pertaining to his adoption proceedings; and

(e) The right of a biological parent to file an affidavit with the circuit court stating that all papers and records pertaining to the adoption proceedings of the adult adopted person shall not be open for inspection by the adult adopted person.

(4) The adult adopted person shall not be authorized to inspect the papers and records pertaining to his adoption proceedings unless those biological parents identified on the original birth certificate agree in writing to such inspection.

(5) If after diligent and reasonable effort, the secretary of the department certifies that both biological parents identified in the original birth certificate are deceased or the secretary is unable to locate said parents, then a judge of the circuit court, upon motion of the adult adopted person, may order that all papers and records of the department for human resources and those of the circuit court pertaining to the adoption shall be open for inspection to such adult adopted person.

Section 6. The reviser of statutes shall whenever the phrases "natural parent" or "natural parents" appear in the Kentucky Revised Statutes change them so as to read "biological parent" or "biological parents".

(b) "Bank holding company," "company" and "control" have the meanings accorded them in the Federal Bank Holding Company Act of 1956, as amended.

(c) "Deposit" has the meaning accorded it in the Federal Deposit Insurance Act, as amended, and regulations promulgated thereunder; excluded, however, from deposits are all interbank deposits and all deposits in foreign branches and international banking facilities, as shown in the reports made by all banks to their respective supervisory authorities.

(2)Any bank holding company with its principal place of business in this state may acquire control of any other bank or bank holding company, except any bank holding company may not acquire control of any of the shares of another bank which has been in existence less than five (5) years at the time of such acquisition and which was chartered after January 31, 1982.

(3) No bank holding company may acquire control of any other bank or bank holding company if, upon such acquisition, such bank holding company would control banks holding more than twenty percent (20%) of the total deposits in all banks in Kentucky, as reported in the most recent year-end reports made by such banks to their respective supervisory authorities which are available at the time of such acquisition.

(8) No bank incorporated under the laws of this state shall make any loan or discount on the security of the shares of its own capital stock, nor be the purchaser or holder of any such shares, except that a bank may take property of any kind to satisfy or protect a loan previously made in good faith and in the ordinary course of business; and stock so purchased or acquired shall, within six (6) months from the date of its purchase, be sold or disposed of at public or private sale. If the loss or damage is not made good within a reasonable time, the commissioner, with the consent of the attorney general, shall institute proceedings to revoke the corporate powers of the bank.

(6) Any deputy commissioner or any examiner who has knowledge of the insolvency or unsafe condition of a state bank or trust company, or that it is inexpedient to permit the bank or trust company to continue business, and who fails to immediately present a signed report of such facts to the commissioner, or who violates any of the provisions of this chapter, shall forfeit his office and shall be fined not less than one hundred ($100) nor more than two thousand dollars ($2,000) for each offense.

HB 718, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 304, SUBTITLE 9, IS CREATED TO READ AS FOLLOWS:

Any insurance company shall be liable for the acts of its agents when the agents are acting in their capacity as representatives of the insurance company.

SB 39, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.20-040 is amended to read as follows:

(1) As used in this section:

(a) "Policy" means an automobile liability insurance policy, delivered or issued for delivery in this state, insuring a single individual or husband and wife resident of the same household, as named insured, and under which the insured vehicles therein designated are of the following types only:

1. A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others; or

2. Any other four-wheel motor vehicle with a load capacity of fifteen hundred (1500) pounds or less which is not used in the occupation, profession or business of the insured; provided, however, that this section shall not apply:

a. To any policy issued under an automobile assigned risk plan, or

b. To any policy insuring more than four automobiles, or

c. To any policy covering garage, automobile sales agency, repair shop, service station or public parking place operation hazards.

(b) "Automobile liability insurance policy" includes only coverage for bodily injury and property damage liability, basic reparations benefits and the provisions therein, if any, relating to medical payments, uninsured motorists coverage, and automobile physical damage coverage.

(c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than six (6) months shall for the purpose of this section be considered as if written for a policy period or term of six (6) months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and such policy may be terminated at the expiration of any annual period upon giving twenty (20) days' notice of cancellation prior to such anniversary date, and such cancellation shall not be subject to any other provisions of this section.

(d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any instalment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(2) (a) A notice of cancellation of a policy shall be effective only if it is based on one or more of the following reasons:

1. Nonpayment of premium; or

2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date.

(b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy.

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy.

(d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium at least ten (10) days' notice of cancellation accompanied by the reason therefor shall be given. This subsection shall not apply to renewals.

(4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured.

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least twenty (20) days' advance notice of its intention not to renew. This subsection shall not apply:

(a) If the insurer has manifested its willingness to renew; nor

(b) In case of nonpayment of premium. Provided, that, notwithstanding the failure of an insurer to comply with this subsection, the policy shall terminate on the effective date of any other insurance policy with respect to any automobile designated in both policies. Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

(6) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy, shall be sufficient proof of notice.

(7) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection *(5)* [~~(4)~~] of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. Such notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. *Such notice shall also inform the insured that he may, within four (4) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. An insured making such a request shall pay a fee of twenty-five dollars ($25.00) to the department. Within fourteen (14) days of receiving such a written request and fee, the commissioner shall send his findings to the insurer and to the insured. If the commissioner finds for the insured, the fee of twenty-five dollars ($25.00) shall be refunded to the insured, and the insurer shall pay twenty-five dollars ($25.00) to the commissioner within ten (10) days of receiving the commissioner's findings. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b).*

(8) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(9) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employes, or any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

(2) If the association fails, within sixty (60) days of the original offer, to purchase all or any part of the holdings offered, the member may dispose of the unpurchased interest elsewhere, subject to the approval of the transferee by a majority vote of the directors. Any would be transferee not approved by the directors may appeal to the members at their first regular or special meeting thereafter, and the action of the meeting shall be final. If such transferee is not approved, the director shall exercise their power to purchase, if and when such purchase can be made without jeopardizing the solvency of the association.

SECTION 26. A NEW SECTION OF KRS CHAPTER 272 IS CREATED TO READ AS FOLLOWS:

(1) The bylaws may give the directors the power to use the reserve funds to recall, at par value, the membership certificates of any member in excess of the amount requisite for membership, and may also provide that if any member has failed to patronize the association during a time specified and in accordance with the bylaws, the directors may recall the member's membership certificates, thereby terminating his membership in the association. When membership certificates are recalled, they shall be either reissued or cancelled. No recall may be made if the solvency of the association would be jeopardized.

(2) The directors shall have the power to use the reserve funds to recall and repurchase at par value, together with any investment dividends due on the investment certificates of any investor. The bylaws may establish specific procedures, terms and conditions for such recall and repurchase.

(a) Not less than ten percent (10%) shall be placed in a reserve fund until such time as the fund shall equal fifty percent (50%) of the paid-up capital, and thereafter the directors may continue to set aside ten percent (10%) of the net savings for a reserve fund. The reserve fund may be used in the general conduct of the business.

(b) Investment dividends, within the limitations prescribed by this Act, may be paid upon share capital, or, if the bylaws so provide, on the membership certificates, but the investment dividends may be paid only out of the surplus of the aggregate of the assets over the aggregate of the liabilities.

(c) A portion of the remainder, as determined by the articles or bylaws, may be allocated to an educational fund to be used in teaching cooperation, and a portion may also be allocated to funds for the general welfare of the members of the association.

Any savings return so allocated shall be credited to such patron toward payment of the minimum amount of share or membership capital necessary for membership. When a sum equal to this amount has accumulated at any time within a period of time specified in the bylaws, such patron shall be deemed and become a member of the association if he so agrees or requests, and complies with any provisions in the bylaws for admission to membership. The certificate of shares or membership to which he is entitled shall then be issued to him.

(2) If, within any period of time specified in the articles or bylaws, any subscriber has not accumulated and paid in the amount of capital prescribed for; or any nonmember patron has not accumulated in his individual account the sum necessary for membership; or any nonmember patron has accumulated the sum necessary for membership but neither requests nor agrees to become a member, or fails to comply with the provisions of the bylaws, if any, for admission to membership, then the amounts so accumulated or paid in any part of the general fund for nonmember patrons which has not been allocated to individual nonmember patrons shall go to the educational fund and thereafter no member or other patron shall have any rights in said paid-in capital or accumulated savings returns as such.

(3) Nothing in this section shall prevent an association engaged in rendering services from disposing of the net savings from the rendering of services in a manner calculated to lower the fees charged for services or otherwise to further the common benefit of the members.

(4) Nothing in this section shall prevent an association from adopting a system in which the payment of savings returns which would otherwise be distributed are deferred for a fixed period of time, nor from adopting a system in which the savings returns distributed are partly in cash, partly in shares, with the shares to be retired at a fixed future date, in the order of their serial number or date of issue.

HB 674, AN ACT relating to services for elderly persons.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

As used in this Act:

(1) "Chore services" means the performance of heavy housecleaning, minor household repairs, yard tasks, and other activities needed to assist in the maintenance of a functionally impaired elderly person in his own home.

(2) "Core services" means those services, including but not limited to client assessment and case management, designed to identify a functionally impaired elderly person's needs, develop a plan of care, arrange for services, monitor the provision of services, and reassess the person's needs on a regular basis.

(3) "Department" means the department for human resources.

(4) "District" means an area development district designated as such pursuant to KRS 147A.050.

(5) "Essential services" means those services which are most needed to prevent unnecessary institutionalization of functionally impaired elderly persons. Essential services shall be limited to chore services, core services, home delivered meals, home health aide and homemaker services.

(6) "Functionally impaired elderly person" means any person, sixty (60) years of age or older, with physical or mental limitations which restrict individual ability to perform the normal activities of daily living and which impede individual capacity to live independently, thus rendering such person at risk of entering an institution. Functional impairment shall be determined through a functional assessment developed by the department and delivered to each applicant for essential services.

(7) "Home delivered meals" means the provision of a nutritionally sound meal, that meets at least one-third (⅓) of the current daily recommended dietary allowance, to a functionally impaired elderly person who is home bound by reason of illness, incapacity or disability.

(8) "Home health aide services" means the performance of simple procedures, including but not limited to personal care, ambulation, exercises, household services essential to health care at home, assistance with medications that are ordinarily self-administered, reporting changes in the patient's condition and needs, and completing appropriate records.

(9) "Homemaker services" means general household activities, including but not limited to shopping, meal preparation and routine household care, provided by a trained homemaker when the person regularly responsible for these activities is temporarily absent or unable to manage the home and care for himself or others in the home.

SECTION 2. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

(1) The department shall fund, directly or through a contracting entity or entities, in each district, a program of essential services which shall have as its primary purpose the prevention of unnecessary institutionalization of functionally impaired elderly persons. The department may use funds appropriated under this Act to contract with public and private agencies, long term care facilities, local governments, and other providers to provide essential services. The department may provide essential services when such services cannot otherwise be purchased.

(2) In providing essential services, all existing community resources available to functionally impaired elderly persons shall be utilized. Additional services may be provided, but shall not be funded from funds appropriated under this Act. Volunteers may be used where practicable to provide essential services to functionally impaired elderly persons. The department or contracting entity shall provide or arrange for the provision of training and supervision of volunteers to ensure the delivery of quality services. The department or contracting entity shall provide or arrange for appropriate insurance coverage to protect volunteers from personal liability while acting within the scope of their volunteer duties.

(3) Entities contracting with the department to provide essential services under this Act shall provide a minimum of twenty-five percent (25%) of the funding necessary for the support of program operations. Local contributions, whether materials, commodities, transportation, office space, personal services, or other types of facilities services, or funds may be evaluated and counted toward the twenty-five percent (25%) local funding requirements.

(4) When possible, funding for core services may be obtained under:

(a) The comprehensive annual social services program plan under Title XX of the Social Security Act;

(b) The medical assistance plan under Titles XVIII and XIX of the Social Security Act;

(c) The state plan on aging under the Older Americans Act; or

(d) Veteran's benefit programs under the provisions of 38 USCA Sections 1 et seq. as amended.

The department may seek federal waivers if necessary to enable the use of funds provided through titles XVIII and XIX of the Social Security Act for the provision of essential services.

(5) Providers contracting with the department to provide essential services shall be responsible for the collection of fees and contributions for services in accordance with rules promulgated by the department. Providers are authorized to assess and collect fees for services rendered in accordance with those regulations. To help pay for essential services received, a functionally impaired elderly person shall pay an amount of money based on an overall ability to pay in accordance with a schedule of fees established by the department. Fees shall reflect the degree to which the department or contracting entity uses volunteers in the provision of services. Where essential services are provided by volunteers, fees shall only be assessed in an amount that will cover the cost of materials and other goods used in the provision of services. The cost of materials and other goods used by volunteers shall be reasonably similar to the cost of goods when paid personnel are used. Fees shall not be required of any person who is "needy aged" as defined in KRS 205.010, however, voluntary contributions may be encouraged. This subsection shall not apply to programs utilizing federal funds when regulations require contributions to revert to the original funding source.

SECTION 3. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

The department shall submit an annual report on programs and services provided under this Act to the Governor and the General Assembly on or before January 15 of the year. Such report shall include:

(1) Information and data necessary to provide an analysis of the costs and benefits of core services;

(2) An assessment of the ability of core services to reduce the rate of inappropriate entry and placement of functionally impaired elderly persons in institutions; and

(3) An assessment of the ability of core services to reduce the use of institutional services and facilities.

Floor Amendment No. 3 to **HB 293,** by Representative Robinson:

Amend printed copy of **HB 293,** on page 1, line 1, after "Section 1." by inserting the following: KRS 117.275 is amended to read as follows:

(1) At the count of the votes in any such precinct, any candidate and any representatives to witness and check the count of the votes therein, who are hereby authorized to be appointed as is provided in subsection (6) of this section, shall be admitted and be permitted to be present and witness the count.

(2) As soon as the polls are closed, and the last voter has voted, the judges shall immediately lock and seal the operating lever or mechanism of the machine so that the voting and counting mechanism will be prevented from operation, and they shall then sign a certificate stating:

(a) That the machine has been locked against voting and sealed;

(b) The number of voters, as shown on the public counters;

(c) The number registered on the protective or accumulative counter or device, if any; and

(d) The number or other designation of the voting machine, which certificate shall be returned by the judges of election to the officials authorized by law to receive the same. The judges shall then compare the number of voters, as shown by the counter of the machine, with the number of those who have voted as shown by the protective or accumulative counter or device.

(3) *In the case of statewide elections, no earlier than 6:00 p.m. in the central time zone or 7:00 p.m. in the eastern time zone, the* [The] judges, in the presence of the representatives mentioned in subsection (1), if any, and of all other persons who may be lawfully within the polling place, shall then make visible the registering counters, and, for that purpose, shall unlock and open the doors, or other covering concealing the same, giving full view of all the counter numbers. The judges shall, under the scrutiny of such representatives, and in the order of the offices as their titles are arranged on the machine, read and announce, in distinct tones, the results as shown by the counter numbers for each candidate and for and against each question voted on. The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the judges, in ink, on quadruplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the judges. The total votes cast for each candidate, and for and against each question, and the votes written in, shall then be entered on the general and quadruplicate return sheets and statement. There shall also be entered on the general return sheet and statement the number of voters who have voted, as shown by the lists of voters, and the number who have voted on each machine, as shown by the public counters, and also the number registered on the protective or accumulative counter or device on each machine immediately after the closing thereof and sealing of the machine. The number or other designation of each machine used shall also be entered thereon. In the case of primary elections, quadruplicate return sheets shall remain exposed to view until the said returns and all other reports have been fully completed.

(4) The proclamation of the result of the votes cast shall be announced distinctly and audibly by one of the judges of election, who shall read the name of the vote cast for each candidate and the vote for and against each question submitted. During such proclamation ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the machine, and any necessary corrections shall then and there be made by the judges, after which the doors or other cover of the voting machine shall be closed and locked and the return sheet shall be signed by each of the judges of election. If any judge shall decline to sign such return, he shall state his reason therefor in writing, and a copy thereof, signed by him, shall be enclosed with such return. Each of the return sheets shall be enclosed in an envelope, which shall be securely sealed, and each of the judges shall write his name across the fold of the envelope. One (1) of the quadruplicate return sheets, along with the general return sheet and precinct list, shall be directed to the county board of elections of the county in which the election is being held, one (1) to the county clerk of the county in which the election is being held and one (1) to the local governing body of each of the two (2) dominant political parties. Said envelope shall have endorsed thereon a certificate of the election officers, stating the number of the machine, the precinct where it has been used, the number on the seal, and the number on the protective or accumulative counter or device at the close of the polls. Following the tabulation of all votes cast in the election, including absentee votes, the county board shall immediately mail the tabulation result, the general return sheets and the precinct lists from each precinct to the state board of elections.

(5) As soon as possible after the completion of the count, the election officers shall return to the county board of elections the keys to the voting machine received and receipted for by them, and the county clerk in which the precinct is located shall have the voting machine properly boxed or securely covered and removed to a proper and secure place of storage.

(6) In primary elections, each candidate or group of candidates may designate to the county board of elections a representative to witness and check the vote count. In regular elections, the governing authority of each political party, each candidate for member of board of education, independent candidate or independent ticket may designate a representative to the county board of elections to witness and check the vote

count. The county board of elections shall authorize representatives of the news media to observe the taking of the tally of votes from the voting machine in each precinct in each primary, regular or special election.

(7) If supplemental paper ballots have been approved, as provided in KRS 118.215, after the polls are closed, the precinct election officials shall stamp "Unused" on all supplemental paper ballots not used. The election officers shall string all used ballots' stubs upon a string provided for that purpose, and the stubs shall be placed in an envelope. The sheriff and the judge from the opposite political party from the sheriff shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. The county board of elections, or its designee, shall count and tally the paper ballots manually or with the use of tabulating equipment which does not involve an additional voting system. The results of the vote tally shall be certified by the county board of elections to the county clerk and to the secretary of state. The county board of elections shall authorize the candidates or their representatives and representatives of the news media to be present during the counting of the paper ballots. The county clerk shall retain the paper ballots for sixty (60) days, after which time they shall be burned by the county board of elections if no contest or recount action has been filed.

WHEREAS, Albert Benjamin "Happy" Chandler was born in Corydon, Kentucky on July 14, 1898, the son of Joseph and Callie (Sanders) Chandler; and

WHEREAS, Happy Chandler is perhaps the most illustrious Kentuckian of this century, initiating his remarkable public life as a football coach at Centre College in Danville, Kentucky from 1922 to 1924; and

WHEREAS, in 1924, Happy Chandler opened a law practice in Versailles, Kentucky, a city which is still proud to claim Happy and his wife Mildred (forever endeared to us all as "Mama") as among its leading citizens; and

WHEREAS, Happy was appointed as master commissioner of the Circuit Court in Woodford County in 1928, a position which spearheaded his launch into the political arena; and

WHEREAS, Happy Chandler was elected as a member of the prestigious Kentucky Senate from the 22nd District in 1929; served as Lieutenant Governor from 1931 to 1935, catapulting into the Governor's seat from 1935 to 1939, and again serving as chief executive of the Commonwealth from 1955 until 1959; and

WHEREAS, Happy Chandler resigned as Governor in 1939 to be appointed as our United States Senator, a vacancy caused by the tragic loss of Marvell Mills Logan; and

Chandler would negotiate radio and television contracts for the annual All-Star Game and the resulting revenue was turned over to the pension fund; and

HB 549, AN ACT relating to the levy and assessment of property taxes on unmined minerals.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.010 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Department" means the department of revenue.

(2) "Taxpayer" means any person, *corporation, company, partnership, association, or other legal entity* made liable by law to file a return or pay a tax.

(3) "Real property" includes all lands, *unmined minerals, oil, natural gas, and natural gas liquids* within this state and improvements thereon.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent per one hundred dollars of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference in the total valuation of property subject to taxation by the county, city, school district or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and the total valuation of property subject to taxation by the county, city, school district or special district for the current year.

(8) "New property" means the net difference in taxable value between real property additions and deletions to the property tax roll for the current year. "Real property additions" shall mean:

(a) Property annexed or incorporated by a municipal corporation, or any other taxing jurisdiction, however, this definition shall not apply to property acquired through the merger or consolidation of school districts, or the transfer of property from one school district to another;

(b) Property, the ownership of which has been transferred from a tax-exempt entity to a nontax-exempt entity;

(c) The value of improvements to existing nonresidential property;

(d) The value of new residential improvements to property;

(e) The value of improvements to existing residential property when the improvement increases the assessed value of the property by fifty percent (50%) or more;

(f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator the value of such property as a farm shall be a deletion from that category;

(g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

(h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided;

(i) The value of all unmined minerals appearing on the tax rolls on or before December 31, 1985, shall be considered "real property additions" for each year such value appears on the tax rolls prior to that date. Beginning January 1, 1986, "real property additions" shall include the value of all unmined minerals added to the tax rolls on or after that date for the year in which such value is added to the tax rolls.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(9) "Agricultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least ten contiguous acres in area used for the production of livestock, livestock

products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government, where such activities produced an average annual gross income including payments under a state or federal program according to the following scale:

Acres	Annual Gross Income +	Income Per Acre
10 to 30	$1,000+	$60.00 per acre, or a fraction thereof, over 10 acres.
30 to 60	$2,200+	$40.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$3,400+	$25.00 per acre, or a fraction thereof, over 60 acres.
100 to 250	$4,400+	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$5,900+	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there must be an annual gross income of these amounts within two (2) years of purchase. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(10) "Horticultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least five contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers or ornamental plants, where such activities produced an average annual gross income according to the following scale:

Acres	Annual Gross Income +	Income Per Acre
5 to 30	$1,000 minimum, or	$100.00 per acre, or a fraction thereof, over 5 acres, or whichever amount is greater.
30 to 60	$3,000+	$50.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$4,500+	$25.00 per acre, or a fraction thereof, over 60 acres.
100 to 250	$5,500+	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$7,000+	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there is evidence of anticipated annual gross income of these amounts. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

(e) Row crop capability including allotted crops;

(f) Accessibility to all-weather roads and markets; and

(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(12) "Deferred tax" means the difference in the tax based on agricultural or horticultural value and the tax based on fair cash value.

(13) "Homestead" means real property maintained as the permanent residence of the owner with all land and improvements adjoining and contiguous thereto including, but not limited to, lawns, drives, flower or vegetable gardens, outbuildings and all other land connected thereto.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(15) "Special benefits" are those which are provided by public works not financed through the general tax levy but through special assessments against the benefited property.

(16) For purposes of this chapter, "unmined minerals" means all forms of minerals which have not yet been mined or removed from the earth including, but not limited to, coal, rock, stone, limestone, shale, gravel, sand, clay, fluorspar, and zinc but excluding oil, natural gas, and natural gas liquids which are contained in or on the soils or waters of this state.

Section 2. KRS 132.020 is amended to read as follows:

(1) An annual ad valorem tax for state purposes of thirty-one and one-half cents (31-½¢) upon each one hundred dollars ($100) of value of all real property directed to be assessed for taxation, and one and one-half cents (1-½¢) upon each one hundred dollars ($100) of value of all privately-owned leasehold interests in industrial buildings, as defined under KRS 103.200, owned and financed by a tax-exempt governmental unit, or tax-exempt statutory authority under the provisions of KRS Chapter 103 directed to be assessed for taxation, and one and one-half cents (1-½¢) upon each one hundred dollars ($100) of value of all tobacco directed to be assessed for taxation, and twenty-five cents (25¢) upon each one hundred dollars ($100) of value of all money in hand, shares of stock, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, except as otherwise provided in subsection (2) of this section, and one and one-half cents (1-½¢) upon each one hundred dollars ($100) of value of unmanufactured agricultural products, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all farm implements and farm machinery owned by a person actually engaged in farming and used in his farm operations, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all livestock and domestic fowls, fifteen cents (15¢) upon machinery and products in course of manufacture, of individuals or corporations actually engaged in manufacturing, and their raw material actually on hand at their plant for the purpose of manufacture, fifteen cents (15¢) upon commercial radio, television and telephonic equipment directly used or associated with electronic equipment which broadcasts electronic signals to an antenna, fifteen cents (15¢) upon property which has been certified as a pollution control facility as defined in KRS 224.850, one-tenth of one cent ($.001) upon property which has been certified as an alcohol production facility as defined in KRS 247.910, and forty-five cents (45¢) upon each one hundred dollars ($100) of value of all other property directed to be assessed for taxation shall be paid by the owner or person assessed except as provided in subsection (2) of this section and KRS 132.030, 132.050, 132.200, 136.270, 136.300, 136.320 and other sections providing a different tax rate for particular property.

(2) An annual ad valorem tax for state purposes of one and one-half cents (1 ½¢) upon each one hundred dollars ($100) of value shall be paid upon the following classes of intangible personal properties, when such intangible personal properties have not acquired a taxable situs without this state:

(a) Accounts receivable, notes, bonds, credits, nondomestic bank deposits, and any other intangible property rights arising out of or created in the course of regular and continuing business transactions substantially performed outside this state.

(b) Patents, trademarks, copyrights and licensing or royalty agreements, relating thereto.

(c) Shares of capital stock of any affiliated company as defined in subsection (3) of this section and notes, bonds, accounts receivable and all other intercompany intangible personal property due from such company.

(3) "Affiliated company" shall mean a parent corporation or subsidiary corporation, and any corporation principally engaged in business outside the United States in which the owner or the person assessed directly or indirectly owns or controls not less than ten per cent (10%) of the outstanding voting stock.

(4) With respect to the intangible properties taxed pursuant to subsection (2) of this section, no other ad valorem tax shall be levied by the state or any county, city, school or other taxing district on such intangible properties, or directly or indirectly against the owner with respect thereto.

(5) *On or after January 1, 1983, for each interest in unmined minerals, in whatever form held, including but not limited to leasehold interests, the assessed value of each of the first one hundred (100)*

acres of unmined minerals within each assessing county shall be taxed at the rate of one-tenth of one cent ($.001) per one hundred dollars ($100) of assessed value; and the value of the excess, if any, over one hundred (100) acres shall be taxed at the same rate applicable to other real property. Any taxable interest in oil, natural gas, or natural gas liquids shall be taxed at the same rate as other real property. For purposes of this subsection, any jointly held interest in unmined minerals, whether divided or undivided, shall be a single interest in unmined minerals for taxation purposes. The owner or joint owners of such interest in unmined minerals shall be liable for the payment of any tax due under this subsection. Transfers of any interest in unmined minerals which have the effect of avoiding the provisions of this subsection without any other legitimate business purpose, will subject the transferor and transferee to the penalty provisions of KRS 132.570 and KRS 132.990, and a lien may be taken against the property for the payment of the tax, in which case the tax rates of this subsection will apply the same as if the transfer had not occurred [~~Unmined coal and any interest therein, in whatever form held, including, but not limited to, leasehold and royalty interests shall be taxed at the rate of one-tenth of one cent ($.001) per one hundred dollars of assessed value~~].

(6) Thirty cents (30¢) of the thirty-one and one-half cents (31 ½¢) state tax rate on real property and thirty cents (30¢) of the forty-five cents (45¢) state tax on tangible personalty subject to local taxation shall be considered as local school district tax levies for purposes of computing any direct payments of state or federal funds to said districts as replacement for ad valorem taxes lost on property acquired by a governmental agency. Should the equivalency ever be less than thirty cents (30¢), as certified by the department of education, the direct payments shall be reduced proportionately.

(7) The provisions of subsection (1) of this section notwithstanding, the state tax rate on real property shall be reduced to compensate for any increase in the aggregate assessed value of real property to the extent that such increase exceeds the preceding year's assessment by more than four percent (4%). In any year in which the aggregate assessed value of real property is less than the preceding year, the state rate shall be increased to the extent necessary to produce the approximate amount of revenue that was produced in the preceding year from real property.

(8) By July 1 each year, the department of revenue shall compute the state tax rate applicable to real property for the current year in accordance with the provisions of KRS 132.020(6) and certify the rate to the county clerks for their use in preparing the tax bills. In the event the assessments for all counties have not been certified by July 1, the department shall, when real property assessments of at least seventy-five percent (75%) of the total number of counties of the Commonwealth have been certified, make an estimate of the real property assessments of the uncertified counties and compute the state tax rate.

(9) In the event that the tax rate set by the department as provided in subsection (8) of this section produces more than a four percent (4%) increase in real property tax revenues, the rate shall be adjusted in the succeeding year so that the cumulative total of each year's property tax revenue increase shall not exceed four percent (4%) per year.

(10) An ad valorem tax for state purposes on distilled spirits shall be levied according to the following rate schedule:

Calendar Year	Rate per \$100 of Assessed Value
1982	\$ .225
1983	\$ .1125
1984 and after	\$ .001

Section 3. KRS 132.200 is amended to read as follows:

(2) Livestock and domestic fowls;

(3) Capital stock of savings and loan associations;

(4) Machinery and products in course of manufacture, of individuals or corporations actually engaged in manufacturing, and their raw material actually on hand at their plant for the purpose of manufacture. Individuals or corporations actually engaged in the printing, publication and distribution of a newspaper or operating a job printing plant shall be deemed to be actually engaged in manufacturing;

(6) Unmanufactured agricultural products (except that the same shall be exempt from taxation for state purposes to the extent of the value, or amount, of any unpaid nonrecourse loans thereon granted by

the United States government or any agency thereof), and except that cities and counties may each impose an ad valorem tax of not exceeding one and one-half cents (1 ½¢) on each $100 of the fair cash value of all unmanufactured tobacco and not exceeding four and one-half cents (4 ½¢) on each $100 of the fair cash value of all other unmanufactured agricultural products, subject to taxation within their limits that are not actually on hand at the plants of manufacturing concerns for the purpose of manufacture, nor in the hands of the producer or any agent of the producer to whom the products have been conveyed or assigned for the purpose of sale;

(7) Money in hand, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, and shares of stock, except that nothing in this section shall forbid local taxation of franchises of corporations or of the shares of banks, trust companies or combined banks and trust companies doing business in this state, or domestic life insurance companies;

~~(12)~~] On and after January 1, *1983* [~~1977~~], the assessed value of *all interests in* unmined *minerals, as defined in KRS 132.010* [~~coal~~] shall be included in the formula contained in KRS 132.590(2) in determining the amount of county appropriation to the office of the property valuation administrator.

Section 4. KRS 132.230 is amended to read as follows:

(1) Every person listing his property with the property valuation administrator shall state:

(a) Each separate tract of land, *any interest in unmined minerals, oil, natural gas or natural gas liquids* with the number of acres in each tract; the value per acre; each of the improvements thereon; the name of the nearest resident thereto; where located, giving the election precinct in which it is located; the number of each city lot and the improvements thereon, in what city, on which street, the value of each, and the value of the improvements thereon to the extent that they enhance the value of each lot; whether there is any land adjoining his owned by a nonresident of the county or state, giving the name and place of residence of any such owner, if known;

(b) The number of livestock, their type, species and value;

(c) All other property including the number, denomination and fair cash value of all bonds subject to taxation owned by him with the value thereof on January 1 of the year for which the assessment is made, unless otherwise provided by law; and

(d) Such other facts as may be required in the blanks provided.

(2) An error or informality in the description or location of the property, or in the name of the owner or person assessed, shall not invalidate the assessment if the property can with reasonable certainty be located or identified from the description given, in which case the collector may receive the taxes and by his receipt correct the error or informality.

Section 5. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the department of revenue shall cause to be listed for taxation all property omitted by the property valuation administrators, board of supervisors, department or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; *in the case of unmined minerals, where the owner of the interest in the unmined minerals owns no interest in the surface, an action for assessment shall be instituted by filing a petition and procuring constructive service against the owner under the provisions of rule 4.05, 4.06, 4.07, and 4.08 of the Rules of Civil Procedure;* if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the district court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the department of revenue making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

SECTION 6. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) Every corporation, company, association, partnership or person owning or engaged in the business of extracting metalliferous or non-metalliferous ore or owning or engaged in the production of unmined minerals or engaged in the extraction or leasing for extraction of oil, natural gas, or natural gas liquids shall, as of January 1 each year, and by February 1, make and deliver a report to the property valuation administrator, verified by the person or officer required to file the same, on such form as the department of revenue may prescribe, showing the following facts:

(a) The name, description and location of the interest in unmined minerals, oil, natural gas, or natural gas liquids, and any mine, lease, well or preparation plant, including tipples, owned or operated by him during the preceding calendar year;

(b) The number of tons of ore, or hydrocarbon substance, the number of cubic feet of gas or the number of barrels of oil produced or extracted during the preceding calendar year;

(c) The type(s) or grade(s) of ore or other hydrocarbon substance held by the person, partnership, company or corporation and the extent of such holdings;

(d) Such other reasonable and necessary information as may be required by the department of revenue.

(2) The property valuation administrator shall, by February 15 each year, deliver to the department of revenue all such information as is supplied under subsection (1) of this section, and the department shall then annually determine the fair cash value of all unmined mineral properties required to be reported by subsection (1) of this section in the same manner and according to the same standards as if the property was valued by the property valuation administrator in the county where the property has a taxable situs. Primary emphasis shall be given to the most current estimates of the Kentucky Geological Survey and the Institute for Mining and Minerals Research (IMMR) as to quantity and quality of the unmined minerals. Taxpayers' maps and records shall also be utilized by the department if available. Other factors which shall be considered by the department include, but are not limited to:

(a) Sales of other tracts of similar unmined minerals;

(b) The current market price for the mineral, if extracted;

(c) The availability of transportation and preparation facilities for the mineral, if extracted;

(d) BTU content, sulphur and ash content of the unmined minerals.

(3) When the valuation has been finally determined, the department shall certify the valuation to the property valuation administrator who shall place the valuation upon the county assessment rolls and give notice to the taxpayer as provided in KRS 132.450.

(4) The taxpayer shall have the right of appeal of any assessment made under this section in the manner provided in KRS 133.120.

(5) All tangible property, including tipples and preparation facilities, of any taxpayer assessed under this section shall be valued and assessed by the property valuation administrator of the county in which such property has a taxable situs.

SECTION 7. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any statutory provisions to the contrary, any tract of unmined minerals is presumed to be of no value for property tax assessment purposes if any of the following factors exist with relation to that tract:

(a) 1. The tract of surface above the tract of unmined minerals is owned by the owner of the tract of unmined minerals; and

2. The tract of surface is being used for agricultural or horticultural purposes as defined by KRS 132.010, or for residential or commercial purposes, or for other uses inconsistent with the extraction of unmined minerals; and

3. The owner has not leased any portion of the tract of unmined minerals for extraction, has not actively undertaken to extract the unmined minerals from any portion of the tract, and is not in the business of extracting unmined minerals or leasing unmined minerals for extraction.

(b) The tract of unmined minerals has been depleted due to mining, drilling, construction or other activities.

(c) The tract of unmined minerals is not capable of extraction by any method in common usage in the industry due to geologic or economic reasons.

(d) The supposed tract of unmined minerals is actually barren.

(e) The extraction of unmined minerals from the tract is prohibited by law.

The burden shall be on the taxpayer to prove qualification under this section by clear and convincing evidence.

(2) If the taxpayer offers the results of any core drilling as evidence to prove qualification under this section, such results must be verified by a geophysical gamma-ray density log test performed at the expense of the taxpayer by the department, or a qualified engineer appointed by the department, and such results, if so verified, will be used as evidence of value of the unmined minerals for the area bounded by a one-quarter (¼) mile radius of the core drilling.

(3) If any tract of unmined minerals which qualifies under this section, and is assessed at no value under this section, is leased for extraction or is prepared for extraction, or any well is drilled for the extraction of oil, natural gas or natural gas liquids, or the use of the surface changes from agricultural or horticultural or residential or commercial use, where the qualification was under subsection (1) of this section, then that tract of unmined minerals or oil, natural gas or natural gas liquids shall be subject to deferred taxes based on the current fair cash value of the tract for the current tax year and the immediately preceding two (2) tax years, but shall not be subject to any deferred tax for any year prior to the effective date of enactment of this subsection.

Section 8. KRS 133.010 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

(1) "Board" means the county board of assessment appeals.

(2) "Department" means the department of revenue.

(3) "Taxpayer" means any person made liable by law to file a return or pay a tax.

(4) "Real property" includes all lands, *and unmined minerals, oil, natural gas, and natural gas liquids* within this state and improvements thereon.

(5) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

Committee Substitute to **HB 549** is as follows:

HB 549, AN ACT relating to the levy and assessment of property taxes on unmined minerals.

WHEREAS, the legislature finds that it is the public policy of this Commonwealth to promote fairness and equity in the distribution of property taxes; and

WHEREAS, the legislature finds that this public policy is not being served by the present statutes relating to the taxation of unmined minerals; and

WHEREAS, the legislature finds that this public policy can be served best by the enactment of a comprehensive act designed to tax unmined minerals at the same rate as all other real property; and

WHEREAS, the legislature finds that this public policy can be served best by systematic statewide assessment of unmined minerals; and

WHEREAS, the legislature finds that the Department of Revenue cannot effectively carry out this assessment without a sufficient appropriation; and

WHEREAS, the legislature finds that it is the public policy of this Commonwealth to encourage the ownership of unmined minerals by the surface owner of the property; and

WHEREAS, the legislature finds that it is the public policy of this Commonwealth to encourage agricultural and horticultural use of land; and

WHEREAS, the legislature finds that it is the public policy of this Commonwealth to preserve ownership of small tracts of unmined minerals; and

WHEREAS, the legislature finds that small tracts of unmined minerals are much less likely to be economically feasible to mine than larger tracts of unmined minerals;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.010 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Department" means the department of revenue.

(2) "Taxpayer" means any person, *corporation, company, partnership, association, or other legal entity* made liable by law to file a return or pay a tax.

(3) "Real property" includes all lands, *unmined minerals, oil, natural gas, and natural gas liquids* within this state and improvements thereon.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent per one hundred dollars of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference in the total valuation of property subject to taxation by the county, city, school district or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and the total valuation of property subject to taxation by the county, city, school district or special district for the current year.

(8) "New property" means the net difference in taxable value between real property additions and deletions to the property tax roll for the current year. "Real property additions" shall mean:

(a) Property annexed or incorporated by a municipal corporation, or any other taxing jurisdiction, however, this definition shall not apply to property acquired through the merger or consolidation of school districts, or the transfer of property from one school district to another;

(b) Property, the ownership of which has been transferred from a tax-exempt entity to a nontax-exempt entity;

(c) The value of improvements to existing nonresidential property;

(d) The value of new residential improvements to property;

(e) The value of improvements to existing residential property when the improvement increases the assessed value of the property by fifty percent (50%) or more;

(f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator the value of such property as a farm shall be a deletion from that category;

(g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

(h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided;

(i) The value of all unmined minerals appearing on the tax rolls on or before December 31, 1986, shall be considered "real property additions" for each year such value appears on the tax rolls prior to that date. Beginning January 1, 1987, "real property additions" shall include the value of all unmined minerals added to the tax rolls on or after that date for the year in which such value is added to the tax rolls.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(9) "Agricultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least ten contiguous acres in area used for the production of livestock, livestock products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government, where such activities produced an average annual gross income including payments under a state or federal program according to the following scale:

Acres	Annual Gross Income +	Income Per Acre
10 to 30	$1,000+	$60.00 per acre, or a fraction thereof, over 10 acres.
30 to 60	$2,200+	$40.00 per acre, or a fraction thereof, over 30 acres.

Acres	Annual Gross Income +	Income Per Acre
60 to 100	$3,400+	$25.00 per acre, or a fraction thereof, over 60 acres.
100 to 250	$4,400+	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$5,900+	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there must be an annual gross income of these amounts within two (2) years of purchase. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(10) "Horticultural land" means any tract of land, including all income-producing improvements but excluding all residences, of at least five contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers or ornamental plants, where such activities produced an average annual gross income according to the following scale:

Acres	Annual Gross Income +	Income Per Acre
5 to 30	$1,000 minimum, or	$100.00 per acre, or a fraction thereof, over 5 acres, or whichever amount is greater.
30 to 60	$3,000+	$50.00 per acre, or a fraction thereof, over 30 acres.
60 to 100	$4,500+	$25.00 per acre, or a fraction thereof, over 60 acres.
100 to 250	$5,500+	$10.00 per acre, or a fraction thereof, over 100 acres.
Over 250	$7,000+	$5.00 per acre, or a fraction thereof, over 250 acres.

The above annual gross income amounts must be achieved in three (3) out of the five (5) years preceding the tax year or there is evidence of anticipated annual gross income of these amounts. Land devoted exclusively to the growing of merchantable timber or nonincome-producing woodland is excluded from the gross income provisions.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;
(b) Degree of productivity of the soil;
(c) Risk of flooding;
(d) Improvements to and on the land that relate to the production of income;
(e) Row crop capability including allotted crops;
(f) Accessibility to all-weather roads and markets; and
(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(12) "Deferred tax" means the difference in the tax based on agricultural or horticultural value and the tax based on fair cash value.

(13) "Homestead" means real property maintained as the permanent residence of the owner with all land and improvements adjoining and contiguous thereto including, but not limited to, lawns, drives, flower or vegetable gardens, outbuildings and all other land connected thereto.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(15) "Special benefits" are those which are provided by public works not financed through the general tax levy but through special assessments against the benefited property.

(16) "Unmined minerals" means all forms of minerals which have not yet been mined or removed from the earth including, but not limited to, coal, rock, stone, limestone, shale, gravel, sand, clay, fluorspar, and zinc but excluding oil, natural gas, and natural gas liquids which are contained in or on the soils or waters of this state.

(17) "Non-extractible unmined mineral interest" means any fee simple interest in unmined minerals of less than one hundred (100) contiguous acres owned by a taxpayer not engaged in the business of extracting or leasing for extraction unmined minerals. "Extractible unmined mineral interest" means all other interests in unmined minerals, including but not limited to fee simple and leasehold interests. Any taxpayer who along or in conjunction with any other person or entity operates a company, corporation, partnership, association or other legal entity that extracts unmined minerals or leases unmined minerals for extraction shall be deemed to be a taxpayer in the business of extracting or leasing for extraction unmined minerals.

Section 2. KRS 132.020 is amended to read as follows:

(1) An annual ad valorem tax for state purposes of thirty-one and one-half cents (31-½¢) upon each one hundred dollars ($100) of value of all real property directed to be assessed for taxation, and one and one-half cents (1-½¢) upon each one hundred dollars ($100) of value of all privately-owned leasehold interests in industrial buildings, as defined under KRS 103.200, owned and financed by a tax-exempt governmental unit, or tax-exempt statutory authority under the provisions of KRS Chapter 103 directed to be assessed for taxation, and one and one-half cents (1-½¢) upon each one hundred dollars ($100) of value of all tobacco directed to be assessed for taxation, and twenty-five cents (25¢) upon each one hundred dollars ($100) of value of all money in hand, shares of stock, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, except as otherwise provided in subsection (2) of this section, and one and one-half cents (1-½¢) upon each one hundred dollars ($100) of value of unmanufactured agricultural products, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all farm implements and farm machinery owned by a person actually engaged in farming and used in his farm operations, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all livestock and domestic fowls, fifteen cents (15¢) upon machinery and products in course of manufacture, of individuals or corporations actually engaged in manufacturing, and their raw material actually on hand at their plant for the purpose of manufacture, fifteen cents (15¢) upon commercial radio, television and telephonic equipment directly used or associated with electronic equipment which broadcasts electronic signals to an antenna, fifteen cents (15¢) upon property which has been certified as a pollution control facility as defined in KRS 224.850, one-tenth of one cent ($.001) upon property which has been certified as an alcohol production facility as defined in KRS 247.910, and forty-five cents (45¢) upon each one hundred dollars ($100) of value of all other property directed to be assessed for taxation shall be paid by the owner or person assessed except as provided in subsection (2) of this section and KRS 132.030, 132.050, 132.200, 136.270, 136.300, 136.320 and other sections providing a different tax rate for particular property.

(2) An annual ad valorem tax for state purposes of one and one-half cents (1 ½¢) upon each one hundred dollars ($100) of value shall be paid upon the following classes of intangible personal properties, when such intangible personal properties have not acquired a taxable situs without this state:

(a) Accounts receivable, notes, bonds, credits, nondomestic bank deposits, and any other intangible property rights arising out of or created in the course of regular and continuing business transactions substantially performed outside this state.

(b) Patents, trademarks, copyrights and licensing or royalty agreements, relating thereto.

(c) Shares of capital stock of any affiliated company as defined in subsection (3) of this section and notes, bonds, accounts receivable and all other intercompany intangible personal property due from such company.

(3) "Affiliated company" shall mean a parent corporation or subsidiary corporation, and any corporation principally engaged in business outside the United States in which the owner or the person assessed directly or indirectly owns or controls not less than ten per cent (10%) of the outstanding voting stock.

(4) With respect to the intangible properties taxed pursuant to subsection (2) of this section, no other ad valorem tax shall be levied by the state or any county, city, school or other taxing district on such intangible properties, or directly or indirectly against the owner with respect thereto.

(5) On or after January 1, 1982, non-extractible unmined mineral interests, as defined in KRS 132.010, shall be taxed at the rate of one-tenth of one cent ($.001) per one hundred dollars ($100) of assessed value; and extractible unmined mineral interests, as defined in KRS 132.010, shall be taxed at the state ad valorem tax rate applicable to other real property. Any taxable interest in oil, natural gas, or natural gas liquids shall be taxed at the state ad valorem tax rate applicable to other real property. For purposes of this subsection, any jointly held interest in unmined minerals, whether divided or undivided,

and any jointly held non-extractible unmined mineral interest or jointly held extractible unmined mineral interest, whether divided or undivided, shall be a single interest for taxation purposes. The owner or joint owners of such interests shall be liable for the payment of any tax due under this subsection. Transfers of any interest in extractible unmined mineral interests which have the effect of avoiding any tax imposed by the provisions of this subsection without any other legitimate business purpose, will subject the taxpayer to the penalty provisions of KRS 132.570 and KRS 132.990, in which case the tax rate applicable to extractible unmined mineral interests will apply the same as if the transfer had not occurred. If necessary, a lien may be taken against the property for payment of any tax due under this subsection [~~Unmined coal and any interest therein, in whatever form held, including, but not limited to, leasehold and royalty interests shall be taxed at the rate of one-tenth of one cent ($.001) per one hundred dollars of assessed value~~].

(6) Thirty cents (30¢) of the thirty-one and one-half cents (31 ½¢) state tax rate on real property and thirty cents (30¢) of the forty-five cents (45¢) state tax on tangible personalty subject to local taxation shall be considered as local school district tax levies for purposes of computing any direct payments of state or federal funds to said districts as replacement for ad valorem taxes lost on property acquired by a governmental agency. Should the equivalency ever be less than thirty cents (30¢), as certified by the department of education, the direct payments shall be reduced proportionately.

(7) The provisions of subsection (1) of this section notwithstanding, the state tax rate on real property shall be reduced to compensate for any increase in the aggregate assessed value of real property, *exclusive of the increase caused by the assessment of unmined minerals, as defined by KRS 132.010, prior to January 1, 1987,* to the extent that such increase exceeds the preceding year's assessment by more than four percent (4%). In any year in which the aggregate assessed value of real property is less than the preceding year, the state rate shall be increased to the extent necessary to produce the approximate amount of revenue that was produced in the preceding year from real property.

(8) By July 1 each year, the department of revenue shall compute the state tax rate applicable to real property for the current year in accordance with the provisions of KRS 132.020(6) and certify the rate to the county clerks for their use in preparing the tax bills. In the event the assessments for all counties have not been certified by July 1, the department shall, when real property assessments of at least seventy-five percent (75%) of the total number of counties of the Commonwealth have been certified, make an estimate of the real property assessments of the uncertified counties and compute the state tax rate.

(9) In the event that the tax rate set by the department as provided in subsection (8) of this section produces more than a four percent (4%) increase in real property tax revenues, *exclusive of revenues produced prior to January 1, 1987 by application of the rate to unmined minerals as provided by subsection (5) of this section,* the rate shall be adjusted in the succeeding year so that the cumulative total of each year's property tax revenue increase shall not exceed four percent (4%) per year.

(10) An ad valorem tax for state purposes on distilled spirits shall be levied according to the following rate schedule:

Calendar Year	Rate per $100 of Assessed Value
1982	$ .225
1983	$ .1125
1984 and after	$ .001

Section 3. KRS 132.200 is amended to read as follows:

(1) Farm implements and farm machinery owned by a person actually engaged in farming and used in his farm operation;

(2) Livestock and domestic fowls;

(3) Capital stock of savings and loan associations;

(4) Machinery and products in course of manufacture, of individuals or corporations actually engaged in manufacturing, and their raw material actually on hand at their plant for the purpose of manufacture. (5) Commercial radio, television and telephonic equipment directly used or associated with electronic equipment which broadcasts electronic signals to an antenna; however, radio or television towers not essential to the production of the wave or signal broadcast shall not be included;

(6) Unmanufactured agricultural products (except that the same shall be exempt from taxation for state purposes to the extent of the value, or amount, of any unpaid nonrecourse loans thereon granted by the United States government or any agency thereof), and except that cities and counties may each impose

an ad valorem tax of not exceeding one and one-half cents (1 ½¢) on each $100 of the fair cash value of all unmanufactured tobacco and not exceeding four and one-half cents (4 ½¢) on each $100 of the fair cash value of all other unmanufactured agricultural products, subject to taxation within their limits that are not actually on hand at the plants of manufacturing concerns for the purpose of manufacture, nor in the hands of the producer or any agent of the producer to whom the products have been conveyed or assigned for the purpose of sale;

(7) Money in hand, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, and shares of stock, except that nothing in this section shall forbid local taxation of franchises of corporations or of the shares of banks, trust companies or combined banks and trust companies doing business in this state, or domestic life insurance companies;

(12) On and after January 1, *1982* [~~1977~~], the assessed value of *all interests in* unmined *minerals, as defined in KRS 132.010* [~~coal~~] shall be included in the formula contained in KRS 132.590(2) in determining the amount of county appropriation to the office of the property valuation administrator.

Section 4. KRS 132.230 is amended to read as follows:

(1) Every person listing his property with the property valuation administrator shall state:

(a) Each separate tract of land, *any interest in unmined minerals, oil, natural gas or natural gas liquids* with the number of acres in each tract; the value per acre; each of the improvements thereon; the name of the nearest resident thereto; where located, giving the election precinct in which it is located; the number of each city lot and the improvements thereon, in what city, on which street, the value of each, and the value of the improvements thereon to the extent that they enhance the value of each lot; whether there is any land adjoining his owned by a nonresident of the county or state, giving the name and place of residence of any such owner, if known;

(b) The number of livestock, their type, species and value;

(c) All other property including the number, denomination and fair cash value of all bonds subject to taxation owned by him with the value thereof on January 1 of the year for which the assessment is made, unless otherwise provided by law; and

(d) Such other facts as may be required in the blanks provided.

(2) An error or informality in the description or location of the property, or in the name of the owner or person assessed, shall not invalidate the assessment if the property can with reasonable certainty be located or identified from the description given, in which case the collector may receive the taxes and by his receipt correct the error or informality.

Section 5. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the department of revenue shall cause to be listed for taxation all property omitted by the property valuation administrators, board of supervisors, department or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; *in the case of unmined minerals, where the owner of the interest in the unmined minerals owns no interest in the surface, an action for assessment shall be instituted by filing a petition and procuring constructive service against the owner under the provisions of rule 4.05, 4.06, 4.07, and 4.08 of the Rules of Civil Procedure;* if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the district court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the department of revenue making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

SECTION 6. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) Every corporation, company, association, partnership or person owning or engaged in the business of extracting metalliferous or non-metalliferous ore or owning or engaged in the production of unmined minerals or engaged in the extraction or leasing for extraction of oil, natural gas, or natural gas liquids shall, as of January 1 each year, and by February 1, make and deliver a report to the property valuation administrator, verified by the person or officer required to file the same, on such form as the department of revenue may prescribe, showing the following facts:

(a) The name, description and location of the interest in unmined minerals, oil, natural gas, or natural gas liquids, and any mine, lease, well or preparation plant, including tipples, owned or operated by him during the preceding calendar year;

(b) The number of tons of ore, or hydrocarbon substance, the number of cubic feet of gas or the number of barrels of oil produced or extracted during the preceding calendar year;

(c) The type(s) or grade(s) of ore or other hydrocarbon substance held by the person, partnership, company or corporation and the extent of such holdings;

(d) Such other reasonable and necessary information as may be required by the department of revenue.

(2) The property valuation administrator shall, by February 15 each year, deliver to the department of revenue all such information as is supplied under subsection (1) of this section, and the department shall then annually determine the fair cash value of all unmined mineral properties required to be reported by subsection (1) of this section in the same manner and according to the same standards as if the property was valued by the property valuation administrator in the county where the property has a taxable situs. Primary emphasis shall be given to the most current estimates of the Kentucky Geological Survey and the Institute for Mining and Minerals Research (IMMR) as to quantity and quality of the unmined minerals. Taxpayers' maps and records shall also be utilized by the department if available. Other factors which shall be considered by the department include, but are not limited to:

(a) Sales of other tracts of similar unmined minerals;

(b) The current market price for the mineral, if extracted;

(c) The availability of transportation and preparation facilities for the mineral, if extracted;

(d) BTU content, sulphur and ash content of the unmined minerals;

(e) The degree to which the unmined minerals and adjacent mineral properties are under production, or can be put into immediate production.

(3) When the valuation has been finally determined, the department shall certify the valuation to the property valuation administrator who shall place the valuation upon the county assessment rolls and give notice to the taxpayer as provided in KRS 132.450.

(4) The taxpayer shall have the right of appeal of any assessment made under this section in the manner provided in KRS 133.120.

(5) All tangible property, including tipples and preparation facilities, of any taxpayer assessed under this section shall be valued and assessed by the property valuation administrator of the county in which such property has a taxable situs.

SECTION 7. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any statutory provisions to the contrary, any fee simple interest in unmined minerals is presumed to be of no value for property tax assessment purposes if any of the following factors exist with relation to that interest:

(a) 1. The surface above the unmined minerals is owned in fee simple by the owner of the unmined minerals; and

2. The surface is being used for agricultural or horticultural purposes as defined by KRS 132.010, or for residential or commercial purposes, or for other uses inconsistent with the extraction of unmined minerals; and

3. The owner has not leased any portion of the unmined minerals for extraction within five (5) years of the date of assessment, and no portion is under lease on the date of assessment, the owner has not undertaken to extract any portion of the unmined minerals, and the owner is not in the business of extracting unmined minerals or leasing unmined minerals for extraction.

(b) The tract of unmined minerals has been depleted due to mining, drilling, construction or other activities.

(c) The tract of unmined minerals is not capable of extraction by any method in common usage in the industry due to geologic or economic reasons.

(d) The supposed tract of unmined minerals is actually barren.

(e) The extraction of unmined minerals from the tract is prohibited by law.

The burden shall be on the taxpayer to prove qualification of his interest in unmined minerals under this section by clear and convincing evidence.

(2) If the taxpayer offers the results of any core drilling as evidence to prove qualification under this section, such results must be verified by a geophysical gamma-ray density log test performed at the expense of the taxpayer by the department, or a qualified engineer appointed by the department, and such results, if so verified, will be used as evidence of value of the unmined minerals for the area bounded by a one-quarter (¼) mile radius of the core drilling.

(3) If any tract of unmined minerals which qualifies under this section, and is assessed at no value under this section, is leased for extraction or is prepared for extraction, or any well is drilled for the extraction of oil, natural gas or natural gas liquids, or the use of the surface changes from agricultural or horticultural or residential or commercial use, where the qualification was under subsection (1) of this section, then that tract of unmined minerals or oil, natural gas or natural gas liquids shall be subject to deferred taxes based on the current fair cash value of the tract for the current tax year and the immediately preceding two (2) tax years, but shall not be subject to any deferred tax for any year prior to the effective date of enactment of this subsection.

Section 8. KRS 133.010 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

(1) "Board" means the county board of assessment appeals.

(2) "Department" means the department of revenue.

(3) "Taxpayer" means any person made liable by law to file a return or pay a tax.

(4) "Real property" includes all lands, *unmined minerals as defined in KRS 132.010, oil, natural gas, and natural gas liquids* within this state and improvements thereon.

(5) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

SECTION 9. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) Revenue produced pursuant to KRS 132.020(5) shall be distributed as follows:

(a) For the fiscal year beginning July 1, 1982, the lesser of the sum of five hundred thousand dollars ($500,000) or the total revenue produced pursuant to KRS 132.020(5) shall be transferred to the "restricted fund group" established by KRS 45.322(1)(e) for use by the department of revenue for the purpose of assessing unmined minerals. Any revenue produced in excess of this amount shall be transferred to the "operating fund group" established by KRS 45.322(1)(a) for the general operations of state government.

(b) For the fiscal year beginning July 1, 1983, the lesser of the sum of six hundred thousand dollars ($600,000) or the total revenue produced pursuant to KRS 132.020(5) shall be transferred to the "restricted fund group" established by KRS 45.322(1)(e) for the purposes outlined in paragraph (a) of this subsection, and the balance, if any, shall be transferred to the "operating fund group" established by KRS 45.322(1)(a) for the general operations of state government.

(2) In subsequent years, revenue produced pursuant to KRS 132.020(5) which is adequate to carry out the purposes outlined in paragraph (1)(a) of this section shall be transferred to the "restricted fund group" established by KRS 45.322(1)(e) for use by the department of revenue, and the balance, if any, shall be transferred to the "operating fund group" established by KRS 45.322(1)(a) for the general operations of state government.

SECTION 10. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

Beginning January 1, 1983, and each January 1 thereafter, the county clerk shall provide a list of all transfers of unmined minerals for the prior year to the property valuation administrator for use in preparing assessments, and the property valuation administrator shall provide such list to the department of revenue by February 1 each year.

Section 11. If any provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

Section 12. Whereas it is imperative that all property be assessed as of January 1, 1982, an emergency is declared to exist and the provisions of this Act shall be effective on January 1, 1982.

Section 63. KRS 67A.877 is amended to read as follows:

(1) The properties to be benefited by construction of a wastewater collection project shall consist of all real properties which are thereby afforded a means of draining wastewater from such properties, whether such real properties consist of unimproved land or contain improvements. Benefited properties shall include all real properties which are directly contiguous and abutting to any proposed sewer, lateral, main, outfall line, transmission line, interceptor, sewer easement to contain a project facility, or other project facility into which sanitary discharge and drainage of wastewater may be accomplished, whether the project sewer facility be constructed by application of the proceeds of the bonds or from funds otherwise made available by the government. Provided, however, the urban-county council of the government undertaking a project may adopt reasonable rules and regulations in respect of benefited property, and may exclude real properties which the urban-county council deems appropriate for exclusion because of location, size or other special circumstances.

(2) The urban-county council of the government may determine, either in the ordinance of initiation or in subsequent proceedings, the necessity and desirability in the interests of the public health, safety and general welfare, that properties other than the benefited properties be permitted to connect to a wastewater collection project in the future, and may make equitable provisions which may be adjustable from year to year as bonds are retired, whereby the owners of such later-connecting properties may, by paying charges for the privilege of connecting and by assuming assessment obligations, be placed as nearly as practicable on a basis of financial equity with the owners of property initially provided to be benefited and assessed.

(3) Benefited property owned by any city, county, or urban-county government (or owned by the United States of America or any of its agencies, if such property is subject to assessment by act of congress), shall be assessed annually the same as private property, and the amount of the annual assessment shall be paid by the city, county, urban-county government or United States government, as the case may be.

(4) Benefited property owned by the Commonwealth of Kentucky, except property the title to which is vested in the Commonwealth for the benefit of a district board of education pursuant to KRS 162.010, shall be assessed as follows: Before assessing the Commonwealth, the urban-county council shall serve written notice on the secretary of the department of finance of the Commonwealth, setting forth specific details, including the estimated aggregate total amount of any improvement benefit assessment proposed to be levied against any property of the Commonwealth relative to the project. Said written notice shall be served prior to the next regular session of the general assembly of Kentucky so that the amount of any specific improvement assessment may be included in the biennial *executive branch* budget *recommendation* [~~report~~] to be submitted to the general assembly. Payment of any assessment shall be made only from funds specifically appropriated for that assessment. If an amount sufficient to pay the total amount of an assessment has been appropriated, then the total amount shall be paid, as and when due. If an amount sufficient only to pay annual assessment has been appropriated, then only the amount of the annual assessment shall be paid. The amount of the assessment shall be certified by the commissioner of finance of the urban-county government to the department of finance, which shall thereupon draw a warrant upon the state treasurer payable to the government and the state treasurer shall pay the same.

(5) In the case of property the title to which is vested in the Commonwealth for the benefit of a district board of education, the amount of the annual assessment shall be paid by the city, county, urban-county government or other local governmental agency or authority which represents the taxing authority of such board of education.

(6) No benefited property shall be exempt from assessment, except as herein provided.

Section 64. KRS 107.140 is amended to read as follows:

(1) (a) In the case of improvements of public ways, the benefited property shall consist of all real property abutting upon both sides of the improvement project, and the cost of improving intersections shall be included in the total costs to be assessed and apportioned, unless and to the extent the city shall appropriate, within constitutional limitations, from available funds, definite and specified sum as a contribution thereto, or a portion of the aggregate cost, or the cost of specified portions of the improvement; provided, however, that if provisions shall be made for sidewalk improvements, as an integral part of the improvement of a "public way," as defined in subsection (3) of KRS 107.020, upon only one side of the project, the costs of the sidewalk improvement shall be ascertained and assessed separately against the property abutting upon that side only, but the governing body may provide that such assessment shall include a fair share of the over-all costs as herein defined, other than the amounts of the actual construction contracts.

(b) In the case of improvements for draining sewage, storm water, or a combination thereof, the benefited properties shall consist of all properties which are thereby afforded a means of drainage, including not only the properties which may be contiguous to the improvements, but also adjacent properties within a reasonable distance therefrom as the governing body may in the proceedings set forth.

(c) In the case of an improvement project consisting in whole or in part of a sewage treatment plant, or enlargement or substantial reconstruction of an existing sewage treatment plant, the benefited properties shall be all those properties the sewage from which is treated in such plant, including properties already provided with sewer drainage facilities as well as those properties which the improvement project will provide with such drainage facilities, but the governing body may classify properties according to the extent of benefits to be afforded to them, and may establish one (1) rate of assessment applicable to all properties participating in the benefits of the sewage treatment installations, and an additional rate of assessment applicable to properties for which the improvement project will also provide sewer drainage facilities. In relation to wastewater collection projects constructed by metropolitan sewer districts, benefited property shall consist of all property whether improved or unimproved to which the project affords a means of discharging wastewater.

(d) The governing body may, either in the proceedings initiating an improvement project, or in subsequent proceedings, recognize the necessity or desirability in the interest of the public health, safety and general welfare, that properties other than the properties originally benefited by an improvement under paragraphs (b) or (c) of this subsection, be permitted to connect to such sewer drainage and/or treatment facilities, and may make equitable provisions which may be adjustable from year to year as bonds are retired, whereby the owners of such later-connecting properties, may, by paying charges for the privilege of connecting, and/or by assuming a share of improvement assessments, or otherwise, be placed as nearly as practicable on a basis of financial equity with the owners of properties initially provided to be assessed.

(e) The governing body may, either in the proceedings initiating an improvement project, or in subsequent proceedings, recognize the necessity or desirability in the interest of the public health, safety and general welfare that residential properties within one thousand feet (1000'), measured along paved roads, of a fire hydrant in cities of the third through sixth classes may be assessed on the same basis as property abutting upon a street where a fire hydrant is to be installed.

(2) (a) Benefited property owned by the city or county, or owned by the United States government or any of its agencies, if such property is subject to assessment by act of congress, shall be assessed annually the same as private property, and the amount of the annual assessment shall be paid by the city, county, or United States government, as the case may be. The same right of action shall lie against the county as against a private owner.

(b) Benefited property owned by the state, except property the title to which is vested in the Commonwealth for the benefit of a district board of education pursuant to KRS 162.010, shall be assessed as follows: Before assessing the state, the governing body shall serve written notice on the secretary of the department of finance setting forth specific details including the estimated total amount of any improvement assessment proposed to be levied against any state property relative to any proposed improvement project. Said written notice shall be served prior to the next regular session of the general assembly so that the amount of any specific improvement assessment may be included in the biennial *executive branch* budget *recommendation*[~~report~~] to be submitted to the general assembly. Payment of any assessment shall be made only from funds specifically appropriated for that assessment. If an amount sufficient to pay the total amount of any assessment has been appropriated, then the total amount shall be paid; if an amount sufficient only to pay annual assessments has been appropriated, then only the amount of the annual assessment shall be paid. The amount of the assessment shall be certified by the city treasurer to the department of finance, which shall thereupon draw a warrant upon the state treasurer, payable to the city treasurer, and the state treasurer shall pay the same.

(c) In the case of property the title to which is vested in the Commonwealth for the benefit of a district board of education, the amount of the annual assessment shall be paid by the city or other local governmental agency or authority which undertook the improvement project.

(3) No benefited property shall be exempt from assessment.

Section 65. KRS 134.400 is amended to read as follows:

(1) All penalties imposed by law, either in whole or in part, in favor of or for the benefit of agents of the department of revenue, sheriffs and other state, county or district agents or officers, upon or for the recovery of taxes or the assessment of omitted property, shall be paid into the state treasury and credited as provided for the twenty percent (20%) penalty in subsection (2) of this section.

(2) The twenty percent (20%) penalty collected on taxes due the state, county, school or other taxing district shall be paid into the state treasury. One-fourth (¼) of the moneys thus received shall be credited to the general expenditure fund. The remaining three-fourths (¾) shall also be credited to the general expenditure fund unless the general assembly, in its biennial *joint budget resolution* [~~appropriation act~~], provides that it be credited to a fund to be designated and known as the delinquent tax fund, in which case it shall be so credited and so much thereof as may be necessary shall be used for the administration and enforcement of the laws relating to the collection of delinquent taxes and the assessment of omitted property. All salaries, fees and expenses authorized by the laws relating to the collection of delinquent taxes and the assessment of omitted property, except the fees of county attorneys, shall be payable out of the delinquent tax fund upon certifications or requisitions of the commissioner of revenue.

The liabilities which said fund shall be created to discharge are all liabilities from acts or omissions to act which may have occurred since July 1, 1976 and which may occur in the future and which no entity other than the university and its agents is or will be obligated either by law or contract to pay and discharge.

(5) No settlement shall be made of any claim for personal injury or death to any claimant arising out of the furnishing or failure to furnish medical care by the university and its agents, until and unless the board of trustees of the university, or its duly delegated agent or body has first approved of such settlement. The board of trustees of the university shall also have the right to determine whether or not an appeal shall be taken from any judgment rendered against it or its agents, when such claim is founded upon or arises out of the furnishing or failure to furnish medical care. Provided, however, that if the payment of a judgment would involve expenditures from appropriations of general funds of the Commonwealth then such payment must also be approved by the secretary, or his delegate.

(6) Funds held in any account created hereunder may be disbursed by the secretary only upon the written certification of the university, or its duly designated agent, of the amount to be disbursed and the name of the person or persons to whom such funds shall be paid.

(7) In addition to the payments to said fund required to be made in subsection (3) above, annual contributions to said fund shall be made by the university in an amount which will be not less than one hundred fifty percent (150%) of the average amounts actually paid in each year on medical malpractice claims for the five (5) years next preceding the making of the annual contribution. Provided, however, that if the university and the secretary shall at any time in the future mutually determine, based on sound actuarial principles, that an annual contribution in a lesser amount will not impair the adequacy of the fund to satisfy existing and potential health care malpractice claims for a period of one (1) year, then an annual contribution in such lesser amount as may be determined may be made.

(8) The university shall be solely responsible for the investigation and servicing of all claims made against it arising out of medical malpractice and all costs, expenses, and fees incurred in the investigation, servicing and defense of all such claims shall be borne and paid by the university.

(9) Claims and judgments certified to be paid by the university shall be paid in the order received by the secretary. If the basic coverage compensation fund created by contribution from the university shall at any time fail to have sufficient funds to pay all such judgments, then they shall be paid out of the excess coverage fund upon certification by the secretary. Said excess coverage fund shall be expended only upon exhaustion of the basic coverage compensation fund and any liability insurance from any source whatsoever.

Section 72. KRS 164.941 is amended to read as follows:

(1) The board of trustees of the university may, at its election, establish a basic coverage compensation fund for the benefit and protection from liability of itself and its agents. Promptly after the board of trustees of said university has elected to establish a basic coverage compensation fund, the university shall pay to the state treasurer the sum of $350,000.

(2) Upon receipt of said payment of $350,000 the state treasurer shall create a separate account to be designated as the "basic coverage compensation fund, University of Kentucky" and there shall be credited to said fund the initial payment of $350,000, all income thereafter earned from the investment of said fund, and all contributions thereafter made by the university. Unexpended and unencumbered balances in any fund created hereunder shall be carried forward and be available for expenditure in succeeding fiscal years notwithstanding the provisions of *Section 36 of this Act* [~~KRS 45.230~~] or any other provision of the Kentucky Revised Statutes. No portion of said fund shall ever lapse to the general fund and income earned from the

investment of funds standing to the credit of said account shall accrue and be credited thereto, notwithstanding the provisions of KRS 41.380 or any other provision of the Kentucky Revised Statutes. Upon termination of said fund for any reason, the balance therein shall revert to the university.

(3) The funds held in any fund created under KRS 164.939 to 164.944 shall be expended solely in payment of claims for liability arising in favor of any patient from treatment performed or furnished, or treatment that should have been performed or furnished by the university or its agents. The liabilities which said fund shall be created to discharge are all liabilities from acts or omissions to act which may have occurred since July 1, 1975 and which may occur in the future which no entity other than the university and its agents is or will be obligated either by law or contract to pay and discharge.

(4) No settlement shall be made of any claim for personal injury or death to any claimant arising out of the furnishing or failure to furnish medical care by the university and its agents, until and unless the board of trustees of the university, or its duly delegated agent or body has first approved of such settlement. The board of trustees of the university shall also have the right to determine whether or not an appeal shall be taken from any judgment rendered against it or its agents, when such claim is founded upon or arises out of the furnishing or failure to furnish medical care. Provided, however, that if the payment of a judgment would involve expenditures from appropriations of general funds of the Commonwealth under the provisions of subsection (8) of this section then any payment from said fund must also be approved by the secretary, or his delegate.

(5) Funds held in an account created hereunder may be disbursed by the secretary only upon the written certification of the university, or its duly designated agent, of the amount to be disbursed and the name of the person or persons to whom such funds shall be paid.

(6) Annual contributions to said fund shall be made by the university in an amount which will be not less than one hundred fifty percent (150%) of the average amounts actually paid in each year on medical malpractice claims for the five (5) years next preceding the making of the annual contribution. In the event the university terminates its commercial excess insurance coverage then said annual contributions shall be in the amount of $250,000 with the first contribution being due and payable within twelve (12) months next following the month in which such insurance is terminated. Provided, however, that if the university and the secretary shall at any time in the future, based upon accepted actuarial principles, mutually determine that an annual contribution in a lesser amount will not impair the adequacy of the fund to satisfy existing and potential health care malpractice claims for a period of one year, then an annual contribution in such lesser amount as may be determined may be made.

(7) The university shall be solely responsible for the investigation and servicing of all claims made against it arising out of medical malpractice and all costs, expenses and fees incurred in the investigation, servicing and defense of all such claims shall be borne and paid by the university.

(8) Claims or judgments certified to be paid by the university shall be paid in the order received by the secretary. If the basic coverage compensation fund created hereunder shall at any time fail to have sufficient funds to pay all judgments, then they shall be paid out of the excess coverage fund upon certification of the obligation by the secretary and the university. Said excess fund shall be expended only upon exhaustion of the basic coverage compensation fund and any insurance from any source whatsoever.

Section 73. KRS 171.280 is amended to read as follows:

The revolving fund established by *the joint budget resolution* [~~appropriation acts~~], consisting of all moneys collected under the provisions of KRS 171.230 to 171.300 shall be designated as the librarian's certification fund. All money credited to the fund shall be used for the support of the board for certification of librarians, and for the purposes of KRS 171.230 to 171.300.

Section 74. KRS 175.780 is amended to read as follows:

In order to provide for the construction, reconstruction, and relocation of economic development road projects, the authority is hereby authorized and empowered, subject to the limitations contained in the biennial *joint budget resolution* [~~appropriations act~~], under and pursuant to the terms and provisions of a written agreement or agreements with the department, to construct, reconstruct, relocate, finance, and operate economic development road projects, to lease such projects to the department, and to issue economic development road revenue bonds or notes of the authority to finance such projects. In the planning, construction and financing of any economic development road project, the authority and the department shall, subject to the provisions of KRS 175.750 to 175.810, have and use all authority, procedures and rights provided by the provisions of KRS 175.410 to 175.690, inclusive.

Section 75. KRS 212.120 is amended to read as follows:

(1) Upon the creation of a county health department, the fiscal court of the county shall at once notify the department for human resources of the action of the county to create, establish and maintain a county health department. When the duly qualified officials of a county certify to the department for human resources a true copy of the order or vote establishing a health department, and providing for its maintenance, and state the amount of the annual appropriation provided by the county the department for human resources shall make an investigation as to the necessity of the development of the department, and the adequacy of the appropriation provided by the county therefor, and shall report its findings to the governor.

(2) If the department for human resources finds that such county health department has been established in accordance with the provisions of this chapter and is being maintained, conducted and operated in accordance with the standards prescribed by the department for human resources, the department for human resources shall, on or before July 1 in each year, allot to each such county health department such amount that the department for human resources deems to constitute a just and equitable share of all funds available therefor by appropriation by the General Assembly of this Commonwealth, by grants and gifts received by this Commonwealth from the government of the United States of America or any of its agencies or instrumentalities, and from other sources. Provided, however, that no allotment to any such county health department shall be less than two thousand five hundred dollars ($2,500).

(3) In determining the allotments referred to in subsection (2) of this section, the department for human resources shall endeavor to provide for a distribution of the funds in a manner that is reasonably calculated to equalize, so far as practicable, local health services to the people of all counties served by the county health departments. The department for human resources may take into consideration variations existing between counties by reasons of difference in population, resources, industrialization, tax assessments and tax rates, and other local factors and conditions; the legislative intent being hereby declared to be that counties shall provide, from local sources of revenue that are available or that may be made available to them, financial support of county health departments to the extent of their representative abilities.

(4) The department for human resources may, in its discretion alter or modify allotments from time to time and shall cancel any allotment whenever it finds that there is no further need or necessity for a particular county health department for whose benefit the allotment was made or whenever a particular county health department for whose benefit an allotment was made is not maintained, operated and conducted in accordance with the standards prescribed by the department for human resources. Nothing in this section shall be construed as requiring the department for human resources to allot all funds available for local health purposes, or as prohibiting the board from allotting such portion thereof, as the board may determine, to a reserve account which may be sub-allotted by the board in such a manner that it considers proper in the event of emergencies, disaster, or unforeseen events, without regard to the provisions of subsection (3) of this section.

(5) Notwithstanding the provisions of *Section 36 of this Act* [~~KRS 45.230~~] and any other provision of the Kentucky Revised Statutes, any unexpended or unencumbered balance of any appropriations made available for allotment and expenditure, as provided above, for the first fiscal year of each biennium, remaining at the end of such fiscal year, shall be carried forward and be available for expenditure at any time during the ensuing fiscal year within the biennium and no portion thereof shall lapse to the general fund.

The term of the members of the board shall be for three (3) years and until their successors are appointed and qualified. Members to fill vacancies shall be appointed for the unexpired term.

(2) At no time shall there be more than three (3) members of the same political faith on the board. (4) Each member of the board shall receive the sum of twenty-five dollars ($25.00) per day as full compensation for each day actually spent on the work of the board and his actual and necessary expenses incurred in the performance of duties pertaining to his office.

(5) The board shall have full authority to employ, and discharge, a secretary and such other personnel as may be necessary to administer and enforce the provisions of this chapter, and it shall outline the duties and fix the compensation of such persons, which compensation shall be comparable to the salaries paid other state employes doing similar work. The board shall obtain office space, furniture, stationery and any other proper supplies and conveniences reasonably necessary to carry out the provisions of this chapter.

(6) All fees and charges collected by the board under the provisions of this chapter shall be paid into the state treasury through the department of finance and shall be credited to an agency-fund account for the board of auctioneers under the provisions of *Section 35 of this Act* [~~KRS 45.140~~] and shall be withdrawn or expended as provided in that section. The total expenses for all purposes and obligations of the board shall not exceed the total fees, charges, fines and penalties imposed under the provisions of this chapter and paid into the state treasury. The board shall be financially self-sustaining, and if funds permit it may underwrite, within its financial limitations, educational programs for the enlightenment and benefit of all auctioneers and apprentice auctioneers who have paid fees pursuant to this chapter.

(7) The board shall annually publish a list of the names and addresses of all auctioneers and apprentice auctioneers licensed by it pursuant to this chapter. This list shall also contain the names of all persons whose licenses have been suspended or revoked within the preceding year, as well as any other information relative to the enforcement of the provisions of this chapter that the board may deem of interest to the public.

(8) The board may from time to time promulgate necessary rules and regulations.

Section 77. KRS 334A.120 is amended to read as follows:

All monies received by the board under this chapter shall be paid to the secretary of the board. All money shall be deposited in the state treasury into a separate trust fund for the board. The board shall be financed solely and individually from income accruing to it from fees, licenses, and other charges collected by the board and all such monies are hereby appropriated to the board. HB 653, AN ACT relating to circuit clerk's compensation and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 64.055 is amended to read as follows:

(1) The salaries of circuit clerks, payable out of the state treasury per annum, subject to the minimum provided by subsection (2) and to the calculation provided by subsection (3) of this section, shall be:

Population of County	Annual Salary
0 - 4,999	$11,000
5,000 - 9,999	14,000
10,000 - 14,999	17,000
15,000 - 19,999	19,000
20,000 - 29,999	20,000
30,000 - 39,999	21,000
40,000 - 49,999	21,500
50,000 - 99,999	22,000
100,000 - 499,999	22,500
500,000 - and up	25,000

(2) The annual compensation payable to each circuit clerk beginning on July 1, 1980 shall be $2,000 in excess of the annual compensation payable as of June 30, 1980; *the annual compensation payable to each circuit clerk beginning on July 1, 1982, shall be two thousand dollars ($2,000) in excess of the annual compensation then otherwise payable including the amount calculated as the increase or decrease as provided by subsection (3) of this section.*

(3) In order to equate or adjust the compensation of circuit clerks with the purchasing power of the dollar, the department of finance shall compute by July 1 of every year, beginning on July 1, 1981, the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year. Upon notification from the department of finance, the annual compensation of circuit clerks for fiscal year 1982 and each fiscal year thereafter shall be set at a rate which includes the adjustment for the increase or decrease in the consumer price index, but in no event shall a circuit clerk receive an annual increase exceeding six percent (6%) of salary.

For purposes of determining movement of circuit court clerk salaries from calendar year 1976 level to the maximums for calendar year 1978 as outlined above, the following guidelines should be used.

1. The actual calendar year 1976 salary of the circuit court clerk, as certified by the administrative office of the courts from information supplied by the auditor of public accounts, will be adjusted to the 1977 cost of living increase to be determined by the Kentucky department of commerce. This adjusted figure will be the base to compare with the salary maximums outlined above.

2. Those clerks whose base, as determined in 1. above, does not reach the maximums outlined above, will be allowed yearly increases up to twenty percent (20%) of the base, not to exceed the maximums outlined above.

3. Those clerks whose base, as determined in 1. above, is equal to or greater than the maximums outlined above, will be allowed a one time ten percent (10%) adjustment to their base salary as determined in 1. above.

4. The initial population determination for compensation under this section shall be based on the 1970 federal census or the "final" issue of "Current Population Reports, 1974" issued by the United States Bureau of the Census, whichever is greater. In 1981 and thereafter, population shall be based on the decennial census.

5. The annual salary for 1978 for each circuit court clerk shall be no less than seventy-five percent (75%) of the maximum amount permitted for each population category.

Section 2. For the purpose of funding this amendment to KRS 64.055 there is appropriated to the Court of Justice, out of the general expenditure fund in the state treasury, $273,400 for fiscal year 1982-83 and $295,780 for fiscal year 1983-84.

Section 3. In order to prevent the erosion of the salary of circuit clerks an emergency is declared to exist and this Act shall become effective July 1, 1982.

(4) The reports required by subsection (3) of this section shall be a matter of public record open to inspection by any member of the public immediately upon receipt of the report by the registry.

(5) The registry of election finance shall annually audit the accounts and records of receipts and expenditures of funds remitted to each *state or local governing authority of a* political party under KRS 141.071 to 141.073 and shall report the results of each audit to the general assembly. HB 814, AN ACT relating to the establishment of certificate of need, licensing and regulation of health facilities and health services.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 216B.010 is amended to read as follows:

The general assembly finds that the licensure of health facilities and health services is a means to insure that the citizens of this Commonwealth will have safe, adequate and efficient medical care; that the proliferation of unnecessary health care facilities, health services and major medical equipment results in costly duplication and underuse of such facilities, services and equipment; and that such proliferation increases the cost of quality health care within the Commonwealth. [~~The general assembly further finds that a certificate of need law is required under the provisions of the national health planning resource development act of 1974, P.L. 93-641 as amended, as a condition for the receipt of federal funds.~~] Therefore, it is the purpose of this chapter to provide for the establishment of the Kentucky health facilities and health services certificate of need and licensure board for the [~~specific~~] purpose of licensing health facilities and services, and *acting on* [~~to review and approve~~] applications for certificates of need.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 216B.010 is amended to read as follows:

The general assembly finds that the licensure of health facilities and health services is a means to insure that the citizens of this Commonwealth will have safe, adequate and efficient medical care; that the proliferation of unnecessary health care facilities, health services and major medical equipment results in costly duplication and underuse of such facilities, services and equipment; and that such proliferation increases the cost of quality health care within the Commonwealth. [~~The general assembly further finds that a certificate of need law is required under the provisions of the national health planning resource development act of 1974, P.L. 93-641 as amended, as a condition for the receipt of federal funds.~~] Therefore, it is the purpose of this chapter to provide for the establishment of the Kentucky health facilities and health services certificate of need and licensure board for the [~~specific~~] purpose of licensing health facilities and services, and *acting on* [~~to review and approve~~] applications for certificates of need.

b. Licensure application procedures;

c. Classification of health facilities and health services according to type, size, range of services and level of care provided; and

Service of process in all proceedings brought before or initiated by the board may be made by *certified* [~~registered~~] mail, or in the same manner as other process in civil cases, as the board directs;

The board shall notify the parties to the proceedings of the final decision.

(8) Any final decision of the board to revoke a certificate of need shall be based solely on the record established with regard to the revocation.

The hearing shall be conducted in accordance with the provisions of this chapter. *The board shall make its decision on reconsideration at its next regularly scheduled meeting after the public hearing, and shall give notice thereof. The decision of the board shall be final for purposes of judicial appeal. Section 19. KRS 216B.095 is amended to read as follows:

Nothing in this subsection shall require an applicant to pursue a formal review before obtaining judicial review pursuant to Section 21 of this Act* [~~A project which would normally be subject to formal review shall be assigned nonsubstantive review status if the proposed project involves capital expenditures and/or modification of health facilities or services in emergency circumstances that pose a threat to public health. Emergency circumstances shall include acts of God, fire, vandalism, structural and/or mechanical failure and other similar situations which~~

~~if not promptly acted upon would pose a threat to public health. Any applicant acting under this section must file within thirty (30) days of such occurrence, an application with the board for a nonsubstantive review~~].

In lieu of filing of such record an abstract thereof may be filed if all parties to the [~~judicial~~] appeal agree.

(3) The court shall enter judgment *affirming* [~~confirming~~], modifying, *reversing* or setting aside the decision or, in its discretion, remanding the case to the board *or department* for proceedings in conformity with the directions of the court.

HB 460, AN ACT relating to revenue and taxation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

(1) There shall be allowed, as a credit for any taxpayer against the tax imposed by this chapter for any taxable year, an amount equal to fifty percent (50%) of the qualified wages paid for such year.

(2) The term "qualified wages" means, with respect to any individual, wages attributable to service rendered during the taxable year that said individual begins work for the taxpayer, provided that such individual has been classified as unemployed by the bureau for social insurance of the department for human resources, and has been so classified for at least thirty (30) days prior to his employment by the taxpayer.

(3) The amount of qualified wages which may be taken into account with respect to any individual for any taxable year shall not exceed six thousand dollars ($6,000).

(4) For the purposes of this Act, "wages" has the meaning given to such term by subsection (b) of section 3306 of the Internal Revenue Code. The term "wages" shall not include any amounts paid by the taxpayer for any period to any individual for whom the taxpayer receives federally funded payments for on-the-job training of such individual for such period.

(5) For the purposes of this Act, "Code" or "Internal Revenue Code" means the Internal Revenue Code in effect as of December 31, 1981.

(6) For purposes of this Act, remuneration paid by an employer to an employe during any taxable year shall be taken into account only if more than one-half (½) of the remuneration so paid is for services performed in a trade or business of the employer.

(7) No wages shall be taken into account under subsection (3) of this Act with respect to an individual who:

(a) Bears any of the relationships to the taxpayer described in paragraphs (1) through (8) of section 152(a) of the Internal Revenue Code, or, if the taxpayer is a corporation, to an individual who owns, directly or indirectly, more than fifty percent (50%) in value of the outstanding stock of the corporation as determined with the application of section 267(c) of the code; or

(b) If the taxpayer is an estate or trust, is a grantor, beneficiary, or fiduciary of the estate or trust, or is an individual who bears any of the relationships described in paragraphs (1) through (8) of section 152(a) of the code to a grantor, beneficiary, or fiduciary of the estate or trust; or

(c) Is a dependent of the taxpayer as described in code section 152(a)(9), or, if the taxpayer is an estate or trust, of a grantor, beneficiary, or fiduciary of the estate or trust.

(8) For purposes of this Act, all employes of all corporations which are members of the same controlled group of corporation shall be treated as employed by a single employer. In any such case, the credit (if any) allowable by subsection (1) of this Act to each such member shall be its proportionate share of the wages giving rise to such credit. For purposes of this subsection, the term "controlled group of corporations" has the meaning given to such term by code section 1563(a), except that "more than fifty percent (50%)" shall be substituted for "at least eighty (80%)" each place it appears in code section 1563(a)(1), and the determination shall be made without regard to subsections (a)(4) and (e)(3)(c) of code section 1563.

(9) For purposes of this Act, all employes of trades or businesses (whether or not incorporated) which are under common control shall be treated as employed by a single employer, and the credit (if any) allowable by subsection (1) of this Act with respect to each trade or business shall be its proportionate share of the wages giving rise to such credit.

(10) No credit shall be allowed under subsection (1) of this Act to any organization which is exempt from income tax by this chapter.

(11) In the case of an electing small business corporation, the amount of the credit determined under this Act for any taxable year shall be apportioned pro rata among the persons who are shareholders of such corporation on the last day of the taxable year, and any person to whom such an amount is so apportioned shall be allowed, subject to code section 53, a credit under subsection (1) of this Act for such amount.

(12) In the case of an estate or trust, the amount of the credit determined under this Act for any taxable year shall be apportioned between the estate or trust and the beneficiaries on the basis of income of the estate or trust allocable to each, and any beneficiary to whom any amount has been apportioned under this subsection shall be allowed, subject to code section 53, a credit under subsection (1) of this Act for such amount.

(13) In no event shall the credit allowed, pursuant to this Act, for any taxable year exceed the tax liability of the taxpayer for the taxable year.

HB 620, AN ACT relating to local government.

Whereas, the establishment of a 911 emergency telephone number system may improve emergency communication procedures and facilities by reducing response time for emergency calls for law enforcement, fire, and emergency medical services;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

As used in this Act, unless the context requires otherwise:

(1) "Main station access line" means a telephone line or channel which has a unique telephone number, terminates on some type of telephone instrument and provides local access from the premises of a subscriber in this state to the local telecommunications network to effect the transfer of information.

(2) "911 emergency telephone number system" means a system whereby through availability of the three-digit number 911 (which has been designated for public use throughout the United States), the public is given direct access to an emergency answering center to report an emergency and request emergency assistance, which system may be a basic or enhanced 911 system and may include, but not be limited to, such features as selective routing, automatic number identification, automatic location identification, called party hold, ring-back, and forced disconnect.

(3) "Provider" means a public utility which provides main station access line services.

(4) "Subscriber" means a person who receives main station access line services.

SECTION 2. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) By following the procedures established by this Act, any city of the first or second class, any county or any urban county government may establish a 911 emergency telephone number system upon approval of the governing body of the city, county or urban county government. The method provided by this Act for establishing a 911 emergency telephone number system shall not be deemed to be exclusive.

(2) Any city of the first or second class, any county, or urban county government may by ordinance impose a special tax to fund a 911 emergency telephone number system in the form of a surcharge on subscribers not to exceed three (3) percent of the amount charged for each main station access line; provided that the ordinance is submitted to the voters as a public question as provided in this Act.

(3) Any city of the first or second class, any county or any urban county government, or any combination thereof, may with the approval of their governing bodies enter into an interlocal cooperation agreement creating a joint 911 emergency telephone number system and imposing the special tax aforesaid, which shall be submitted to the voters as a public question as provided in this Act. Any such special tax shall be deemed to be approved if approved by a majority of the voters voting on the question within the total geographic area in which the question is submitted.

(4) Any ordinance or interlocal cooperation agreement may confer a power of amendment over its terms upon the governing bodies of the cities, counties and/or urban county governments adopting it; provided that no such amendment shall permit a special tax imposed pursuant to this section to exceed three (3) percent. If any city of the first or second class, any county or any urban county government desires to become a party to an existing interlocal cooperation agreement creating a joint 911 emergency telephone number system, it may do so through an appropriate amendment approved by the governing bodies of the cities, counties and urban county governments which adopted the interlocal cooperation agreement. Only if the joinder of a city, county or urban county government would result in its residents becoming subject to the special tax authorized by this section would the approval of its voters be needed for imposition of the special tax.

(5) Any city of any class, which provides law enforcement, fire or emergency medical services to its residents and has the capability to dispatch those services, and which lies within a county which has

established by its own ordinance or by interlocal cooperation agreement a countywide 911 emergency telephone number system as provided in this Act, may, by ordinance of its own governing body and by passage of a new county ordinance or appropriate amendment to an existing interlocal cooperation agreement approved by the governing bodies of the parties to those agreements, become a party to the county ordinance or existing interlocal cooperation agreement, or may by ordinance of its own governing body require that the countywide system permit it to handle dispatch of its own law enforcement, fire or emergency medical services in a manner which does not interfere with the orderly dispatch of such services for the remainder of the community.

(6) Any interlocal cooperation agreement so approved shall provide for the allocation of the proceeds of the special tax authorized by this section.

(7) Any provider operating within any city, county or urban county government in which the special tax authorized by this section has been imposed shall collect the tax by means of its regular monthly billing and remit it as provided by the applicable ordinance or interlocal cooperation agreement.

SECTION 3. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

The procedure for placing question on the ballot shall be as follows:

(1) The public question authorized by this section may be submitted to the voters only by resolution of the appropriate legislative body or bodies. The resolution shall set out in full the matter to be considered and shall be drafted in such a way that a vote in favor of adoption shall be a vote in favor of the effect or impact of the proposal.

(2) Upon receipt of a resolution requesting that the question be submitted to the voters, the county clerk shall place upon the appropriate ballot for the next primary or regular election that is held not earlier than ninety (90) days after receipt of the resolution the question to be submitted to the voters, which question shall be "Are you in favor of the proposal entitled...? Yes.... No....?" The county clerk shall cause to be published in accordance with KRS Chapter 424, at the same time as the sample ballot, the full text of the proposal. The county clerk shall cause to be posted in each polling place one (1) copy of the full text of the proposal.

(3) The provisions of general election law shall apply to public questions submitted to voters under this section. The certificate of the body authorized by law to canvass election returns shall be delivered to the mayor or county judge/executive, or both, and the certificate shall be entered upon the records of the city or county, or both, at the next regular meeting of the city or county legislative body, or both.

SECTION 4. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

A provider in an area served by a 911 emergency telephone number system established pursuant to Section 2 of this Act shall convert every pay station telephone within the area served by the 911 system to permit a caller to dial 911 without first depositing a coin or paying any other charge. Conversion shall be completed within three (3) years of the time the 911 system is operational.

Committee Substitute to **HB 620** is as follows:

HB 620, AN ACT relating to local government.

Whereas, the establishment of a 911 emergency telephone number system may improve emergency communication procedures and facilities by reducing response time for emergency calls for law enforcement, fire, and emergency medical services;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

As used in this Act, unless the context requires otherwise:

(1) "Main station access line" means a telephone line or channel which has a unique telephone number, terminates on some type of telephone instrument and provides local access from the premises of a subscriber in this state to the local telecommunications network to effect the transfer of information.

(2) "911 emergency telephone number system" means a system whereby through availability of the three-digit number 911 (which has been designated for public use throughout the United States), the public is given direct access to an emergency answering center to report an emergency and request emergency assistance, which system may be a basic or enhanced 911 system and may include, but not be limited to, such features as selective routing, automatic number identification, automatic location identification, called party hold, ring-back, and forced disconnect.

(3) "Provider" means a public utility which provides main station access line services.

(4) "Subscriber" means a person who receives main station access line services.

SECTION 2. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) By following the procedures established by this Act, any city, any county or any urban county government may establish a 911 emergency telephone number system upon approval of the governing body of the city, county or urban county government. The method provided by this Act for establishing a 911 emergency telephone number system shall not be deemed to be exclusive.

(2) Any city, any county, or urban county government may by ordinance impose a special tax or license fee to fund a 911 emergency telephone number system provided that the ordinance is submitted to the voters as a public question as provided in this Act. The special tax or license fee as authorized by this section shall be limited to one (1) of the following, but in no instance shall the revenue generated from such special tax or license fee exceed the actual cost of such a system:

(a) The levy of ad valorem taxes upon all taxable property in such public body or public bodies. Such levies of ad valorem taxes upon all taxable property in any such public body shall never exceed in the aggregate the limits prescribed by the Constitution of Kentucky for any such public body;

(b) The levy of occupational license fees upon the

1. Salaries, wages, commissions and other compensation earned by persons for work done and services performed or rendered, and

2. The net profits of businesses, trades, professions or occupations from activities conducted in the public body, or the service area, except public service companies, banks, trust companies, combined trust, banking and title companies, any savings and loan association whether state or federally chartered, and in all other cases where a public body is prohibited by law from imposing a license fee; or

(c) The levy of a sales tax upon all retailers of the gross receipts of any retailer derived from "retail sales" or "sales at retail" made within the public body or public bodies, provided, however, that such a sales tax shall not be levied on those retail sales which are exempted from the state sales tax by KRS Chapter 139 on June 19, 1976, or hereafter exempted. Any sales tax levied for said purpose shall be in addition to the sales tax authorized by Chapter 139 of the Kentucky Revised Statutes. Said sales tax shall be collected and administered under the provisions of Chapter 139 of the Kentucky Revised Statutes and the rules and regulations of the Kentucky department of revenue. The Kentucky department of revenue shall refund that portion of the sales tax collected as a 911 emergency telephone number system sales tax to the public body of bodies imposing said tax.

(3) Any city, any county or any urban county government, or any combination thereof, may with the approval of their governing bodies enter into an interlocal cooperation agreement creating a joint 911 emergency telephone number system and imposing the special tax or license fee aforesaid, which shall be submitted to the voters as a public question as provided in this Act. Any such special tax or license fee shall be deemed to be approved if approved by a majority of the voters voting on the question within the total geographic area in which the question is submitted.

(4) Any ordinance or interlocal cooperation agreement may confer a power of amendment over its terms upon the governing bodies of the cities, counties or urban county governments adopting it; provided that no such amendment shall permit a special tax or license fee imposed pursuant to this section to exceed the actual cost of such a 911 emergency telephone number system. If any city, any county or any urban county government desires to become a party to an existing interlocal cooperation agreement creating a joint 911 emergency telephone number system, it may do so through an appropriate amendment approved by the governing bodies of the cities, counties or urban county governments which adopted the interlocal cooperation agreement. Only if the joinder of a city, county or urban county government would result in its residents becoming subject to the special tax or license fee authorized by this section would the approval of its voters be needed for imposition of the special tax or license fee.

(5) Any city, which provides law enforcement, fire or emergency medical services to its residents and has the capability to dispatch those services, and which lies within a county which has established by its own ordinance or by interlocal cooperation agreement a countywide 911 emergency telephone number system as provided in this Act, may, by ordinance of its own governing body and by passage of a new county ordinance or appropriate amendment to an existing interlocal cooperation agreement approved by the governing bodies of the parties to those agreements, become a party to the county ordinance or existing interlocal cooperation agreement, or may by ordinance of its own governing body require that the countywide system permit it to handle dispatch of its own law enforcement, fire or emergency medical services in a manner which does not interfere with the orderly dispatch of such services for the remainder of the community.

(6) Any interlocal cooperation agreement so approved shall provide for the allocation of the proceeds of the special tax or license fee authorized by this section.

SECTION 3. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

The procedure for placing the question on the ballot shall be as follows:

(1) The public question authorized by this section may be submitted to the voters only by resolution of the appropriate legislative body or bodies. The resolution shall set out in full the matter to be considered and shall be drafted in such a way that a vote in favor of adoption shall be a vote in favor of the effect or impact of the proposal.

(2) Upon receipt of a resolution requesting that the question be submitted to the voters, the county clerk shall place upon the appropriate ballot for the next primary or regular election that is held not earlier than ninety (90) days after receipt of the resolution the question to be submitted to the voters, which question shall be "Are you in favor of the proposal entitled...? Yes.... No....?" The county clerk shall cause to be published in accordance with KRS Chapter 424, at the same time as the sample ballot, the full text of the proposal. The county clerk shall cause to be posted in each polling place one (1) copy of the full text of the proposal.

(3) The provisions of general election law shall apply to public questions submitted to voters under this section. The certificate of the body authorized by law to canvass election returns shall be delivered to the mayor or county judge/executive, or both, and the certificate shall be entered upon the records of the city or county, or both, at the next regular meeting of the city or county legislative body, or both.

HB 667, AN ACT relating to urban-county government.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 67A.070 is amended to read as follows:

(1) Urban-county governments may enact and enforce within their territorial limits such tax, licensing, police, sanitary and other ordinances not in conflict with the constitution and general statutes of this state now or hereafter enacted, as they shall deem requisite for the health, education, safety, welfare and convenience of the inhabitants of the county and for the effective administration of the urban-county government.

(2) Urban-county government ordinances shall be deemed to conflict with general statutes of this state only:

(a) When the ordinance authorizes that which is expressly prohibited by a general statute; or

(b) When there is a comprehensive scheme of legislation on the same subject embodied in a general statute.

(3) No ordinance or resolution shall be considered by the urban-county government legislative body until it has been read at two separate meetings; provided, however, that the requirement for a second reading may be suspended by a two-thirds (⅔) vote of the membership of the legislative body. Requirements for reading ordinances or resolutions may be satisfied by public reading of the title and of a certified synopsis of the contents prepared by an attorney licensed to practice law in the Commonwealth of Kentucky.

(4) All ordinances and resolutions shall be effective upon passage. Any ordinance or resolution imposing fines, forfeitures, imprisonment, taxes or fees, other than a bond ordinance or resolution, shall be published in full pursuant to the provisions of KRS Chapter 424. The publication requirements for all other ordinances or resolutions, including bond ordinances or resolutions, shall be satisfied by publication in full or by publication of the title and the certified synopsis.

(5) The provisions of any local, statewide or nationally recognized standard code and codifications of entire bodies of local legislation may be adopted by ordinance which identifies the subject matter by title, source and date and incorporates the adopted provisions by reference without setting them out in full, provided a copy accompanies the adopting ordinance and is made a part of the permanent records of the urban county government.

HB 768, AN ACT relating to buildings.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 198B.060 is amended to read as follows:

(1) Each local government in the state of Kentucky shall employ a building official or inspector and other code enforcement personnel as necessary, or shall contract for such services in accordance with subsections (7) and (9) of this section to enforce the uniform state building code within the boundaries of its jurisdiction, and shall neither adopt nor enforce any other ordinance regulating buildings which conflicts with the uniform state building code, except that a building code adopted by a local government prior to March 28,

1978 may continue in effect until such time as the uniform state building code becomes mandatory within that local government jurisdiction.

(2) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than 20,000 square feet of floor area, and are [~~not~~] intended for *a place of assembly having a capacity of one hundred (100) or less persons, churches having a capacity of two hundred fifty (250) or less persons, or thirty-two hundred (3,200) square feet of total floor space, a mercantile building having a capacity of one hundred (100) or less persons, an industrial building having a capacity of one hundred (100) or less persons, and an office building having a capacity of one hundred (100) or less persons. Buildings intended* [~~assembly, educational, institutional or high hazard occupancy, business or industrial occupancy in excess of 100 persons, or~~] for use as a frozen food locker plant as defined in KRS 221.010 *shall be excluded from the local government jurisdiction.* Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to the provisions of this chapter and the uniform state building code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of such permit or certificate to the commissioner for his use in maintaining an accurate housing inventory for Kentucky.

(3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more people, shall be exempt from the requirements of the uniform state building code. Such determination may be reviewed and altered by the board.

(4) The department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to the provisions of this chapter and the uniform state building code. If the commissioner determines that the local jurisdiction is not adequately performing any portion of its program, he may recommend to the board that the department preempt that portion of a local program. The commissioner shall explain his reasons for preemption in writing and provide a copy to the board and the local jurisdiction. The local jurisdiction may appeal the recommended preemption directly to the board, and the board shall review such appeal according to the procedures found in subsections (8) through (12) of KRS 198B.070. No preemption by the department shall take place until the final decision of the board. If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.

(5) Any local government may petition the commissioner requesting that additional plan review functions be allocated to that local government. Such petition shall include evidence of the local government's capability to perform additional plan review functions. The commissioner, after review of the petition and supporting evidence, may grant or deny to the local government any part of a request for additional responsibility. If the commissioner denies any part of a petition, he shall explain his reasons for denial in writing, and provide a copy to the board and the local government. A local government may appeal such denial directly to the board, and the board shall review such appeal according to the procedures found in subsections (8) through (12) of KRS 198B.070. Should the local government be granted additional responsibility by the commissioner or the board, the department shall hold concurrent jurisdiction over such additional responsibility, but the local government shall collect any fees for functions it performs pursuant to such additional responsibility.

(6) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional offices so as to prevent unnecessary duplication in the review of plans and specifications.

(7) Upon the effective date of the uniform state building code, no building shall be constructed in this state until a local building official and an official representing the department, if the department has jurisdiction, issue a permit for such construction. The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the uniform state building code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of said building. The applicant for a building permit, by the act of applying for the permit, is deemed to have consented to inspection, by the local government or the department, of such building during construction and upon the completion of construction for the purpose of determining that such building is constructed in compliance with the uniform state building code. This section shall apply to industrialized building systems but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the board of housing, buildings and construction, shall not be performed in order to conduct such tests or inspections.

(8) No building on which construction was begun nor any industrialized building system on which site preparation and assembly were begun after the uniform state building code became effective shall be

occupied until the local building official or a representative of the department issues a certificate of occupancy certifying that the building was constructed in conformance with the standards of the uniform state building code, or assembled or installed in conformance with applicable instructions.

(9) A local government may associate with other local governments, and may seek the technical assistance of other agencies or area development districts in order to provide for the local enforcement of the uniform state building code.

(10) Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. Such fees shall be designed to fully cover the cost of the service performed but shall in no case exceed the cost of the service performed. Fees payable to the department shall be paid into the state treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. No part of this fund shall revert to the general fund of the Commonwealth.

HCR 70, A CONCURRENT RESOLUTION directing the Legislative Research Commission to study the laws and procedures for hearing complaints against police officers of units of local government.

WHEREAS, complaints against law enforcement officers and law enforcement agencies have been increasing in past years; and

WHEREAS, such officers have traditionally enjoyed the immunity of the agency employing them but, through actions of the Kentucky courts, cities no longer possess such immunity; and

WHEREAS, more and more persons with complaints against law enforcement officers and agencies are filing such suits in federal court under federal law (where sovereign immunity is not a question); and

WHEREAS, defense of these suits and claims represents a major expense to various units of government; and

WHEREAS, losses in such suits are rising thus threatening state, county, and municipal treasuries; and

WHEREAS, it is alleged that present methods of handling complaints against police, including the "police officer's bill of rights", are heavily weighted in favor of the police and do not represent a fair method of handling citizen complaints against police; and

WHEREAS, many citizens simply file lawsuits rather than making complaints because they feel the complaint process is weighted against them; and

WHEREAS, an honest complaint and discipline process will usually give citizens and the police a sufficient forum for airing their complaints without resorting to lawsuits with the possibility of large judgments and oppressive legal fees for all parties, such a process would represent a viable and useful alternative to the present system and would save all sides time, money and still present a just method of determining the validity of complaints and assessing punishment where needed;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the Legislative Research Commission is directed to establish a committee to study and review the laws pertaining to the procedures for hearing complaints against police officers of units of local government. The committee shall work toward preparing a report and proposed legislation for the 1984 General Assembly which will effect a comprehensive revision of laws pertaining to the procedures for hearing complaints against police officers and other matters relating to police officer discipline.

Section 2. The committee shall be composed of ten (10) members appointed by the Legislative Research Commission as follows:

A. Two (2) members of the House of Representatives of the Kentucky General Assembly;
B. Two (2) members of the Senate of the Kentucky General Assembly;
C. One (1) representative of the Kentucky Municipal League;
D. One (1) representative of the Kentucky Association of Counties;
E. One (1) mayor of a city, as recommended by the Kentucky Municipal League;
F. One (1) county judge/executive of a county as recommended by the Kentucky County Judges/Executive Association;
G. Two (2) representatives of the state organization of the Fraternal Order of Police.

Section 3. That the members shall serve without pay, but the non-legislative members shall receive their reasonable and necessary expenses in connection with the performance of their duties.

Section 4. That the findings of the committee along with any recommendation be reported to the appropriate interim joint committee not later than August 1, 1983.

Section 5. Staff services to be utilized by the committee are estimated to cost $10,000. These staff services shall be provided from the regular commission budget and are subject to the limitations and other research responsibilities of the commission.

HB 738, AN ACT relating to hazardous waste and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.866 is amended to read as follows:

(1) No person shall engage in the storage, treatment, recycling or disposal of hazardous waste without first obtaining construction and operation permits from the department. The department shall promulgate regulations establishing standards for such permits but in no case shall a permit to construct or operate a hazardous waste disposal facility be issued unless it can be demonstrated that the proposed facility can be integrated into the surroundings in an environmentally compatible manner, including but not limited to insuring that hydrologic, seismologic, geologic and soil considerations have been adequately addressed in the permit application and in an operational plan. In no case shall a permit to construct a hazardous waste landfill or other site or facility for the land disposal of hazardous waste be approved or issued prior to notification of the department by the local unit of government of its actions pursuant to KRS 224.855(5). A person desiring a construction permit shall file an application on forms supplied by the department which shall contain such information as the department deems necessary and provide evidence that the hazardous waste shall be treated, stored or disposed of in the manner prescribed by the department. The department may consider past performance in this or related fields by the applicant. (b) An evaluation of the public health, safety, and environmental aspects of the proposals;

(c) An evaluation of the social and economic impacts of the proposed action on the affected community, to include, at a minimum, changes in property values, community perception and other psychic costs, and the costs and availability of public services, facilities and improvements required to support the facility and protect public health, safety and the environment;

(d) An evaluation of mitigation measures to alleviate problems identified in *paragraphs* [~~subsections~~] (b) and (c) of this *subsection* [~~section~~]; and

(e) The relationship of the proposal to local planning and existing development.

Except that in the case of hazardous waste landfills or other sites or facilities for the land disposal of hazardous waste the provisions of paragraphs (c) and (e) of this subsection shall be determined by the local unit of government pursuant to KRS 224.855(5).

(2) Any hazardous waste which would migrate, leach, or generate gas in its normal state shall not be disposed of in a landfill unless such waste has been either neutralized, detoxified, solidified, encapsulated or otherwise treated so that the character of the waste is such that it will prevent substantial migration, leaching or gas generation or unless the landfill is designed and constructed in such manner as will prevent substantial migration, leaching or gas generation, that in either case may cause or significantly contribute to an increase in mortality or an increase in serious irreversible, or incapacitating reversible, illness or pose a substantial present or potential hazard to human health or the environment.

(3) In conjunction with the application for permits under this section the applicant shall *demonstrate compliance with standards in accordance with regulations promulgated by the department. The regulations shall include requirements respecting the maintenance of operation of such facilities and requiring such additional qualifications as to ownership, continuity of operation, training for personnel and financial responsibility as may be necessary or desirable consistent with the degree and duration of risks associated with the treatment, storage or disposal of specific hazardous waste. Such financial responsibility regulations shall include but need not be limited to provisions for closure costs, post-closure costs, post-closure monitoring and maintenance, and liability for personal and property damage consistent with Public Law 94-580 as amended and the regulations promulgated pursuant thereto.* [~~establish adequate financial responsibility as follows:~~

~~(a) The applicant shall file as part of his application for a permit to construct the facility an estimate of the cost of closing the facility after its capacity is reached or operations have otherwise ceased. In the case of storage facilities, the cost of closing shall include the cost of properly disposing of the hazardous waste stored. The department shall evaluate this cost estimate and either accept the estimate as made or shall revise it in accordance with acceptable guidelines, using, where available, actual data on closure costs associated with similar existing facilities. Before a permit to operate can be issued the applicant for any hazardous waste permit shall deposit into an interest bearing account pursuant to an escrow agreement with the department a closure fund. Such closure fund shall be cash, irrevocable credit or other sureties satisfactory to the department in an amount equal to the cost estimate for closure. A bank or other financial institution approved by the department shall act as the escrow agent of the closure fund. The escrow agreement shall provide that disbursement is permissible only upon written approval of the department and whenever, on the basis of any information, the department determines that the owner or operator is in violation of any of the closure requirements for the facility, that the department shall have the right to use part or all of the closure fund to carry out the closure requirements. The escrow agent shall release these funds upon receiving a forfeiture order of the department issued pursuant to an appropriate administrative hearing considering one (1) or more closure violations. When the applicant has ceased operations at the facility and has completed closure of the site, he may apply to the department for return of the principle and interest in the closure fund. Upon determination that closure has been satisfactorily accomplished, the department shall release to the applicant all remaining funds accumulated in the closure fund.~~

~~(b) Any applicant for a hazardous waste disposal permit shall file with the department as part of his application an estimate of the annual cost of post-closure monitoring and routine maintenance at the site. The department shall evaluate the cost estimate, and, after such modification as may be necessary in light of its evaluation, shall give notice of acceptance of the cost estimate. This cost estimate which will be referred to as the annual post-closure operating cost will then be used to determine the annual cash payments during the life of the facility or over twenty (20) years whichever is shorter into a post-closure monitoring and maintenance fund to be used for monitoring and maintenance for a period of a minimum of twenty (20) years after facility closure. The post-closure monitoring and maintenance fund shall be established by an escrow agreement with the department and annual payments shall be placed in an interest bearing escrow account in a bank or other financial institution approved by the department which shall act as the escrow agent for the fund. The escrow agreement shall provide that whenever, on the basis of any information, the department determines that the owner or operator of the facility is in violation of any of the post-closure monitoring and maintenance requirements, the department shall have the right to use part or all of the funds to carry out the post-closure monitoring and maintenance for the facility. The escrow agent shall release these funds upon receiving a forfeiture order of the department issued pursuant to an appropriate administrative hearing considering one (1) or more post-closure monitoring and maintenance violations. One (1) year after closure and annually, thereafter, for a period of twenty (20) years, the applicant who has carried out all necessary post-closure maintenance and monitoring requirements may upon application to the department be reimbursed out of the post-closure monitoring and maintenance fund an amount equal to the estimated costs for monitoring and routine maintenance for that year and the interest accumulated on that portion of the fund for that year. Request for release of funds for reimbursement must be accompanied by an itemized list of costs incurred. Upon determination that the expenditures incurred are in accordance with the approved plan or otherwise justified the department may authorize the release of the funds to the applicant in writing. Any funds remaining in the escrow account following a termination hearing in which the applicant is released of further responsibility will likewise be released to the applicant.~~

~~(c) Before a permit can be issued the applicant for any hazardous waste permit must provide evidence of financial responsibility in an amount and for a time period specified by the department for the purpose of satisfying claims arising out of injury to persons or property resulting from the release or escape of hazardous waste into the environment. Such financial responsibility may be established by one or a combination of evidence of liability insurance, self-insurance, or other evidence of financial responsibility acceptable to the department. The level of self-insurance shall not exceed ten percent (10%) of equity, and financial responsibility must be maintained during the entire operation of the facility and until termination.~~]

(4) The department shall promulgate regulations establishing minimal standards for closure, post-closure monitoring and maintenance, and termination of sites for the disposal of hazardous waste. Any person who obtains a disposal permit for hazardous waste shall be responsible for the post-closure monitoring and maintenance of the permitted facility for a minimum of twenty (20) years after closure of the facility, and may apply to the department for termination of the responsibility for post-closure monitoring and maintenance at any time after the site has been closed for at least twenty (20) years. Upon receipt of such application the department shall provide notice to the public and to the owner or operator and an opportunity for a hearing on the termination of the site. In this proceeding the burden shall be on the applicant to prove by clear and convincing evidence that additional post-closure monitoring and maintenance is not necessary for adequate protection of public health or the environment. The department shall determine either that post-closure monitoring and maintenance of the site is no longer required in which case the applicant shall be relieved of such responsibility; or that additional post-closure monitoring and maintenance of the site as specified in a plan of operation is still required, in which case the department may order appropriate remedial measures, impose restrictive covenants as to future use of the property involved, or otherwise condition termination as may be necessary for adequate protection of public health and the environment.

Section 2. Whereas, flexibility in designing the financial responsibility provisions of Kentucky's hazardous waste program will better enable the department to comply with the requirements that may be necessary to assume authorization for the program under the federal Resource Conservation and Recovery Act, this Act shall become effective upon its passage and approval of the Governor.

SB 285, AN ACT relating to public utilities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 278.150 is amended to read as follows:

(1) Each commission shall, on or before June 1, certify to the department of revenue and the department of finance the amount of intrastate business of each utility in the state subject to its jurisdiction during the previous calendar year. *The commission shall, when certifying the intrastate sales of retail electric suppliers, deduct from such sales one-half (½) of the applicable wholesale power costs, provided the utility from which such wholesale power purchases were made pays assessment on the full wholesale value of its gross intrastate sales in Kentucky. When certifying the intrastate sales of retail electric suppliers not subject to the jurisdiction of the commission for rates, the commission shall deduct one-half (½) of their actual intrastate sales. All utilities classified as retail electric suppliers shall pay assessments based on the amount of intrastate sales less deductions as certified by the commission.*

(2) The department of finance shall, on or before June 10, establish the assessment rate and give written notification thereof to the department of revenue and the utility and energy regulatory commissions. The department of revenue shall collect and pay the assessment into the state treasury to the credit of the general expenditure fund. All such assessments shall be paid into the state treasury through the department of revenue on or before July 31 of the year in which the assessments are made.

(3)[~~(2)~~] If any amount in the special fund for the maintenance of the commissions remains unexpended at the end of any fiscal year, that amount shall not lapse, but shall remain credited to the account of the commission and may be used during any succeeding year.

Section 2. KRS 278.130 is amended to read as follows:

(1) For the purpose of maintaining the commissions, including the payment of salaries and all other expenses, and the cost of regulation of the utilities subject to their jurisdiction, the department of revenue shall each year assess the utilities in proportion to their earnings or receipts derived from intrastate business in Kentucky for the preceding calendar year *as modified by KRS 278.150*, and shall notify each utility on or before July 1 of the amount assessed against it. The total amount so assessed shall not in any year exceed one and one-half mills on intrastate receipts *as so modified*, which shall be deposited into the state treasury to the credit of the general fund. The sum by each utility shall not be less than $50 in any one year.

(2) The assessments provided for in this section shall be in lieu of all other fees or assessments levied by any city or other political subdivision for the control or regulation of utilities.

Motions, Petitions and Communications

The following Floor Amendments were filed to Bills and Resolutions.

Floor Amendment No. 1 to **HR 75,** by Representative Schmidt:

Amend printed copy of **HJR 75,** pages 1, 2, and 3, by deleting all material appearing on pages 1, 2, and 3 and substituting therefor the following:

A CONCURRENT RESOLUTION requesting and petitioning the Congress of the United States for the purpose of requesting appropriate action by the Congress, either acting by consent of two-thirds of both Houses or, upon the application of the legislatures of two-thirds of the several states, calling a constitutional convention to propose an amendment to the Federal Constitution to require, with certain exceptions, that the total of all federal appropriations may not exceed the total of all estimated federal revenues in any fiscal year.

WHEREAS, with each passing year this nation becomes more deeply in debt as its expenditures grossly and repeatedly exceed available revenues, so that the public debt now exceed hundreds of billions of dollars; and

WHEREAS, inflation is the greatest threat which faces our nation, we firmly believe that constitutional restraint is necessary to bring the fiscal discipline needed to restore financial responsibility; and

WHEREAS, under Article V of the Constitution of the United States, amendments to the Federal Constitution may be proposed by the Congress whenever two-thirds of both Houses deem it necessary, or on the application of the legislatures of two-thirds of the several states the Congress shall call a constitutional convention for the purpose of proposing amendments. We believe such action vital;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That this body proposes to the Congress of the United States that procedures be instituted in the Congress to add a new Article to the Constitution of the United States, and that this body requests the Congress to prepare and submit to the several states an amendment to the Constitution of the United States, requiring, in the absence of a national emergency, that the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year.

Section 2. That, alternatively, this body makes application and requests that the Congress of the United States call a constitutional convention for the specific and exclusive purpose of proposing an amendment to the Federal Constitution requiring in the absence of a national emergency that the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year.

Section 3. That this body also proposes that the legislatures of each of the several states comprising the United States apply to the Congress requesting the enactment of an appropriate amendment to the Federal Constitution; or requiring the Congress to call a constitutional convention for proposing such an amendment to the Federal Constitution.

Section 4. That this application by this body constitutes a continuing application in accordance with Article V of the Constitution of the United States until at least two-thirds of the legislatures of the several states have made similar applications pursuant to Article V; but if the United States Congress proposes an amendment to the United States Constitution identical in subject matter to that contained in this concurrent resolution, then this petition for a constitutional convention shall no longer be of any force or effect.

Section 5. That this application and request be deemed null and void, rescinded and of no effect in the event that such convention not be limited to such specific and exclusive purpose.

Section 6. That copies of this Resolution be sent by the Secretary of State to the members of Congress from Kentucky.

Section 7. That the Secretary of State of this state is directed to send copies of this Joint Resolution to the Secretary of State and presiding officers of both Houses of the Legislature of each of the other states in the Union, the Clerk of the United States House of Representatives, Washington, D.C. and the Secretary of the United States Senate, Washington, D.C.

SECTION 56. A NEW SECTION OF KRS CHAPTER 12 IS CREATED TO READ AS FOLLOWS:

(1) Recognizing the necessity for grouping related functions of organizational units and administrative bodies in order to promote greater economy, efficiency and improved administration, the governor may propose to the general assembly, for its approval, changes in the state government organizational structure which may include the creation, alteration or abolition of any organizational unit or administrative body and the transfer of functions, personnel, funds, equipment, facilities and records from one (1) organizational unit or administrative body to another.

(2) Recognizing that changes in the state government organizational structure may need to be made as rapidly as possible to achieve greater economy, efficiency and improved administration as the needs of government dictate, the governor may, between sessions of the general assembly, temporarily effect a change in the state government organizational structure as described in subsection (1) of this section if such temporary reorganization plan is first approved by the legislative research commission after review by the interim joint legislative committee with appropriate jurisdiction. Unless required by federal law, the governor may not effect a temporary reorganization plan under this subsection that would contravene:

(a) A constitutional or statutory provision relating to any constitutional officer or to an organizational unit headed by a constitutional officer; or

(b) A constitutional or statutory provision relating to an administrative body or to an organizational unit headed by an administrative body; or

(c) A constitutional provision relating to an organizational unit.

(3) Any reorganization proposed under subsection (1) or (2) of this section shall be set forth in a reorganization plan which shall be filed with the legislative research commission. The plan shall include:

Prior to the legislative research commission's approving a temporary reorganization plan, the interim joint legislative committee to which it is referred shall review the plan to determine whether the plan can reasonably be expected to achieve greater economy, efficiency or improved administration in state government. The committee shall report its findings to the legislative research commission. The committee shall review and report on the plan and the legislative research commission shall act upon the plan within sixty (60) days after it is filed with the legislative research commission. If the legislative research commission finds that increased economy or efficiency or improved administration can be expected from implementation of the plan, it shall approve the plan; otherwise, it shall not approve the plan. If the commission does not act on a proposed plan within the time specified in this subsection, the plan shall be considered approved by the legislative research commission.

(5) A temporary reorganization effected by the governor under subsections (2) to (4) of this section shall be terminated ninety (90) days after sine die adjournment of the next regular session of the general assembly unless otherwise specified by the general assembly. If the general assembly fails to enact the temporary reorganization plan or an alternative to such plan, the organizational structure that existed immediately prior to the implementation of the temporary plan shall be reinstated upon the termination of the temporary plan. If the general assembly fails to enact a temporary reorganization plan, the governor shall not effect the plan prior to the next succeeding session of the general assembly.

(6) The legislative research commission or the legislative program review and investigations committee may monitor the implementation of any reorganization plan to determine the extent to which the anticipated improvements in economy, efficiency or administration have been realized as a result of the reorganization and shall report its findings to the general assembly.

(7) Funds transferred due to reorganization shall be maintained in separately designated accounts. Any excess funds resulting from a reorganization shall lapse to the general fund surplus account.

dates and bonds shall mature at such time or times not exceeding thirty (30) years from their date or dates, as may be determined by the corporation. The corporation shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the state. In case any officer whose signatures or a facsimile of whose signature shall appear on any bonds or notes or coupons attached thereto shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The corporation may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. HB 605, AN ACT relating to traffic regulations.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 189.330 is amended to read as follows:

(1) When two (2) vehicles approach or enter an intersection from different roadways at approximately the same time, the operator of the vehicle on the left shall yield the right-of-way to the vehicle on the right.

(2) The right-of-way rule declared in subsection (1) is modified at highways and through intersections and as otherwise stated in this chapter.

(3) Preferential right-of-way may be indicated by stop signs or yield signs. The state highway commissioner with reference to state highways and local authorities with reference to other highways under their jurisdiction may designate any intersection as a stop intersection or as a yield intersection and erect stop signs or yield signs at one (1) or more entrances to such intersections.

(4) Except when directed to proceed by a police officer, every operator of a vehicle approaching a stop sign shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection, or, if none, then at the point nearest the intersecting roadway where the operator has view of approaching traffic on the intersecting roadway before entering it. After having stopped the operator shall yield the right-of-way to any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time when such operator is moving across or within the intersection or junction of roadways.

(5) The operator of a vehicle approaching a yield sign shall in obedience to such sign slow down to a speed reasonable for the existing conditions and, if required for safety to stop, shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection, or, if none, then at the point nearest the intersecting roadway where the operator has a view of approaching traffic on the intersecting roadway before entering it. After slowing and stopping, the operator shall yield the right-of-way to any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time such operator is moving across or within the intersection or junction of roadways. Provided, however, that if such an operator is involved in a collision with a vehicle in the intersection or junction of roadways after driving past a yield sign without stopping, such collision shall be deemed prima facie evidence of his failure to yield right-of-way.

(6) The operator of a vehicle intending to turn shall do so as follows:

(a) Right turns - both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or edge of the roadway;

(b) Left turns - the operator of a vehicle intending to turn left shall approach the turn in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle. Whenever practicable the left turn shall be made to the left of the center of the intersection and so as to leave the intersection or other location in the extreme right-hand lane lawfully available to traffic moving in the same direction as such vehicle on the roadway being entered.

(7) The department of transportation and local authorities in their respective jurisdictions may cause official traffic control devices to be placed and thereby require and direct that a different course from that specified in this section be traveled by turning vehicles and when such devices are so placed no operator shall turn a vehicle other than as directed and required by such devices.

(8) The operator of any vehicle shall not turn such vehicle so as to proceed in the opposite direction unless such movement can be made in safety without interfering with other traffic.

(9) The operator of a vehicle intending to turn to the left within an intersection or into an alley, private road or driveway shall yield the right-of-way to any vehicle approaching from the opposite direction which is within the intersection or so close thereto as to constitute an immediate hazard.

(10) *The operator of a vehicle intending to turn to the right from a roadway, an alley, or a private road or driveway onto a two lane roadway whose traffic volume averages more than five hundred (500) motor vehicles an hour in each direction, may proceed with his turn after stopping:*

(a) If roadway traffic has slowed or stopped to the extent that the turn can be made safely without creating a hazard or impeding the flow of traffic; and

(b) Upon receiving a visual indication from the vehicle operator directly to his left on such roadway that said turn may be undertaken.

(11) The operator of a vehicle about to enter or cross a roadway from any place other than another roadway shall yield the right-of-way to all vehicles approaching on the roadway to be entered or crossed.

(c) Perjury or the making of a false affidavit under KRS 186.400 to 186.640 or any law requiring the registration of motor vehicles or regulating their operation on highways.

(d) Any felony in the commission of which a motor vehicle is used.

(e) Conviction or forfeiture of bail upon three (3) charges of reckless driving within the preceding twelve (12) months.

(f) Conviction of driving a motor vehicle involved in an accident and failing to stop and disclose his identity at the scene of the accident.

(g) Conviction of theft of a motor vehicle or any of its parts, including the conviction of any person under the age of eighteen (18) years.

(2) If the person convicted of any offense named in subsection (1) is not the holder of a license, the department shall deny the person so convicted a license for the same period of time as though he had possessed a license which had been revoked. If through an inadvertence the defendant should be issued a license, the department shall forthwith cancel it.

(3) The department upon receiving a record of the conviction of any person *of* [~~upon~~] a charge of operating a motor vehicle while the license of that person is denied or suspended, or revoked, or while his privilege to operate a motor vehicle is withdrawn, shall immediately extend the period of the [~~first~~] denial, suspension, revocation or withdrawal [~~for an additional like~~] period *for six (6) months.*

(4) The revocation or denial of a license or the withdrawal of the privilege of operating a motor vehicle under *subsection (1)* [~~this section~~] shall be for a period of six (6) months, except that, if the same person has had one (1) previous conviction of any offense enumerated in subsection (1) of this section, regardless of whether the person's license was revoked because of the previous conviction, the period of the revocation, denial or withdrawal shall be one (1) year; if the person has had more than one (1) previous conviction of the offenses considered collectively as enumerated in subsection (1) of this section, regardless of whether the person's license was revoked for any previous conviction, the period of revocation, denial or withdrawal shall be for not less than two (2) years. Provided, however, the department, upon receipt of the written recommendation of the court in which any person has been convicted of violating KRS 189.520 (2), who has had no previous conviction of said offense, that said person's operator's license shall not be revoked, restricts said person's operator's license according to such terms and conditions as the secretary in his discretion may require, provided said person has enrolled in such driver's education program as the department shall require. In the event said person fails to satisfactorily complete said driver's education program or violates the restrictions on his operator's license, the department shall forthwith revoke said operator's license for a period of six (6) months. *The department may promulgate the necessary rules and regulations to provide for such program including the establishment of a fee.*

Section 12. KRS 186.565 is amended to read as follows:

(1) Any person who operates a motor vehicle in this state is deemed to have given his consent to a chemical test of his blood, breath, urine or saliva for the purpose of determining the alcoholic content of his blood, if arrested for any offense arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages. The test shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages. The law enforcement agency by which the officer is employed shall designate which of the aforesaid tests shall be administered, and provide necessary equipment. The state shall provide one (1) *breathalyzer* [~~breathalizer~~] and simulating unit for each county, paid for by state funds.

(2) Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section and the test may be given.

(3) If a person under arrest refuses upon the request of a law enforcement officer to submit to a chemical test designated by the law enforcement agency as provided in subsection (1) of this section, the requesting officer shall warn the person of the effect of his refusal to submit to the test. If the person again refuses, none shall be given, but the *bureau of vehicle regulation* [~~department of transportation~~], upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages, that the person refused to submit to the test upon the request of the law enforcement officer, and that the person again refused to submit to the test after the law enforcement officer warned him of the effect of his refusal, the *bureau* [~~department~~] shall immediately serve notice upon said person in writing by mailing the notice to the person by certified mail to the last known residence address of the person *contained within the official records of the bureau of vehicle regulation. The notice shall include a statement of the person's right and his opportunity to request a hearing* [~~or if the address is unknown, to the last known business address of the person to appear~~] before the *commissioner* [~~secretary~~] or his duly authorized agent and show cause why his license to operate a motor vehicle, or if said person is a nonresident his privilege to operate a motor vehicle within this state should not be revoked; or if the person is a resident without a license or permit to operate a motor vehicle in this state why that person should not be denied the issuance of a license or permit. The hearing *if requested in writing* shall be scheduled as early as practical but not *less* [~~sooner~~] than ten (10) days after the issuance of the notice and at a time and place designated by the *commissioner* [~~secretary~~]. *If the person does not file a request for hearing within twenty (20) days from the date of the notice to such person of his right and opportunity for a hearing, the person's operator's license shall be suspended forthwith for a period of not more than six (6) months. A*

person whose correct mailing address cannot be obtained from the official records of the bureau shall be deemed to have similarly waived his right to a hearing is filed with the bureau within thirty (30) days of the notice to such person.

(4) For the purpose of *any* [~~the~~] hearing[~~,~~] held [~~in accordance with the order to show cause~~], the *commissioner* [~~secretary~~] may appoint an examiner who shall have the power to preside at the hearing. *For* [~~Upon~~] the hearing the *commissioner* [~~secretary~~] or his duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers [~~and may require a reexamination of the licensee~~]. The scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer. All testimony at the hearing shall be recorded. The *commissioner's final order* [~~secretary's ruling~~] shall include a statement of the findings of fact, rulings of law and other matters pertinent to the question at issue. The *commissioner as soon as practical* [~~secretary within ten days~~] after the completion of the hearing shall order either: that the person's license to operate a motor vehicle, or, if the person is a nonresident, his privilege to operate a motor vehicle within this state be revoked for a period of not more than six (6) months or if the person is a resident without such license that there should be a denial of issuance of a license for a period of not more than six (6) months; or that no action be taken regarding said person's privilege to operate a motor vehicle. The *commissioner* [~~secretary~~] shall immediately notify the person of his ruling in writing by certified mail. If the person shall fail to attend the [~~show cause~~] hearing *scheduled at his request* without good cause shown, the *commissioner* [~~secretary~~] shall forthwith revoke the person's license or privilege to operate a motor vehicle or deny issuance of a permit or operator's license.

(5) If the revocation or determination that there should be a denial of issuance is sustained after the hearing, the person whose license or permit to drive or nonresident operating privilege has been revoked, or to whom a license or permit is denied, under the provisions of this section, may file a petition in the circuit court of the county in which the person resides or in the circuit court of the county in which the alleged offense was committed or in Franklin Circuit Court to review the final order of revocation or denial by the *commissioner* [~~secretary~~] within twenty (20) days after the final order has been issued. The perfected appeal suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected *if the license was surrendered during such revocation.* The *bureau of vehicle regulation* [~~department of transportation~~] shall file with its answer a copy of the *commissioner's final order* [~~secretary's ruling~~] and a transcript of evidence. The court's review is limited to whether the *commissioner's final order* [~~secretary's ruling~~] is supported by substantial evidence and whether his action is arbitrary or capricious. An appeal to the Court of Appeals suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected.

(6) When it has been finally determined that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the *bureau* [~~department~~] shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence *or* [~~and~~] of any state in which he has a license. The provisions of this section shall not apply to a person who refuses to submit to a chemical test of his blood, breath, urine or saliva if that person has enrolled in a driver's education program under the terms and conditions of KRS 186.560(4) and rules and regulations adopted thereunder.

(7) Any person who has had no previous conviction for violation of KRS 189.520 and who has refused to submit to a chemical test of his blood, breath, urine, or saliva may apply to a district court of competent jurisdiction for permission to enter a driver's education program as provided pursuant to KRS 186.560. If he is permitted by the court to enter the program he shall be subject to the same terms and conditions as any other person entering the program. The department shall suspend the license for six (6) months of any person participating in such program if he fails to satisfactorily complete such driver's education program.

Section 13. KRS 186.570 is amended to read as follows:

(1) The department or its agent designated in writing for that purpose may deny any person a license or may suspend the license of any person, or, in the case of a nonresident, withdraw the privilege of operating a motor vehicle in this state, subject to a hearing [~~and with or without receiving a record of conviction of that person of a crime,~~] whenever the department has reason to believe that:

(a) That person has committed any offenses for the conviction of which mandatory revocation of a license is provided by KRS 186.560.

(b) That person has, by reckless or unlawful operation of a motor vehicle, caused or contributed to an accident resulting in death or injury or serious property damage.

(c) That person is afflicted with mental or physical infirmities rendering it unsafe for him to drive upon the highways.

(d) That person is an habitually reckless or negligent driver of a motor vehicle or has committed a serious violation of the motor vehicle laws.

(e) That person has been issued a license without making proper application for it, as provided in KRS 186.412 and regulations properly issued pursuant to it.

(f) A person required by KRS 186.480 to take an examination has been issued a license without first having passed the examination.

(g) That person has been convicted of assault and battery resulting from the operation of a motor vehicle.

(h) That person has failed to appear pursuant to a citation or summons issued by a law enforcement officer of this Commonwealth or any other jurisdiction. *This section also applies to speeding citations received in other states in accordance with the provisions of the nonresidents violators compact as provided by KRS Chapter 188. However, this subsection shall not be construed to mean that points could be assessed for the speeding conviction.*

(2) The department or its agent designated in writing for that purpose shall provide any person subject to the suspension, revocation or withdrawal of their driving privileges, under provisions of this section, a hearing. Upon determining that such action is warranted, the department shall notify the person in writing by mailing the notice to the person by first class mail to the last known address of the person. Such hearing shall be automatically waived if not requested within twenty (20) days after the department mails the notice. The hearing shall be scheduled as early as practical within not to exceed *thirty (30)* [~~twenty (20)~~] days after receipt of such *written* request at a time and place designated by the department.

(3) The department may suspend the license of any resident upon receiving notice of the conviction of that person in another state of an offense there which if committed in this state would be grounds for the suspension or revocation of an operator's license. If a person so convicted is not the holder of a Kentucky license, the department shall deny him a license for the same period as if he had possessed a license and license had been suspended. The department may, upon receiving a record of the conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws, forward a notice of that person's conviction to the proper officer in the state of which the person so convicted is a resident. The department of transportation is forbidden from suspending or revoking a motor vehicle or motorcycle operator's license or assessing points or any other form of penalty against the holder thereof for [~~speeding violations or~~] speeding convictions from other states. This subsection shall apply only to speeding *convictions* [~~violations~~] and shall not apply to other motor vehicle offenses, nor shall this section apply to any new applicant for a Kentucky motor vehicle operator's license.

(4) Each license which has been cancelled, suspended or revoked shall be surrendered to and retained by the department. At the end of the period of cancellation, suspension or revocation the license may be returned to the licensee. *In the event the license is not surrendered to the department, the department may direct any peace officer to secure possession thereof and return the same to the department. The department may prescribe regulations and establish a fee for the collection of cancelled, suspended or revoked licenses.*

Section 14. KRS 186.590 is amended to read as follows:

(1) Any negligence of a minor under the age of eighteen (18) who has been licensed upon an application signed as provided by KRS 186.470, when driving any motor vehicle upon a highway, shall be imputed to the person who signed the application of the minor for the license. That person shall be jointly and severally liable with the minor for any damages caused by the negligence.

(2) [~~If a minor deposits or there is deposited in his behalf, a proof of financial responsibility in form and amounts required by KRS chapter 187, the person who signed the application shall not, while such proof is maintained, be subject to the liability imposed by subsection (1). If the minor is the owner of a motor vehicle, the proof of financial responsibility shall be with respect to the operation of that motor vehicle; if not an owner, then with respect to the operation of any motor vehicle.~~

~~(3)~~] Every motor vehicle owner who causes or knowingly permits a minor under the age of eighteen (18) to drive the vehicle upon a highway, and any person who gives or furnishes a motor vehicle to the minor shall be jointly and severally liable with the minor for damage caused by the negligence of the minor in driving the vehicle.

HB 573, AN ACT relating to compensation of elective state officials.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 64.480 is amended to read as follows:

(1) Effective, with respect to the offices of governor on December 11, 1979, and lieutenant governor on the fifth Tuesday following the regular November election in 1975 and with respect to the other offices named in this section, on the first Monday in January, 1976, the compensation of the following named officers, payable monthly out of the state treasury, shall be the sum per annum designated for the respective offices, as follows: governor, $45,000 until December 11, 1981, [~~and~~] then $50,000 *until December 13, 1983, and then sixty thousand dollars ($60,000) until January 1, 1985* [~~thereafter~~]; lieutenant governor, an amount sufficient, when added to any per diem received during sessions of the general assembly while serving in the capacity of president of the senate, to equal $27,900 per annum, plus any compensation received while acting in the place of the governor; attorney general, superintendent of public instruction, commissioner of agriculture, secretary of state, state treasurer, auditor of public accounts, and clerk of the Supreme Court of Kentucky elected in November, 1975, as clerk of the Court of Appeals, $27,900.

(2) In order to equate or adjust the compensation of the lieutenant governor, attorney general, superintendent of public instruction, commissioner of agriculture, secretary of state, state treasurer, auditor of public accounts, and clerk of the Supreme Court of Kentucky with the purchasing power of the 1949 dollar, the department of finance of Kentucky shall compute by the second Friday in February of every year, beginning in 1977, the maximum permissible compensation of the officials mentioned in subsection (2) hereof based precisely upon the consumer price index formula approved in Matthews v. Allen, Kentucky, 360 S.W. 2d 139 (1962). Thus the maximum permissible compensation effective for the entire year of 1977 and subsequent years will be the actual compensation to be paid said officials. The year of adjustment will be the particular full calendar year involved.

(3) It is the intention of the legislature that the constitutionally permissible adjustment of salaries of these officials be framed around equating current salaries with the purchasing power of the dollar in 1949 when section 246 of the Kentucky Constitution was amended. Section 246 of the Constitution, as amended, established a monetary level of $12,000 per annum for said officials. The formula merely effects an adjustment of the constitutional monetary level in terms of the current consumer price index.

(4) In order to adjust the compensation of the governor to reflect changes in the purchasing power of the dollar, the department of finance shall compute by the second Friday in February of every year, beginning in 1985, an adjusted salary of the governor by multiplying sixty thousand dollars ($60,000) by the

increase in the consumer price index during the period from January 1, 1984 to the beginning of the then-current calendar year. The actual compensation paid to the governor for the entire calendar year of 1985 and subsequent years shall be the adjusted salary.

Section 8. KRS 117.055 is amended to read as follows:

(1) Each county shall be divided into election precincts. The political territory having the least area within the county's boundaries, with the exception of the total area of a city or town contained within such boundaries, shall be designated an election precinct. Each election precinct shall be composed of contiguous and, as nearly as practicable, compact areas having clearly definable boundaries and wholly contained within any larger district. The county board of elections shall have the authority to draw precinct lines so as to enable more than one precinct to vote at one location. The county board of elections shall review election precinct boundaries as often as necessary. Without exception they shall review the boundaries of all election precincts exceeding seven hundred (700) votes cast in the last regular election prior to each primary election. Consideration to the division of said election precincts should be based on the anticipated growth factor within the specified boundaries; however, the county board of elections shall not be prohibited from dividing election precincts in excess of seven hundred (700) votes cast in the last regular election or less than seven hundred (700) votes cast in the last regular election if they elect to do so. *Without exception the county board of elections shall review the boundaries of all election precincts not voting three hundred (300) votes in the last regular election prior to each succeeding primary and shall consolidate such precincts with adjoining precincts. Variations from this provision may be granted by the state board of elections upon a written request.* No election precinct shall be created, divided, abolished or consolidated or the boundaries therein changed later than fifty-five (55) days prior to any primary or general election to comply with the provisions of this section. The county board of elections shall designate the name or number and the boundaries of the election precincts. Each precinct shall contain, as nearly as practicable, an equal number of voters, based on the number of registered voters in the county. A map and listing of the exact election precinct boundaries shall be filed by the county board of elections with the state board of elections, and any changes in boundaries thereafter made shall also be filed with the state board of elections. A copy of this map indicating all precinct boundaries within the county shall be included in the election supplies of each precinct.

(2) If the county board of elections fails to perform the duty herein required, then the state board of elections or any citizen and voter of the county may apply to the circuit court of the county for a summary mandatory order requiring the board to perform this duty. Appeals may be taken to the Court of Appeals by either party.

(3) The county board of elections shall coordinate all precinct boundary changes with the affected school board, magesterial and municipal boundaries.

Section 9. KRS 117.075 is amended to read as follows:

(1) Any qualified voter who has not been declared incompetent by a court of competent jurisdiction, and who, on account of age, infirmity or illness, is not able to appear at the polls on election day may vote in the following manner. At least seven (7) days prior to the date of the election, he shall present to the clerk by mail *or in person* his verified statement that his inability to appear is due to age, infirmity, or illness, and a verified statement of a physician corroborating the voter's statement and indicating whether or not the condition is temporary, applying to the instant election only, or is expected to be a continuing one. If the condition is indicated as being continuing the voter need not file further statements of disability. For ensuing elections the voter may make reference to the statement previously filed when applying for a special ballot.

The county clerk shall maintain a file of all such statements. Upon receipt of the verified statement, the clerk shall immediately mail to the voter a special ballot, and envelopes, and the voter shall cast his vote in the same manner as provided for the absent voter in KRS 117.335.

(2) Special ballots cast by disabled persons shall be tabulated in the same manner as are special ballots cast by absent voters.

(3) In case of a medical emergency within seven (7) days or less of an election, a registered voter may apply for an absentee ballot. Such application shall state that the emergency condition occurred within the seven (7) day period and must be notarized. The application shall also have attached to it a doctor's or medical facility's statement verifying that the condition exists. The application form shall be restricted to the use of the voter, the voter's spouse, the voter's parents, or the voter's dependent children. Upon receipt of the application and vertification the county clerk shall issue an absentee ballot.

Section 10. KRS 117.075, 1980 Acts, Chapter 396, Section 61, effective July 1, 1982, is amended to read as follows:

(1) Any qualified voter who has not been declared mentally disabled by a court of competent jurisdiction, and who, on account of age, infirmity or illness, is not able to appear at the polls on election day may vote in the following manner. At least seven (7) days prior to the date of the election, he shall present to the clerk by mail *or in person an application containing* his verified statement that his inability to appear is due to age, infirmity, or illness, and a verified statement of a physician corroborating the voter's statement and indicating whether or not the condition is temporary, applying to the instant election only, or is expected to be a continuing one. If the condition is indicated as being continuing the voter need not file further statements of disability. For ensuing elections the voter may make reference to the statement previously filed when applying for a special ballot. The county clerk shall maintain a file of all such statements. Upon receipt of the verified statement, the clerk shall immediately mail to the voter a special ballot, and envelopes, and the voter shall cast his vote in the same manner as provided for the absent voter in KRS 117.087.

(2) In case of a medical emergency within seven (7) days or less of an election, a registered voter may apply for an absentee ballot in person or by mail. Such application shall state that the emergency condition occurred within the seven (7) day period and must be notarized. The application shall also have attached to it a doctor's or medical facility's statement verifying that the condition exists.

(3) The application form shall be in the form prescribed by the state board of elections and shall be obtained from the county clerk by the same manner prescribed in KRS 117.085.

(4)[~~(2)~~] Special ballots cast by disabled persons shall be tabulated in the same manner as are special ballots cast by absent voters.

Section 11. KRS 117.085 is amended to read as follows:

(1) Any qualified voter in any county who will be absent from the county on any election day or any person incarcerated in jail that has been charged for a crime but has yet to be convicted of the said crime may, at any time not less than seven (7) days before the election, make application in person or by mail to the county clerk for a special ballot, except that such application shall be restricted to the use of the voter, the voter's spouse, the voters's parents, or the voter's *dependent* children. The clerk shall type the name of the absent voter on the application form for that person's use and no other. The application form shall be in the form prescribed by the state board of elections, shall bear the seal of the county clerk and shall contain the following information: name, residential address, precinct, party affiliation, statement of absence on election day, statement of compliance with residency requirements for voting in said precinct, and the voter's mailing address for a special ballot. The form shall be verified and signed by the voter. A notice of the penalty provided in KRS 117.995(4) shall be printed on the application.

(2) *Residents of Kentucky, who are members of the armed forces, or dependents of members of the armed forces, may apply for an absentee ballot by means of the federal post card application. Such applications may be used to register, re-register and to apply for an absentee ballot. If the federal post card application is received at any time not less than seven (7) days before the election, the county clerk shall affix his seal to such application form upon receipt.*

(3) If the county clerk finds that the voter is properly registered as stated in his application, he shall immediately mail to the voter a special ballot, two (2) official envelopes for returning the ballot, and instructions for voting. The outer envelope shall bear the words "Absent Voter's Ballot" and the address and official title of the county clerk and shall provide space for the voter's signature, voting address and precinct number. A detachable flap on the inner envelope shall provide space for the voter's signature, voting address, precinct number and notice of penalty provided in KRS 117.995(4). The clerk shall type the voter's address and precinct number in the upper left hand corner of the absent voter's outer envelope and of the detachable flap on the inner envelope immediately below the blank space for the voter's signature. The inner envelope shall be blank. The clerk shall retain the application until thirty (30) days after the election.

(4)[~~(3)~~] A list of persons to whom absent ballots are mailed shall be posted in the clerk's office, for public inspection, and a list shall be included in the supplies sent to each precinct on election day and shall be posted at the polling place throughout the voting hours on election day.

(5)[~~(4)~~] Any person who has been mailed an absent voter's ballot but who shall be in his voting precinct on election day may cancel his absent ballot and vote in person if he appears at the county clerk's office at least seven (7) days prior to election day and returns his absent ballot. Upon such personal appearance of the voter, the clerk shall mark on the outer envelope of the sealed ballot or the unmarked ballot the words "Cancelled because voter appeared to vote in person." Sealed envelopes so marked shall not be opened. The clerk shall remove the voter's name from the list of persons who were sent *absentee* [~~absent~~] ballots, and the voter may vote in the precinct in which he is properly registered.

Section 12. KRS 117.087 is amended to read as follows:

(1) The challenge of an absent voter's ballot must be in writing and in the hands of the county clerk before 3:00 p.m. on election day.

(2) The county board of elections shall count the absentee ballots. The board may appoint a central absentee ballot counting board of not less than three (3) members, who shall be qualified voters and no more than two-thirds (⅔) of which shall be members of the same political party, to count the ballots at the direction of the county board of elections.

(3) Beginning at 3:00 p.m. on election day the board may meet at the clerk's office to count the absentee ballots. Candidates or their representatives shall be permitted to be present. The county board of elections shall authorize representatives of the news media to observe the counting of absent voters' ballots. The board shall open the boxes containing absent voters' ballots and remove the envelopes one (1) at a time. As each envelope is removed, it shall be examined to ascertain whether the outer envelope and the detachable flap are in proper order and have been signed by the absent voter. All unsigned absentee ballots shall be rejected automatically. The clerk shall compare the signatures on the outer envelope and the detachable flap with the signature of the voter that appears on the registration card. If the outer envelope and the detachable flap are found to be in order the clerk shall read aloud the name of the absent voter. If the vote of such voter is not rejected on a challenge then made as provided in subsection (4), the clerk shall then remove the detachable flap and place the inner envelope unopened in a ballot box which has been provided for the purpose.

(4) When the name of an absent voter is read aloud by the clerk, the vote of such voter may be challenged *by any board member or by the written challenge provided in subsection (1) of this section* and the challenge thereto may be determined and the absentee vote accepted or rejected by the board as if the voter was present and voting in person, but if the outer envelope and the detachable flap are regular, and substantially comply with the provisions of this chapter, they shall be considered as showing that the absent voter is prima facie entitled to vote. If the vote of an absent voter is rejected pursuant to the challenge, the outer envelope shall not be opened, and the clerk shall write on the envelope the word "rejected".

(5) After the challenges have been made and all the blank inner envelopes have been placed in a ballot box, the box shall be thoroughly shaken so as to redistribute the ballots in the box. The board shall then open the ballot box, remove the absentee ballots from the inner envelopes, [~~and~~] count *and record* the absentee *ballot votes* [~~ballots~~] on a form provided by the state board.

(6) The county clerk shall retain the ballots, detachable flaps and the outer envelopes for thirty (30) days, at which time they shall be burned by the county board of elections. If a contest or recount proceeding is instituted during said thirty-day period, the ballots shall not be burned but shall be disposed of as directed by the court in which such proceeding was instituted.

(7) The county board of elections shall make public the absentee ballot results after 6:00 p.m.

Section 13. KRS 117.165 is amended to read as follows:

(1) Upon completing the preparation of the machines in accordance with the provisions of KRS 117.155, and not later than three (3) days before the day of the election, the county clerk shall notify the members of the county board of elections that the machines are ready for use. The board shall thereupon convene at the office of the county clerk, not later than two (2) days before the day of the election, and examine the machines to determine whether the requirements of KRS 117.155 have been met. *The county board of elections shall publish notice, in accordance with KRS 424.130(1)(d), at least twenty-four (24) hours in advance of the time when the machines are to be examined by the board. The county board of elections shall publish notice, in accordance with KRS 424.130(1)(d) at least twenty-four (24) hours in advance of the time when the machines are to be examined by the board.* [~~Written notice at least twenty-four (24) hours in advance shall be given by the board to all candidates and political parties of the time when the machines are to be examined.~~] If found in proper order, the members of the county board of elections shall endorse their approval in the book in which the county clerk has entered the numbers of the machines opposite the numbers of the precincts. The clerk shall then deliver all of the keys to the machines to the county board of elections who shall give a receipt for the keys which shall contain identification of such keys. Not later than one (1) hour before the time set for the opening of the polls, the board shall deliver all election supplies including the precinct list, tabulation sheets and the key to the device covering the registering counters and such other keys as may be necessary for the operation of the machine in registering votes, to

the election officers of the precinct in which the machine is being used, who shall give the board receipt therefor containing identification of such keys. The master key and all other keys shall remain in the possession of the county board of elections.

(2) [~~Where a vacancy in a candidacy occasioned by the death, removal or resignation of a candidate before the election and after the ballot labels have been prepared is filled by the chairman of the state, district or county political organization as provided by law, the chairman shall furnish to the county clerk a sufficient number of printed ballot labels bearing the name of the new candidate to replace those bearing the name of the candidate with respect to which the vacancy has occurred. If such ballot labels are furnished to the clerk before the machines are delivered to the election precincts, the clerk shall cause them to be inserted in the proper ballot frames. If they are furnished after the machines have been delivered to the election precincts, the county clerk shall cause the ballot labels to be delivered to the clerk of each precinct, with directions as to insertion in the proper ballot frames.~~

~~(3)~~] Any candidate, and one representative of each political party having candidates, to be voted for at the election *and representatives of the news media*, may be present when the examination of the machines is made by the county board of elections.

Section 14. KRS 117.185 is amended to read as follows:

(1) Not less than four (4) days before the day of any election, the county board of elections shall call together the officers of election of each precinct and instruct them *on the duties and responsibilities of conducting elections* [~~in the use of the voting machines~~]. No election officer, upon being notified to appear for instruction, shall fail [~~without just cause~~] so to do. If any officer does so fail to appear, the board *shall immediately appoint some other qualified person who shall appear for instruction and serve in the upcoming election. Such person shall be appointed* [~~may appoint and instruct some other qualified person,~~] from the same list from which the defaulting officer was appointed, to act in place of the defaulting officer.

(2) Compensation in the minimum amount of *ten dollars ($10)* [~~five dollars ($5)~~] shall be paid by the county to the election officers for attending the instruction session.

Section 15. KRS 117.235 is amended to read as follows:

(1) No person, other than the election officers and challengers, shall be permitted within the voting room while the vote is being polled, except for the purpose of voting or except by authority of the election officers to keep order and enforce the law.

(2) No officer of election shall do any electioneering on election day.

(3) No person shall do any electioneering at the polling place on election day unless the fiscal court or legislative body of an urban-county government specifically authorizes by ordinance on a county wide basis electioneering and establishes the distance from the polling place where such electioneering may be permitted, but in no case shall electioneering be allowed within a fifty (50) foot perimeter of the voting machine. Electioneering shall include the displaying of signs, the distribution of campaign literature, cards or handbills, the soliciting of signatures to any petition, or the solicitation of votes for or against any candidate or question on the ballot in any manner.

(4) No voter shall be permitted to converse with others while in the voting room concerning their support or nonsupport of any candidate, party or issue to be voted on, except as provided in KRS 117.255.

(5) The election sheriff, under the supervision of the precinct election judges, shall maintain law and order within a fifty (50) foot perimeter of the voting machine. Assistance may be requested of any law enforcement officer.

Section 16. KRS 117.245 is amended to read as follows:

(1) The fact that a person is registered constitutes only prima facie evidence of his right to vote and does not prevent the officers of any election from refusing to allow him to vote for cause.

(2) When the officers of an election disagree as to the qualifications of a voter or if his right to vote is disputed by a challenger, the voter shall sign a written oath as to his qualifications before he is permitted to vote. The oath shall be in such form as prescribed by the state board of elections and twenty (20) printed copies shall be included in the election supplies of each precinct.

(3) The subscribed oaths shall be returned to the county clerk who shall deliver them to the *commonwealth's attorney* [~~grand jury~~].

(4) The commonwealth's attorney and county attorney shall investigate each of the oaths and cause to be summoned before the grand jury the witnesses they or either of them, deem proper, and the grand jury shall make a thorough investigation of all votes so cast, and return indictments against all persons illegally voting. The foreman of the grand jury shall return to the county clerk all of the oaths upon which no indictments are found. The clerk shall safely keep them as a part of the records of his office, and shall produce any or all of them, when required, to any subsequent grand jury.

Section 17. KRS 117.255 is amended to read as follows:

(1) *Prior to entering the polling booth* the voter shall be instructed by the officers of election, with the aid of the instruction cards and the mechanical model, in the use of the machine, if the voter so requests.

(2) No voter shall be permitted to receive any assistance in voting at the polls unless he makes and signs an oath that, by reason of inability to read English, or [~~by reason of blindness or~~] other physical disability he is unable to vote without assistance. Upon making and filing with the judges such oath, the voter shall retire to the voting machine, with the judges, and one of the judges shall then, in the presence of the other and the voter, operate the machine as the voter directs. The disabled person applying to vote may, if he prefers, be assisted by *his spouse, parent or child, who is not an election officer or candidate* [~~a person of his own choice who is not an election officer~~]. The clerk shall swear the person accompanying the disabled [~~or blind~~] voter to operate the voting machine in accordance with the directions of the disabled [~~or blind~~] voter, and the disabled [~~or blind~~] voter and the person sworn shall then enter the voting booth and the one so sworn shall operate the machine for the disabled [~~or blind~~] voter as he directs. No voter shall be assisted under this subsection unless the judges and the sheriff of election are satisfied of the truth of the facts stated in the oath. The voter shall state in his oath the specific physical disability that requires him to receive assistance, and the judges of election shall enter in writing, on a record of assisted voters, the voter's name and the specific physical disability which required him to receive assistance.

(3) No voter shall be permitted to occupy the voting machine more than two (2) minutes if other voters are waiting to use it.

(4) In primary elections, before a voter is permitted to use the voting machine, a judge of the election shall adjust the machine so that the voter will only be able to vote for the persons for whom the voter is qualified to vote.

(5) If the machine is so constructed as to require adjustment after one (1) person has voted before another person may vote, the judges of election shall so adjust it after each person has voted.

(6) The election officers shall constantly maintain a watch in order to prevent any person from voting more than once.

(7) In elections for president and vice president, if a voter is eligible to vote only for the office of president and vice president a judge of the election shall adjust the machine so that the voter will only be able to vote for president and vice president.

(8) If supplemental paper ballots have been approved, as provided in KRS 118.215, the voter shall vote his ballot in privacy in a booth provided for that purpose by the county clerk. If the voter spoils his ballot, he shall return the spoiled paper ballot to an election official who shall stamp the ballot "Spoiled", initial and place the spoiled ballot in an envelope provided for that purpose. The voter shall then be issued a second supplemental paper ballot. Upon completion of voting, the voter shall remove the numbered stub from the ballot, hand the stub to an election official and deposit the voted ballot in the locked ballot box in the presence of precinct election officials.

Section 18. KRS 117.265 is amended to read as follows:

(1) A voter may, at any general or special election, cast a write-in vote for any person whose name does not appear upon the ballot label as a candidate, by writing the name of his choice upon the appropriate device for the office being voted on provided on the voting machine as required by KRS 117.125. An absentee voter may write-in a vote for any person whose name does not appear upon the special ballot, by writing the name of his choice under the office.

(2) Two (2) election officers of opposing parties shall upon the request of any voter instruct such voter on how to cast a write-in vote.

(3) This provision does not apply to elections for president and vice-president of the United States where the vote is cast for presidential electors rather than the candidate, nor does it apply to elections for municipal offices conducted pursuant to KRS 83A.170.

Section 19. KRS 117.305 is amended to read as follows:

The canvass and returns provided for in KRS 117.275 shall constitute the official returns of the precinct, unless within ninety-six (96) hours after the close of the polls a candidate *makes a written* [~~shall in writing~~] request *to* the county board of elections to check and recanvass the voting machines *and absentee ballot* of any precinct or any number of precincts *involving his race. After this time period has elapsed* [~~When such a request has been made~~] the election commission shall immediately assemble and recheck and recanvass each machine and make a proper return thereof to the county clerk, in which event the canvass and return shall become the official returns for the election. In making the recanvass the board shall make a record of the number of the seal upon the voting machine and without unlocking the machine against voting, recanvass the vote cast thereon. If, upon a recanvass, it is found that the original canvass of the returns has been correctly made from the machine, and that there still remains a discrepancy unaccounted for *this discrepancy shall be noted* [~~, the board with the assistance of the county clerk, shall unlock the voting and counting mechanism of the machine, and shall proceed thoroughly to examine and test the machine to determine and reveal the true cause, if any, of the discrepancy in returns of the machine~~]. *The registering counter of each candidate who requested a recanvass and the counter of the candidate's opponent* [~~Each registering counter~~] shall be reset at zero before it is tested, after which it shall be operated at least one hundred (100) times. [~~After the completion of the examination and test, the county clerk shall then and there prepare a~~

~~statement, in writing, giving in detail the result of the examination and test and statement which shall be witnessed by the persons present, and shall be filed with the board.~~] If, upon recanvass, it appears that the original canvass of the returns by the election officers was incorrect, the returns and all papers being prepared by the board shall be corrected accordingly, except that there shall be no change in the vote of any candidate from that originally certified unless such candidate was actually notified. At the recanvass, each political party represented on the board may appoint a representative there to be its governing body, and also each candidate to be voted for may be present either in person or by a representative or both. The county board of elections shall authorize representatives of the news media to observe the recanvass of the votes cast on the voting machine in each precinct. Nothing in this section shall prohibit an individual from requesting, in addition to a recanvass, a recount as authorized by KRS chapter 120.

Section 20. KRS 117.345 is amended to read as follows:

(1) The cost of all elections held in any county shall be allowed by the fiscal court and paid by the county treasurer except as otherwise provided by law.

(2) When the cost of any election has been allowed by the fiscal court and paid by the county treasurer, and within sixty (60) days following the date of the election, the county treasurer shall certify the amount of such expenses, indicating each item of expense separately, together with a statement of the number of precincts in the county, the date and kind of election to the state board of elections. The certification shall be filed within ninety (90) days after the election. Upon receipt of the certification and upon being satisfied as to the correctness thereof, the state board of elections shall issue its warrant upon the state treasurer in favor of the county treasurer for the amount of *one hundred twenty-five dollars ($125)* [~~eighty-five dollars ($85.00)~~] for each precinct in the county. All sums paid under this section shall be in addition to any sum paid by the state for ballot paper in elections.

(3) Payments to any county under the provisions of subsection (2) of this section shall be terminated if and whenever it fails to renew a lease, contract, or lease and option with the state property and buildings commission executed in connection with the acquisition of voting machines by the commission for the use of such county; and payments to any county shall be terminated whenever such county fails to pay any part of the rentals required for any effective period of the lease.

Section 21. KRS 118.105 is amended to read as follows:

(1) Except as provided in subsections (3) and (4) of this section and in KRS 118.115, every political party shall nominate all of its candidates for elective offices to be voted for at any regular election at a primary election held as provided in this chapter, and the governing authority of any political party shall have no power to nominate any candidate for any elective office or to provide any method of nominating candidates for any elective office other than by primary elections as provided in this chapter.

(2) Any political organization not constituting a political party as defined in KRS 118.015 may make its nominations as provided in KRS 118.325.

(3) If a vacancy occurs in the nomination of an unopposed candidate or in a nomination made by the primary before the ballots are printed for the regular election, the governing authority of the party may provide for filling the vacancy. When such a nomination has been made, the certificate of nomination shall be signed by the chairman and secretary of the governing authority of the party making it, and shall be filed in the same manner as certificates of nomination at a primary election.

(4) This section does not apply to candidates for [~~subdistrict school trustees,~~] members of boards of education, members of the legislative bodies of cities of the fifth or sixth class, or presidential electors, nor to candidates for mayor or commissioner in cities of the fourth class operating under the commission form of government and in cities of the second, third or fourth class operating under the city manager form of government.

Section 22. KRS 118.125 is amended to read as follows:

(1) Except as provided in KRS 118.155, any person who is qualified under the provisions of KRS 116.055 to vote in any primary election for the candidates for nomination by the party at whose hands he seeks the nomination, shall have his name printed on the official ballot of his party for an office to which he is eligible in that primary, upon filing, with the proper officer at the proper time, a notification and declaration.

(2) The notification and declaration shall be in the form prescribed by the state board of elections. The declaration shall be subscribed and sworn to by the person making it, before an officer authorized to administer an oath.

(3) At the time of filing his notification and declaration, the candidate shall file therewith an affidavit of two (2) reputable electors who are members of the party to which the candidate belongs. The affidavit shall be in the form prescribed by the state board of elections.

(4) The notification and declaration and the accompanying affidavits may be on the same or separate sheets, but shall be filed together. When so filed with the proper officer, and certified according to KRS 118.165, the officer shall have the candidate's name printed on the ballot according to the provisions of this chapter.

(5) Titles, ranks or spurious phrases shall not be accepted on the filing papers and shall not be printed on the ballots as part of the candidate's name; however, nicknames, initials and contractions of given names may be acceptable as the candidate's name.

Section 23. KRS 118.165 is amended to read as follows:

(1) Candidates for offices to be voted for by the electors of one county or of a district less than one county, except members of congress and members of the general assembly, shall file their nomination papers with the county clerk of the county not less than fifty-five (55) days before the day fixed by law for holding the primary election. Candidates for *all state* offices [~~to be voted for by the electors of more than one county, and for members of congress and members of the general assembly,~~] shall file their nomination papers with the secretary of state not less than fifty-five (55) days before the day fixed by law for holding the primary election.

(2) The secretary of state or the county clerk shall examine the notification and declaration form of each candidate. Section 24. KRS 118.215 is amended to read as follows:

If the same device is selected by two groups of petitioners, it shall be given to the first selecting it and the county clerk shall permit the other group to select a suitable device. *This section does not apply to candidates for municipal offices which comes under subsection (3) of this section.*

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 13 IS CREATED TO READ AS FOLLOWS:

(1) When an administrative body finds that an emergency exists, the Governor may issue an executive order that the regulation becomes effective immediately upon being filed in the office of the Legislative Research Commission; provided, however, that when an emergency regulation is filed with the Legislative Research Commission, the same regulation shall be submitted for review as provided by Sections 2 and 3 of this Act. Within sixty (60) days after an emergency regulation is filed under this subsection, the subcommittee shall review the emergency regulation and may recommend that the Governor revoke such regulation. The subcommittee and the interim committee with appropriate jurisdiction may also review an emergency regulation at any time while it is in effect and may recommend that the Governor revoke such regulation.

(2) An emergency regulation shall expire when final action is taken on the same regulation submitted for review as provided by Sections 2 and 3 of this Act.

(3) When the subcommittee or the appropriate interim committee or the General Assembly has objected to a proposed regulation, that regulation shall not be filed as an emergency.

Section 2. KRS 13.085 is amended to read as follows:

(a) The proposed regulation has been published in the administrative register as required by KRS 13.096; and

(b) A public hearing is held, if requested, by a person having an interest in the subject matter, within thirty (30) days following publication of proposed regulation, as provided by subsection *(3)* [~~(4)~~] of this section; provided, however, that if no public hearing is requested within thirty (30) days of publication the regulation shall be submitted to the administrative regulation review subcommittee; and

(c) The proposed regulation has been reviewed and accepted by the administrative regulation review subcommittee as required by KRS 13.087; or

The general assembly hereby declares that it is the state policy that emergencies are held to a minimum. Within sixty (60) days after an emergency regulation is filed under this subsection, the subcommittee shall review the emergency regulation and may recommend that the governor revoke such regulation. The subcommittee and the interim committee with appropriate jurisdiction may also review an emergency regulation at any time while it is in effect and may recommend that the governor revoke such regulation.~~

Section 3. KRS 13.087 is amended to read as follows:

(1) There is hereby created a permanent subcommittee of the legislative research commission to be known as the administrative regulation review subcommittee. The subcommittee shall be composed of seven (7) members, no more than five (5) of whom shall be members of the same political party. The legislative research commission shall appoint from the membership of the general assembly, the members of the subcommittee for terms of two (2) years, and the members so appointed shall elect one (1) of their number to serve as chairman. Any vacancy which may occur in the membership of the subcommittee shall be filled by the legislative research commission at its next regularly scheduled meeting after the occurrence of the vacancy.

(3) Any professional, clerical or other employes required by the subcommittee shall be provided in accordance with the provisions of KRS 7.090(4) and (5).

(4) Prior to filing, all regulations shall be submitted to the administrative regulation review subcommittee to determine if the regulation conforms to the statutory authority under which it was promulgated and if it carries out the legislative intent of the statutory authority under which it was promulgated. If the subcommittee finds that a regulation conforms to such statutory authority and carries out such legislative intent, the subcommittee shall accept the regulation. The subcommittee's finding that a regulation does not conform to the statutory authority or carry out the legislative intent shall be reported to the promulgating administrative body and to the director of the legislative research commission. In the event the subcommittee determines that a regulation, other than an emergency filing approved by the governor, does not conform to the statutory authority, or does not coincide with the legislative intent, the subcommittee shall attach to the regulation a written notation of its objection, including a statement of the reasons therefor, and shall return the regulation to the promulgating administrative body. Notice of such objection shall be given by the subcommittee to the director of the legislative research commission. The subcommittee shall act on a regulation submitted to the legislative research commission within *forty (40) days of date of publication of the regulation in the Administrative Register, except as provided in subsection (3) of Section 2 of this Act* [~~thirty (30) days of the submission of the regulation~~].

(5) The promulgating administrative body may revise a regulation to comply with the subcommittee's objections, and may return the revised regulation to the subcommittee, or it may return the regulation *within thirty (30) days of the subcommittee's objection*, with the subcommittee's notation attached, without change. The subcommittee shall act upon a revised regulation in the manner prescribed by subsection (4) of this section. The legislative research commission shall immediately accept a revised regulation as filed if it is not objected to by the subcommittee.

(6) In the event that the general assembly is not in regular session and an administrative body returns a regulation, objected to by the subcommittee, to the legislative research commission without change, the regulation shall be referred by the director to the interim committee with appropriate jurisdiction as determined by the rules of the house and senate in effect during the most recent session of the general assembly. If the general assembly is in regular session when an administrative body returns a regulation, objected to by the subcommittee, without change, the regulation shall be laid before the house of representatives and senate in accordance with subsection (9) of this section.

(7) The interim committee to which a regulation is referred under subsection (6) of this section shall review the regulation in the same manner as did the administrative regulation review subcommittee and shall not expand its review beyond determining whether the regulation conforms to the statutory authority under which it was promulgated and whether the regulation carries out the legislative intent of the statute it seeks to implement. If the interim committee finds that the regulation conforms to such statutory authority and carries out such legislative intent, the committee shall accept the regulation. In the event the interim committee determines that a regulation does not conform to the statutory authority under which it was promulgated, or does not coincide with the legislative intent of the statute it seeks to implement the interim committee shall attach to the regulation a written notation of its objection, including a statement of the reasons therefor, and the director shall return the regulation to the promulgating administrative body. Notice of such objection shall be given by the interim committee to the director of the legislative research commission. The interim committee shall act on a regulation submitted in accordance with this section within thirty (30) days of the date the administrative body returns the regulation; provided, however, if there is no authorized meeting of

the interim committee within such thirty (30) day period, the legislative research commission shall take action on the returned regulation in the same manner herein described at its next regularly scheduled meeting.

(8) The subcommittee shall report monthly to the legislative research commission all action taken on administrative bodies' regulations. The director of the legislative research commission shall report to the commission all action taken by the interim committee.

(9) All proposed regulations not accepted by the subcommittee or interim committee together with the notations of the subcommittee's and the interim committee's objection shall be transmitted by the director to the clerk of the senate and the clerk of the house of representatives at the then-current or next succeeding regular session of the general assembly. The clerk of the senate and the clerk of the house of representatives shall lay all regulations so transmitted before the senate and the house of representatives, respectively, provided that in no case shall a regulation be laid before the general assembly within ten (10) legislative days of sine die adjournment unless so ordered by the general assembly. Proposed regulations not accepted by the subcommittee or interim committee that have been properly laid before the general assembly shall become effective upon sine die adjournment of the general assembly unless the general assembly in regular session shall disapprove the proposed regulation.

(10) Notwithstanding any other provision of this section or KRS 13.085, the general assembly may, during regular sessions and by concurrent resolution:

(a) Require any proposed regulation or proposed revised regulation that has been submitted to the legislative research commission, whether or not the subcommittee has acted on such regulation, to be laid before the general assembly, whereupon subsection (9) of this section shall apply to the regulation; or

(b) Require any regulation then in effect to be laid before the general assembly and may declare the regulation void by enacting a bill or joint resolution voiding the regulation.

Section 4. KRS 13.115, File of ineffective regulations to be kept, is repealed.

Section 5. Whereas, emergency regulations now in effect expire on sine die adjournment of the 1982 General Assembly, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor.

(3) If the credit or credits referred to in subsections (1) and (2) would expire solely by reason of the lapse of time allowed in subsection (2), then the balance of any credit shall be refunded to the licensee, provided application therefor and all necessary information shall be filed with the *department* [~~bureau~~] within sixty (60) days after the time the credit would otherwise expire as provided in subsection (2) except a credit shall not be refunded to the licensee, where, as estimated by the *department* [~~bureau~~], the cost to the *department* [~~bureau~~] of making the refund would exceed the amount of the refund.

(4) In order to facilitate administration of the credits and refunds allowed herein, the *department* [~~bureau~~] shall prescribe what records must be kept by the licensee or any other person and the *department* [~~bureau~~] shall also prescribe the form and content of said records and any reports to be made relative thereto.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 160.470 is amended to read as follows:

(1) Each district board of education shall prepare a general school budget on forms prescribed and furnished by the state board for elementary and secondary education, showing the amount of money needed for current expenses, debt service, capital outlay, and other necessary expenses of the schools during the succeeding fiscal year, the estimated total amount that will be received from the common school fund and other sources, the assessed valuation of property subject to local taxation in the school district furnished as provided in subsection (3) of KRS 160.460, an estimate made by the department of revenue of public service company assessments and assessments of other property in the school district not furnished under the provisions of subsection (3) of KRS 160.460, and the amount that will be needed to be raised by local taxation, including the rate of levy necessary to raise such an amount.

(2) (a) Notwithstanding any statutory provisions to the contrary, no district board of education shall levy a general tax rate[~~, voted general tax rate, or voted building tax rate for 1979-80~~] which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be produced by application of the maximum general tax rate[~~, voted general tax rate, or voted building tax rate, respectively,~~] that could have been levied in *the previous year* [~~1978-79, to the 1978-79 assessment~~], except as provided in KRS 157.565. In succeeding years, no district board of education shall levy a general tax rate[~~, a voted general tax rate, or a voted building tax rate~~] which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be produced by application of the *maximum* general tax rate[~~, maximum voted general tax rate, or maximum voted building tax rate, respectively,~~] that could have been levied in the preceding year to the preceding year's assessment, except as provided in KRS 157.565.

(b) In the event that an election is held as provided for in KRS 132.017 and the question on the ballot should fail, such failure shall not reduce the ". . .general tax rate[~~, maximum voted general tax rate, or maximum voted building tax rate, respectively,~~] that could have been levied in the preceding year. . .", referred to in subsection (2)(a) of this section, for purposes of computing the general tax rate[~~, voted general tax rate, or voted building tax rate~~] for succeeding years.

In the event of a merger of school districts, the limitations contained in this section shall be based upon the combined revenue of the merging districts, as computed under the provisions of this section.

(3) No district board of education shall levy a general tax rate[~~, voted general tax rate, or voted building tax rate~~] within the limits imposed in subsection (2) of this section which respectively exceeds the compensating tax rate defined in KRS 132.010, except as provided in KRS 157.565, until the district board of education has complied with the provisions of subsection (10) of this section.

(4) The superintendent of public instruction shall certify to each district board of education, by June 30 of each year, the following:

(c) The general tax rate[~~, voted general tax rate, or voted building tax rate~~] which will produce[~~, respectively,~~] no more revenue from real property, exclusive of revenue from new property, than four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010 , and the amount of revenue expected to be produced [~~by each~~].

(5) Upon completion of action on property assessment data the department of revenue shall submit to the superintendent of public instruction, certified property assessment data as required in KRS 133.125.

(6) Within thirty (30) days after the district board of education has received its assessment data, three (3) copies of the budget shall be forwarded to the state board for elementary and secondary education for its approval or disapproval. The failure of the district board of education to furnish the budget within the time prescribed shall not invalidate any levy made thereafter.

(7) The budget shall be disapproved by the state board for elementary and secondary education if it is financially unsound or fails to provide for:

(a) Payment of maturing principal of and interest on any outstanding voted school improvement bonds of the school district authorized and issued pursuant to KRS 162.080 and 162.090, with the written approval of the state board for elementary and secondary education, or

In such event the district board of education shall amend its budget, within the limitations of this section, to obviate the reasons for disapproval and resubmit the budget to the state board for elementary and secondary education for its final approval.

(8) If the budget as amended specifies a tax levy different from that levied under the disapproved budget, the tax-levying authority shall amend its levy in accordance therewith, so that the levy as amended shall comply with the provisions of subsection (1) of KRS 160.460. No general school budget shall become effective and no ad valorem levy shall be made until approved by the state board for elementary and secondary education.

(9) Each district board of education shall, if required by the state board for elementary and secondary education, prepare and submit to it not later than September 15, a close estimate or working budget which shall conform to the rules and regulations prescribed by the state board for elementary and secondary education, and which shall be consistent in its major divisions with the general school budget previously prepared.

The hearing shall be held in the principal office of the taxing district, or, in the event the taxing district has no office, or the office is not suitable for such a hearing, the hearing shall be held in a suitable facility as near as possible to the geographic center of the district.

Section 32. KRS 324.410 is amended to read as follows:

The purposes of the real estate education, research and recovery fund shall be as follows:

(1) Wherever a licensee, *acting in the capacity of a licensee,* has been duly found guilty of *fraud in the violation of* [~~violating any~~] one or more of the provisions of KRS 324.160 [~~and/or any one or more of the rules and regulations duly promulgated by the commission~~], and upon the conclusion of a final order entered by the commission, or by the courts, if appealed, the commission is authorized to pay to the aggrieved person or persons an aggregate amount not to exceed *twenty thousand dollars ($20,000)* [~~$10,000.00~~] against any one licensee, provided that the licensee has refused to pay such claim within a period of 20 days of entry of a final order and provided further that the amount or amounts of money in question are certain and liquidated.

(2) The commission shall maintain a minimum level of *four hundred thousand dollars ($400,000)* [~~$200,000.00~~] for recovery and guaranty purposes. These funds may be invested and reinvested in the same manner as funds of the state employes' retirement system and the interest from said investments shall be deposited to the credit of the real estate education, research and recovery fund. Sufficient liquidity, however, will be maintained so that there will be money available to satisfy any and all claims which may be processed through the commission through the means of formal administrative hearing as outlined in this chapter.

(3) The commission, in its discretion, may use any and all funds in excess of the *four hundred thousand dollars ($400,000)* [~~$200,000.00~~] level, regardless of whether it is from the real estate education, research and recovery fund fees or accrued interest thereon, for the following purposes:

(a) To carry out the advancement of education and research in the field of real estate for the benefit of those licensed under the provisions of this chapter and the improvement and making even more efficient the real estate industry as such;

(b) To underwrite educational seminars, caravans and other forms of educational projects for the use and benefit generally of real estate licensees;

(4) Within sixty (60) days after the end of each fiscal year, the commission shall mail to each licensee a statement of income and expenses of the real estate education, research and recovery fund, the details of which have been approved by the secretary of the department of finance.

Section 33. KRS 324.420 is amended to read as follows:

(1) *An aggrieved party must commence an action which may result in collection from the recovery fund by first filing with the commission on a form prepared by the commission. The commission shall hold a hearing pursuant to the requirements set forth in KRS 324.170 through 324.200 to determine if a violation of this chapter has in fact occurred. If a violation of fraud is so found, the commission shall determine if the violation resulted in damages to complainant and in what amount. If damages cannot be accurately determined, then the amount of damages shall be determined by a circuit court in the county where the violation took place. In the event the question of damages is referred to the circuit court, the decision of the commission will not be final and appealable until the question of damages is certifiable.* [~~In the event that a licensee is found guilty of one or more provisions of KRS 324.160 and/or one or more rules and regulations of the commission, and if the amount of the money lost by the aggrieved party or parties is in dispute or cannot be determined accurately, then said amount of damages shall be determined by a circuit court in the county where the alleged violation took place, provided that the commission has previously determined that a violation of the license laws and/or rules and regulations has occurred and a final order has been entered.~~]

(2) *Upon final judgment by the commission or upon certification to the commission by the circuit court on the issue of damages, and after the licensee has refused to pay the claim within a period of twenty (20) days of entry of a final order, the aggrieved party or parties shall be paid the amount or amounts by the commission from the recovery fund.* [~~If such an order has been entered and the real estate license rights of the licensee have been finally adjudicated, then the local circuit court shall make a finding as to the damages and/or amounts of money involved growing out of the aforesaid violation or violations.~~]

(3) *The license of the licensee against whom the claim was made by the aggrieved party shall be suspended or may be permanently revoked until such time as the licensee has reimbursed the recovery fund in full for all amounts paid, plus interest at the rate of ten percent (10%) per annum.* [~~When a final order has been entered by the circuit court or Court of Appeals, and upon certification to the commission, the aggrieved party or parties shall be paid such amount or amounts by the commission and the real estate license~~

~~against whom the claim was made by the aggrieved party shall be suspended until such time as the licensee has reimbursed the Real Estate Education, Research and Recovery Fund for all amounts paid to the aggrieved party due to the violation of the licensee.~~]

(4) *Any party aggrieved by a final decision of the commission may appeal to the Franklin Circuit Court within thirty (30) days from the time the decision was rendered. The commission shall have the right to enter an appearance, intervene in, or defend the action and may also appeal from any judgment entered against a licensee in that initial appeal.*

(5) [~~When~~] Upon the final order of the court, *and after* the commission has paid from the real estate education, research and recovery fund any sum to the aggrieved party, the commission shall be subrogated to all of the rights of the aggrieved party to the extent of the payment. [~~and~~] The aggrieved party shall to the extent of the payment assign his right, title and interest in the judgment to the commission. *After such assignment, the commission may challenge in bankruptcy court any attempt by a former licensee to discharge the debt, if proper notice is given. Any funds recovered by the commission shall be deposited in the real estate education, research and recovery fund.*

(6) No aggrieved party shall be entitled to recover compensation from the real estate education, research and recovery fund unless the action against the licensee is commenced within two (2) years from actual knowledge of the cause of action or from such time as circumstanes should reasonably have put the aggrieved party on notice of such cause of action.

(7) For purposes of this section an "aggrieved party" shall mean either:

(a) A member of the consumer public who stands in a direct relationship to the licensee, i.e., one who demonstrates an interest in purchasing, leasing, renting, or otherwise securing an interest in real estate through a licensee; or

(b) One who directly engages the services of a licensee for purposes of selling, leasing, renting, or otherwise dealing in their own property.

(8) If at any time the money on deposit in the real estate education, research and recovery fund is insufficient to satisfy any duly authorized claim or portion thereof, the commission shall, when sufficient money has been deposited in the real estate education, research and recovery fund, satisfy such unpaid claim or portions thereof, in the order that such claims or portions were originally filed, plus accumulated interest at the rate of ten percent (10%) per annum.

(9)[~~(5)~~] Any funds in excess of the *four hundred thousand dollar ($400,000)* [~~$200,000.00~~] level [~~and~~] which are not being currently used, may be invested and reinvested as set forth in subsection (2) of KRS 324.410.

In succeeding years,~~] no district board of education shall levy a general tax rate, a voted general tax rate, or a voted building tax rate which will produce more revenue, exclusive of revenue from net assessment growth as defined in KRS 132.010, than would be produced by application of the *maximum* general tax rate, maximum voted general tax rate, or maximum voted building tax rate, respectively, that could have been levied in the preceding year to the preceding year's assessment, except as provided in KRS 157.565*; and except that a district board of education having no certified current year assessment by November 1, may levy and collect taxes on a rate up to and including the maximum general tax rate, voted general tax rate, or voted building tax rate which was levied the previous year on the assessment for that year plus net assessment growth for the current year.*

SB 204, AN ACT relating to corporations.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 271A IS CREATED TO READ AS FOLLOWS:

(1) As used in this section:

(a) "Director" means any person who is or was a director of the corporation and any person who, while a director of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employe or agent of another foreign or domestic corporation, partnership, joint venture, trust, other enterprise or employe benefit plan.

(b) "Corporation" includes any domestic or foreign predecessor entity of the corporation in a merger, consolidation or other transaction in which the predecessor's existence ceased upon consummation of such transaction.

(c) "Expenses" include attorneys' fees.

(d) "Official capacity" means:

1. When used with respect to a director, the office of director in the corporation, and

2. When used with respect to a person other than a director, as contemplated in subsection (9) of this section, the elective or appointive office in the corporation held by the officer or the employment or agency relationship undertaken by the employe or agent in behalf of the corporation,

but in each case does not include service for any other foreign or domestic corporation or any partnership, joint venture, trust, other enterprise, or employe benefit plan.

(e) "Party" includes a person who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(f) "Proceeding" means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

(2) A corporation shall have power to indemnify any person made a party to any proceeding by reason of the fact that he is or was a director if:

(a) He conducted himself in good faith; and

(b) He reasonably believed:

1. In the case of conduct in his official capacity with the corporation, that his conduct was in its best interests; and

2. In all other cases, that his conduct was at least not opposed to its best interests; and

3. In the case of any criminal proceeding, he had no reasonable cause to believe his conduct was unlawful.

Indemnification may be made against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the person in connection with the proceeding, except that if the proceeding was by or in the right of the corporation, indemnification may be made only against such reasonable expenses and shall not be made in respect of any proceeding in which the person shall have been adjudged to be liable to the corporation. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, be determinative that the person did not meet the requisite standard of conduct set forth in this subsection.

(3) A director shall not be indemnified under subsection (2) of this section in respect of any proceeding charging improper personal benefit to him, whether or not involving action in his official capacity, in which he shall have been adjudged to be liable on the basis that personal benefit was improperly received by him.

(4) Unless limited by the articles of incorporation:

(a) A director who has been wholly successful, on the merits or otherwise, in the defense of any proceeding referred to in subsection (2) of this section, shall be indemnified against reasonable expenses incurred by him in connection with the proceeding; and

(b) A court of appropriate jurisdiction, upon application of a director and such notice as the court shall require, shall have authority to order indemnification in the following circumstances:

1. If it determines a director is entitled to reimbursement under subsection (4)(a) of this section, the court shall order indemnification, in which case the director shall also be entitled to recover the expenses of securing such reimbursement; or

2. If it determines that the director is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not he has met the standard of conduct set forth in subsection (2) of this section or has been adjudged liable in the circumstances described in subsection (3) of this section, the court may order such indemnification as the court shall deem proper, except that indemnification with respect to any proceeding by or in the right of the corporation or in which liability shall have been adjudged in the circumstances described in subsection (3) of this section shall be limited to expenses.

A court of appropriate jurisdiction may be the same court in which the proceeding involving the director's liability took place.

(5) No indemnification under subsection (2) of this section shall be made by the corporation unless authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because he has met the standard of conduct set forth in subsection (2) of this section. Such determination shall be made:

(a) By the board of directors by a majority vote of a quorum consisting of directors not at the time parties to the proceeding; or

(b) If such a quorum cannot be obtained, then by a majority vote of a committee of the board, duly designated to act in the matter by a majority vote of the full board (in which designation directors who are parties may participate), consisting solely of two (2) or more directors not at the time parties to the proceeding; or

(c) By special legal counsel selected by the board of directors or a committee thereof by vote as set forth in subsection (5)(a) or (b) of this section, or, if the requisite quorum of the full board cannot be obtained therefor and such committee cannot be established, by a majority vote of the full board (in which selection directors who are parties may participate); or

(d) By the shareholders.

Authorization of indemnification and determination as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible, except that if the determination that indemnification is permissible is made by special legal counsel, authorization of indemnification and determination as to reasonableness of expenses shall be made in a manner specified in subsection (5)(c) of this section in the preceding sentence for the selection of such counsel. Shares held by directors who are parties to the proceeding shall not be voted on the subject matter under this subsection.

(6) Reasonable expenses incurred by a director who is a party to a proceeding may be paid or reimbursed by the corporation in advance of the final disposition of such proceeding upon receipt by the corporation of:

(a) A written affirmation by the director of his good faith belief that he has met the standard of conduct necessary for indemnification by the corporation as authorized in this section, and

(b) A written undertaking by or on behalf of the director to repay such amount if it shall ultimately be determined that he has not met such standard of conduct, and

after a determination that the facts then known to those making the determination would not preclude indemnification under this section. The undertaking required by subsection (6)(b) of this section shall be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make repayment. Determinations and authorizations of payments under this subsection shall be made in the manner specified in subsection (5) of this section.

(7) A corporation, in addition, shall have the power to indemnify and to advance expenses to a director to such further extent, consistent with law, as may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors or contract. Nothing contained in this section shall limit the corporation's power to pay or reimburse expenses incurred by a director in connection with his appearance as a witness in a proceeding at a time when he has not been made a named defendant or respondent in the proceeding.

(8) For purposes of this section, the corporation shall be deemed to have requested a director to serve an employe benefit plan whenever the performance by him of his duties to the corporation also imposes

duties on, or otherwise involved services by, him to the plan or participants or beneficiaries of the plan; excise taxes assessed on a director with respect to an employe benefit plan pursuant to applicable law shall be deemed "fines"; and action taken or omitted by him with respect to an employe benefit plan in the performance of his duties for a purpose reasonably believed by him to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the corporation.

(9) Unless limited by the articles of incorporation:

(a) An officer of the corporation shall be indemnified as and to the same extent provided in subsection (4) of this section for a director and shall be entitled to the same extent as a director to seek indemnification pursuant to the provisions of subsection (4) of this section;

(b) A corporation shall have the power to indemnify and to advance expenses to an officer, employe or agent of the corporation to the same extent that it may indemnify and advance expenses to directors pursuant to this section; and

(c) A corporation, in addition, shall have the power to indemnify and to advance expenses to an officer, employe or agent who is not a director to such further extent, consistent with law, as may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors, or contract.

(10) A corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employe or agent of the corporation, or who, while a director, officer, employe or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employe or agent of another foreign or domestic corporation, partnership, joint venture, trust, other enterprise or employe benefit plan, against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this section.

(11) Any indemnification of, or advance of expenses to, a director in accordance with this section, if arising out of a proceeding by or in the right of the corporation, shall be reported in writing to the shareholders with or before the notice of the next shareholders' meeting.

(12) The indemnification provided by this section shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employe or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(3) Any person acting pursuant to any order or judgment of court, or pursuant to authority conferred by any law of this state or of the United States;

(4) Any person who is a creditor of the debtor, or an agent of one or more creditors of the debtor, and whose services in adjusting the debtor's debts are rendered without cost to the debtor; [~~and~~]

(5) Any person who, at the request of a debtor, arranges for or makes a loan to the debtor, and who, at the authorization of the debtor, acts as an adjuster of the debtor's debts in the disbursement of the proceeds of the loan, without compensation for the services rendered in adjusting the debts*; and*

(6) Any charitable, religious or educational organization, determined to be exempt from taxation under Section 501(c)(3) of the Internal Revenue Code.

SB 269, AN ACT relating to estate and probate matters.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 386.180 is amended to read as follows:

(1) Trustees of estates *may* [~~shall~~] receive for their services as such a commission of *six* [~~five~~] percent *(6%)* [~~(5%)~~] of the income collected by them, payable as the income is collected. They *may* [~~shall~~] also receive an annual commission of *three-tenths* [~~one-fifth~~] of one percent *(.3%)* [~~(.2%)~~] of the fair value of the real and personal estate in the care of the fiduciary, or, at the option of the fiduciary and in lieu of the annual commission on principal, a commission which shall not exceed *six* [~~five~~] percent *(6%)* [~~(5%)~~] of the fair value of the principal distributed, payable at the time the principal is distributed. In the absence of some provision, agreement, or direction to the contrary, the commission on income shall be paid out of the income from the estate, and the commission on principal shall be paid out of the principal of the estate.

(2) However, upon proof submitted showing that the fiduciary has performed additional service in the handling of the estate in his care, which has been unusual or extraordinary and not normally incident to the care and management of an estate, the court may allow to the fiduciary such additional compensation as is fair and reasonable for the additional services rendered. This additional compensation shall be payable out of principal or income, or part out of principal and part out of income, as the court directs.

Section 2. KRS 386.185 is amended to read as follows:

(1) Whenever a trustee *or personal representative* holds and controls an amount, exclusive of income, of *fifteen thousand dollars ($15,000)* [~~ten thousand dollars ($10,000)~~] or less *or the will directs that such an amount be placed in a trust, the fiduciary* [~~it~~] may petition the district court having jurisdiction of the trust *or estate*, for an order authorizing *the fiduciary* [~~it~~] to distribute the amount held, plus income available, less fees chargeable, to the appropriate beneficiary or beneficiaries, legal representatives thereof, or other appropriate persons or institutions responsible for the object of the trust, who shall be under a duty to use the funds for the purposes of the trust. Upon receipt of said petition by the district court, and accompanying affidavit and/or oral testimony, the court shall order the amount distributed.

(2) When an order to distribute the amount petitioned is granted and entered into the Court's records, no bond shall be required of the recipient of said distribution from the trustee *or personal representative.*

(3) A release of the trustee *or personal representative* shall be executed by the recipient upon distribution of the amount held, declaring said fiduciary not liable thereafter. The trustee *or personal representative* shall not be required to look into the application of the amount so distributed.

Section 3. KRS 387.700, 1980 Acts Ch. 396, Section 21, effective July 1, 1982, is amended to read as follows:

(1) A conservator has all of the powers conferred herein and any additional powers conferred by law on trustees in this state. The conservator may take possession of all of the ward's real and personal property, and of all rents, incomes, and benefits therefrom, whether accruing before or after his appointment, and of the proceeds arising from the sale, mortgage, lease or exchange thereof. Subject to such possession the title of all such estate and to the increment and proceeds thereof shall be to the ward and not to the conservator. It is the duty of the conservator to protect and preserve the estate, to retain, sell and invest it as hereinafter provided, prosecute or defend actions, claims or proceedings in any jurisdiction for the protection of the estate's assets, to account for it faithfully, to perform all other duties required of him by law, and, at the termination of the conservatorship, to deliver the assets of the ward to the persons lawfully entitled thereto.

(2) The conservator shall apply the money and property for the payments of debts, taxes, claims, charges and expenses of the conservatorship and for the support, care, maintenance and education of the ward or his dependents.

(3) Any sale of realty of a ward shall be as provided in KRS Chapter *389A* [~~389~~].

Section 4. KRS 389A.010 is amended to read as follows:

(1) Notwithstanding any other statutory limitation of the jurisdiction of the district court:

(a) Any *trustee, guardian, committee, conservator, or personal representative (hereinafter "fiduciary")* [~~fiduciary as defined by KRS 386.010~~], not otherwise possessing a power of sale, may move the district court of the county in which the fiduciary has qualified for an order granting the fiduciary the power to sell or mortgage any real estate or any interest therein possessed by his ward, incompetent, decedent, or trust; and

(b) The district court may enter an order granting the fiduciary the power to sell or mortgage any real estate or any interest therein possessed by the ward, incompetent, decedent or trust.

(2) The motion shall include an adequate description of the property, a summary of the grounds for the motion, and a request that the bond of the fiduciary be increased in an adequate amount in accordance with KRS 395.130.

(3) Unless waived in writing, written notice of the hearing with a copy of the motion shall be *served* [~~given~~] in a manner authorized by the rules of civil procedure *for the initiation of a civil action upon* [~~to~~] all persons [~~in being~~] who[~~, but for the sale of the property,~~] have a vested or contingent interest *in the property interest sought to be sold* [~~therein~~].

(a) In the case where the subject of the action is the property interest of a person under legal disability, unless waived in writing, written notice by certified mail, return receipt requested shall be given to all known adult next of kin of:

1. The nature and pendency of the action, and

2. Not less than thirty (30) days notice of the time, date and location of the hearing on the motion. At or before the hearing, the fiduciary or his attorney shall file an affidavit on personal knowledge showing compliance with this paragraph and attaching a copy of the notice given and the original of all receipts returned.

(b) All such persons shall have standing to present evidence and to be heard at the hearing.

(4) An aggrieved party may *no later than thirty (30) days from the date of the order,* institute an adversary proceeding in circuit court pursuant to KRS 24A.120*(2)*[~~(1)(b)~~] in respect to any order affecting the right of the fiduciary to sell or mortgage. Pending the entry of a final order *and expiration of the time for an appeal therefrom* [~~that has become unappealable~~], neither the fiduciary nor the owner of any vested interest shall make any conveyance or mortgage of the real estate and any attempt to do so shall be null and void.

(5) No proceedings under this section shall be conducted by or before a commissioner of the district court.

Section 5. KRS 389A.020 is amended to read as follows:

In the event the power of a fiduciary to sell or mortgage any real estate is *expressly* limited by the will or trust instrument under which he is acting, such limitation may only be altered or amended by the circuit court of the county wherein the fiduciary was appointed, or if the fiduciary is acting under an agreement of trust without court supervision, the county in which the trust is or could be registered, in an action brought by the fiduciary in which all persons having a present or contingent interest in the property *interest sought to be sold or mortgaged* or its proceeds are made parties. Before adjudging that the fiduciary may deviate from the terms of the will or trust the court shall determine that there exist circumstances apparently unknown to the testator or settlor; that such circumstances would substantially impair the accomplishment of the purposes intended; and that deviation is in the best interests of all parties concerned.

Section 6. KRS 389A.030 is amended to read as follows:

(1) When two (2) or more persons *other than tenants by the entireties in residential property actually occupied by them as a principal residence* share title to real estate in such manner that a conveyance by them jointly would pass a fee simple title, any one or more of them may bring an action for the sale or division thereof in the circuit court of the county in which the land, or the greater part thereof, lies, making parties defendant those owners who have not joined as plaintiffs. A fiduciary possessing a power of sale may institute such an action against owners of interests not represented by him. Defendant owners shall be brought before the court in the manner provided by the civil rules whether or not a fiduciary possesses a power of sale of the defendant's interest, but any fiduciary possessing such a power shall also be made a defendant. The case shall be tried without a jury.

(2) A defendant who is under disability and for whom no fiduciary is acting shall be represented in the action by a guardian ad litem, but in the event of sale of such defendant's interest the court shall retain control of the proceeds of such interest until a duly appointed and adequately bonded fiduciary or custodian pursuant to a court order makes claim to the funds.

(3) In all such actions indivisibility of the real estate shall be presumed unless an issue in respect thereto is raised by the pleading of any party, and if the court is satisfied from the evidence that the property is divisible, without materially impairing the value of any interest therein, division thereof pursuant to KRS 381.135 shall be ordered.

(4) If a sale of all or any part of the real estate shall be ordered, the court shall refer the matter to the master commissioner or appoint a commissioner to conduct a public sale and convey the property upon terms of sale and disposition of the net proceeds as may have been determined by the court.

(5) The death of any party pending the action and prior to distribution of the proceeds of sale or setting apart a divisible share shall not affect the action but the court may direct distribution or apportionment to the successors in interest of the decedent upon application therefor.

(6) If the interest of any party be one for life, or other term, in any portion of the real estate, the court shall determine the value of such interest and direct that such party receive a portion of the net sale proceeds or portion of the property if divisible, in fee in satisfaction of such interest, but if any party to the action objects to such procedure, and if the court finds that such procedure would defeat the objects and purpose of a person not a party to the action, such as a testator, grantor or settlor, but that sale or division is nevertheless desirable, the court shall order that the interest of the life or term tenant shall continue as to his portion of the real estate or the net proceeds of the sale thereof, in the latter case by directing that the funds derived from the sale of that portion of the real estate in which the life or term interest existed be paid to a trustee, appointed by and accountable to the district court, for reinvestment and distribution of income and principal in a manner consistent with the instrument under which the life or term estate was created.

Section 7. KRS 391.030 is amended to read as follows:

(1) Except as otherwise provided in this chapter, where any person dies intestate as to his personal estate, or any part thereof[~~, or such person's surviving spouse has renounced the decedent's will~~], the surplus, after payment of funeral expenses, charges of administration and debts, shall pass and be distributed among the same persons, and in the proportions, to whom and in which real estate is directed to descend, except as follows:

(a) The personal estate of an infant shall be distributed as if he had died after full age.

(b) An alien may be distributee as though he were a citizen.

(c) Personal property or money on hand or in bank to the amount of five thousand dollars ($5,000) shall be exempt from distribution and sale and shall be set apart by the district court having jurisdiction over the estate on application to the surviving spouse, or, if there is no surviving spouse, to the infant children surviving.

(2) The surviving spouse of any deceased person may, at any time before the property or money is set apart by the court, procure on petition from the judge of the district court having jurisdiction over administration of his estate, an order authorizing him to withdraw from any bank or other depository not exceeding one thousand dollars ($1000) belonging to the estate of the deceased. Upon presentation of the order, the bank or depository shall permit him to withdraw the sum and shall lodge the order, endorsing thereon the amount withdrawn, with the circuit clerk and he shall retain it in his files to be considered in connection with further proceedings in the estate and the withdrawal shall be treated as a charge against the property of the estate exempt from distribution.

(3) In the application for the setting apart of property or money under this section the surviving spouse may make his selection out of the personal property of the estate to the extent that the value of the property selected does not exceed the amount of five thousand dollars ($5,000).

[~~(4) This section applies to cases where the husband or wife dies testate and the surviving spouse renounces the provisions of the will as provided in KRS 392.080 and also under circumstances set out in KRS 395.455.~~]

Section 8. KRS 395.001 is amended to read as follows:

The term "fiduciary" as used in this chapter means any person, association, or corporation *meeting the requirements of KRS 395.005* (other than assignee or trustee for an insolvent debtor or a guardian under the uniform veterans' guardianship act) appointed by, or under the control of, or accountable to, the district court, including executors, administrators, administrators with the will annexed, testamentary trustees, curators, guardians and committees.

Section 9. KRS 395.016 is amended to read as follows:

When notice of hearing of an application for the appointment of an administrator, administrator with will annexed, guardian, or committee is required, it shall be given by mailing written notice of the time, place and purpose of such hearing at least five (5) days before said hearing. Proof of such notice shall be by registered mail receipt or by applicant's affidavit that the same was mailed to each of the parties entitled thereto in a sealed envelope, postage prepaid, and the date when posted, which proof shall be filed at the time of hearing. If all parties entitled to notice are under no disability and waive notice in writing, the court may hear such application as if notice had been given. A minor over fourteen (14) years of age may waive notice if present in person at the time of hearing of application for appointment of his guardian; provided, however in any estate where the gross amount involved is less than *five* [~~one~~] thousand dollars *($5,000)* [~~($1,000)~~] the court in its discretion may dispense with the requirements of this section relating to notice.

Section 10. KRS 395.016, 1980 Acts Ch. 396, Section 119, effective July 1, 1982, is amended to read as follows:

When notice of hearing of an application for the appointment of an administrator, administrator with will annexed, guardian, or conservator is required hereunder, it shall be given by mailing written notice of the time, place and purpose of such hearing at least five (5) days before said hearing. Proof of such notice shall be by certified mail, return receipt requested or by registered mail receipt or by applicant's affidavit that the same was mailed to each of the parties entitled thereto in a sealed envelope, postage prepaid, and the date when posted, which proof shall be filed at the time of hearing. If all parties entitled to notice are under no disability and waive notice in writing, the court may hear such application as if notice had been given. A minor over fourteen (14) years of age may waive notice if present in person at the time of hearing of application for appointment of his guardian; provided, however in any estate where the gross amount involved is less than *five* [~~one~~] thousand dollars *($5,000)* [~~($1,000)~~] the court in its discretion may dispense with the requirements of this section relating to notice.

Section 11. KRS 395.040 is amended to read as follows:

(1) The court shall grant administration to the relations of the deceased who apply for administration, preferring the surviving husband or wife, *or if the surviving husband or wife does not nominate a suitable administrator,* [~~and~~] then such others as are next entitled to distribution, or one (1) or more of them whom the court judges will best manage the estate.

(2) If no person mentioned in subsection (1) applies for administration within sixty (60) days from the death of an intestate, the court may grant administration to a creditor, or to any other person, in its discretion.

(3) No master or other commissioner whose duty it is to settle the accounts of a personal representative shall be appointed an administrator.

(4) If a will is afterwards produced and proved, the administration shall cease, and the court may grant a certificate of the probate of the will, or, in the proper case, letters of administration with the will annexed.

Section 12. KRS 395.200 is amended to read as follows:

At any time after the appointment of a fiduciary, the fiduciary, when satisfied that it would be for the best interests of the estate, may sell, at public or private sale, at the best price obtainable, and for cash or on such terms as the fiduciary may determine, any part or all of the personal property belonging to the estate, including dividend-paying and interest-bearing securities, except:

(1) Such tangible personal property as has been set apart to the surviving spouse as exempt.

(2) Property specifically bequeathed, when sale of such property is not necessary for the payment of debts, provided that such property may be sold with the consent of the person entitled thereto.

(3) Property as to which distribution in kind has been demanded prior to the sale by the surviving spouse or other beneficiary entitled to such distribution in kind, or property which the court may determine to be suitable for distribution in kind.

(4) Property, the sale of which is contrary to the wish of the testator, as shown by his will, unless the court finds that the sale is necessary to pay debts, funeral and burial expense, *taxes,* and costs of administration, or that the retention of it will probably cause great loss to the estate.

Section 13. KRS 395.325 is amended to read as follows:

(1) If any fiduciary resigns or is removed, he shall upon the appointment of his successor settle his accounts.

(2) If any fiduciary becomes incompetent or dies, the personal representative of his estate shall upon the appointment of a successor fiduciary for the incompetent or decedent settle for his decedent the accounts of the first decedent.

(3) In appointing a successor trustee of a trust created by will, the court shall give preference to that person, or those persons, designated in the will as successor trustee. If there be no such designation or if the court finds the person or persons so designated are not best qualified to protect the interests of the beneficiaries, then the court shall give preference to the persons who apply for appointment, preferring the surviving husband or wife, *or if the husband or wife does not nominate a suitable trustee,* [~~and~~] then such others as are next entitled to distribution or one or more of them whom the court deems best qualified.

Section 14. KRS 395.325, 1980 Acts Ch. 396, Section 122, effective July 1, 1982, is amended to read as follows:

(1) If any fiduciary resigns or is removed, he shall upon the appointment of his successor settle his accounts.

(2) If any fiduciary becomes mentally disabled or dies, the personal representative of his estate shall upon the appointment of a successor fiduciary for the mentally disabled fiduciary or decedent settle for his decedent the accounts of the first decedent.

(3) In appointing a successor trustee of a trust created by will, the court shall give preference to that person, or those persons, designated in the will as successor trustee. If there be no such designation or if the court finds the person or persons so designated are not best qualified to protect the interests of the beneficiaries, then the court shall give preference to the persons who apply for appointment, preferring the

surviving husband or wife, *or if the husband or wife does not nominate a suitable trustee,* [~~and~~] then such others as are next entitled to distribution or one or more of them whom the court deems best qualified.

Section 15. KRS 395.380 is amended to read as follows:

(1) The district court of each county shall appoint a discreet, fit person to act as administrator of decedents' estates of which there is no personal representative, and as guardian of orphans who have no guardian.

(2) He shall serve at the discretion of the district court.

(3) He shall be sworn and execute bond with good surety to the state for the faithful discharge of his duties, *and when so sworn with bond so executed, shall be accepted by the court in every estate in which the public administrator is appointed without the necessity of additional surety.*

Section 16. KRS 395.390 is amended to read as follows:

(1) The district court of a county which has a public administrator and guardian shall, after the expiration of *sixty (60)* [~~thirty (30)~~] days from the death of the decedent, order the public administrator and guardian to administer the estate of the decedent where the surviving spouse and heirs waive their right to be appointed, *or if the surviving spouse does not nominate a suitable administrator,* or in the event any of the persons designated in KRS 395.040 are unable, or found to be incapable of handling or managing the estate, or if from any other cause there is no personal representative. If there is no public administrator and guardian, the court shall order the sheriff to administer the estate.

(2) The district court shall also confide to the public administrator and guardian the care and control of the persons and estates of all minors when it appears that a minor has no testamentary guardian and no one will apply for appointment, or serve, as guardian.

Section 17. KRS 395.455 is amended to read as follows:

(1) Where the exemption of the surviving spouse alone, or together with preferred claims paid by a widow or by the widower where the wife's estate is legally liable for payment, equals or exceeds the amount of probatable assets, the court may order that administration of the estate be dispensed with and such assets be transferred to the surviving spouse or to a person designated by such surviving spouse to receive all or part of such assets. The court may so order in both testate and intestate estates and without requiring the renunciation of a will or the giving of bond.

(2) If the court is satisfied that no probatable estate will pass through the hands of the personal representative, it may order that no letters of administration be issued and *in the case of a testate estate* that the will be probated only.

(3) Where a surviving spouse has waived his or her right to the exemption accorded by law in favor of a person who has paid preferred claims in an amount equalling or exceeding the amount of probatable assets or who is legally entitled to such payment, or where there is no surviving spouse and such person has made such payment or is legally entitled thereto, the court may order that the administration of the estate be dispensed with and such assets transferred to such person. The court may so order without requiring the giving of bond.

(4) For purpose of this section, the exemption of the surviving spouse is such exemption as has been created by KRS 391.030 and preferred claims are those listed in KRS 396.090 and in the order thereof.

Section 18. KRS 395.470 is amended to read as follows:

(1) Administration of the estate of a person dying intestate may be dispensed with by agreement if there are no debts owing by the estate; all persons beneficially entitled to the personal estate have agreed in writing that there shall be no administration; and either there are no claims or demands due the estate, or the written agreement to dispense with administration designates a trustee with power to collect claims and demands.

(2) The written agreement provided in subsection (1) shall be acknowledged by the parties and filed in the district court together with the motion of the parties for an order dispensing with administration. If the court is satisfied by affidavit or otherwise that the conditions prescribed in subsection (1) exist, it shall enter an order dispensing with administration. If the written agreement of the beneficiaries designates a trustee to collect claims or demands, the order shall confirm the designation and the person so designated shall have the same right to sue for and collect claims and demands that an administrator has.

(3) The district court shall be satisfied that provision has been made for the state inheritance tax and the United States estate tax.

(4) The persons applying for an order dispensing with administration shall advertise for creditors of the intestate to appear and present their claims to some person at the county seat. The person and place shall be designated in the advertisement. The advertisement shall also give notice when, where and by whom the order dispensing with administration will be applied for. The advertisement shall be posted at the courthouse door for six weeks, and published pursuant to KRS Ch. 424. The order dispensing with administration shall not be granted until the persons applying for the order file in the district court the affidavit of one of them showing that advertisement for creditors has been made.

(5) The persons applying for the order dispensing with administration shall, before the order is entered, give bond with surety in [~~double~~] the amount of the personal estate for the benefit of any creditors

who, within *six (6)* [~~nine~~] months from the *order dispensing with administration* [~~intestate's death~~], appear and file their claims with the court clerk. This bond shall be approved by the district court and shall run to the state for the benefit of those creditors and be conditioned to be void if none of them files his claim with the clerk within *six (6)* [~~nine (9)~~] months *from the date of the order dispensing with administration* [~~after the intestate's death~~].

Section 19. KRS 395.500 is amended to read as follows:

An order dispensing with administration *pursuant to KRS 395.470* may be set aside at any time within *one (1) year from the order dispensing with administration under KRS 395.470* [~~five years~~] upon motion of any person who satisfies the court by prima facie proof that he has a just and unsatisfied claim or demand against the estate.

Section 20. KRS 452.400 is amended to read as follows:

Actions must be brought in the county in which the subject of the action, or some part thereof, is situated:

(1) For the recovery of real property, or of an estate or interest therein;

(2) For the partition of real property except as is provided in KRS 452.420;

(3) For the sale of real property [~~under KRS Chapter 389A, or~~] under a mortgage, lien, or other encumbrance or charge, except for debts of a decedent;

HB 330, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.120 is amended to read as follows:

(1) A claimant may in the original application for benefits, or either party may by motion while the case is pending, accompanied by proper allegations *and accompanied by certification of the fact that a copy of the motion as well as the entire file has been forwarded to the special fund at the cost of the movant,* and the board shall upon its own motion at any time before the rendition of the final award, cause the special fund to be made a party to the proceedings if either or both of the following appears:

(a) The employe is disabled, whether from a compensable injury, occupational disease, pre-existing disease, or otherwise, and has received a subsequent compensable injury by accident, or has developed an occupational disease;

(b) The employe is found to have a dormant non-disabling disease or condition which was aroused or brought into disabling reality by reason of a subsequent compensable injury by accident or an occupational disease.

(2) When the special fund has been made a party the board shall direct the procedures provided in KRS 342.121.

(3) If it is found that the employe is a person mentioned in paragraphs (a) or (b) of subsection (1) of this section and a subsequent compensable injury or occupational disease has resulted in additional permanent disability so that the degree of disability caused by the combined disabilities is greater than that which would have resulted from the subsequent injury or occupational disease alone, and the employe is entitled to receive compensation on the basis of the combined disabilities, the employer shall be liable only for the degree of disability which would have resulted from the latter injury or occupational disease had there been no pre-existing disability or dormant, but aroused disease or condition.

(4) The remaining compensation for which such resulting condition would entitle the employe, including any compensation for disability resulting from a dormant disease or condition aroused into disabling reality by the injury or occupational disease, but excluding all compensation which the provisions of this chapter would have afforded on account of prior disabling disease or injury had it been compensated thereunder, shall be paid out of the special fund provided for in KRS 342.122. Such remaining compensation shall be paid directly to the employe by the carrier or self-insured employer who is liable for compensation under subsection (3) of this section, and the carrier or self-insured employer shall be reimbursed for such payments from the special fund on a quarterly basis and under such regulations as the board may provide for such purpose.

(5) In making the computation for the apportionment of benefits under subsections (3) and (4) of this section, the board shall first determine the amount of the employe's weekly income benefits; exclude from the award the percentage thereof attributable to the pre-existing active disability or the prior disabling injury, disease or condition; and apportion the balance between the employer and special fund as provided in subsections (3) and (4) of this section.

Section 2. KRS 342.305 is amended to read as follows:

Any party in interest may file in the circuit court of the county in which the injury occurred a certified copy of a memorandum of agreement approved by the board or of an order or decision of the board, or of an award of the board on appeal from, or an award of the board rendered upon an appeal whether or not there is a motion to reopen or review pending under KRS 342.125. The court shall render judgment in accordance therewith and notify the parties. Such judgment shall have the same effect, and all proceedings in relation thereto shall thereafter be the same as though it had been rendered in a suit duly heard and determined by that court. Any such judgment, unappealed from or affirmed on appeal or modified in obedience to the mandate of the Court of Appeals shall be modified to conform to any decision of the board ending, diminishing or increasing any weekly payment under the provisions of KRS 342.125 upon a presentation to it of a certified copy of such decision. *The court shall award reasonable attorney's fees and costs for such enforcement proceedings. Such fee shall be in addition to those allowed notwithstanding other provisions of this Act.*

Section 3. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employe was last exposed to the hazard of the occupational disease during any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973 shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employe was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time except as otherwise provided in paragraph (a) of subsection (13) of this section.

(b) The time of the beginning of compensation payments shall be the date of the employe's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.

(2) (a) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to such disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter except that notice of claim shall be given to the employer as soon as practicable after the employe first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted such disease, or a diagnosis of such disease is first communicated to him, whichever shall first occur.

(b) The procedure with respect to filing of claims shall be as follows:

1. The application shall set forth the work history of the applicant with a concise description of injurious exposure to a specific occupational disease together with the names and addresses of employer or employers with the approximate date of employment and shall also include with the application two written medical reports supporting his claim. These medical reports shall be made on the basis of comprehensive clinical

examinations and shall contain full and complete statements of the results thereof. The reports shall be made by duly licensed physicians. The clinical examinations shall include x-ray examinations. However, the failure of an x-ray examination to disclose the presence of an occupational disease shall not affect the legal presumption referred to in subsection (5) of this section.

2. The filing of a properly executed application for adjustment of claim, accompanied by the two medical reports described in subparagraph 1. of this paragraph, shall satisfy the requirements of the presumptive clause set out in subsection (5) of this section and the burden of proof shall immediately thereafter shift to the employer and the special fund.

3. Immediately upon receipt of said application for adjustment of claim, the board shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim.

4. Upon receipt of notice of claim the employer, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. After said examination, the claimant or his representative shall be furnished a copy of said medical report within a reasonable time. *Also, the employer, the special fund, or any other interested party shall have the right to have the claimant evaluated by vocational experts or institutions, at their expense, including a reasonable sum for travel. After said examination, the claimant or his representative, shall be furnished a copy of said vocational report within a reasonable time.*

5. Within *sixty (60) days of the hearing held by the workers' compensation board* [~~ninety (90) days of the receipt of notice by the employer of the filing of the claim,~~] the employer, the special fund, and any other interested party shall notify the board and the claimant whether or not the claim will be resisted. If the claim is not resisted, then the board shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the board shall set a date for a hearing and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the workers' compensation board shall be followed.

(3) The right to compensation under this chapter for disability resulting from an occupational disease shall be forever barred unless a claim is filed with the workers' compensation board within three (3) years after the last injurious exposure to the occupational hazard or after the employe first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within said period, unless a claim therefor be filed with the workers' compensation board within three (3) years after such death; provided, however, that notice of such claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employe, and its cause was known to the employer. Provided, however, that the right to compensation for any occupational disease shall be forever barred unless a claim is filed with the workers' compensation board within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease, a claim must be filed within 20 years from the last injurious exposure to the occupational hazard.

(4) The amount of compensation payable for disability due to occupational disease or for death from such disease, and the time and manner of its payment, shall be the same as provided for accidental injury or death under the general provisions of the workers' compensation act, but in no event to exceed such amounts as were in effect at the time of the last injurious exposure, and provided further, that the time of the beginning of compensation payments shall be the date of the employe's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, and provided further, that in case of death where the employe has been awarded compensation or made timely claim within the period provided for in this section, an employe has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the workers' compensation act and in this section.

(5) Where the occupational disease is a compensable pneumoconiosis and there has been employment exposure for ten (10) years or more to an industrial hazard sufficient to cause the disability of pneumoconiosis there shall be a rebuttable presumption that the disability or death was due to the compensable pneumoconiosis.

(6) Where the employe is suffering or suffered from a chronic dust disease of the lung which:

(a) When diagnosed by chest roentgenogram, yields one or more large opacities (greater than one (1) centimeter in diameter) and would be classified in category A, B, or C in the international classification of radiographs of the pneumoconiosis by the international labor organization;

(b) When diagnosed by biopsy or autopsy, yields massive lesions in the lung; or

(c) When diagnosis is made by other means, would be a condition which could reasonably be expected to yield results described in paragraph (a) or (b) of this subsection if diagnosis had been made in the manner prescribed in paragraph (a) or (b) of this subsection, then there shall be an irrebuttable presumption that he is totally disabled due to pneumoconiosis or that his death was due to pneumoconiosis, as the case may be.

(7) In case of disability or death from silicosis, coal workers' pneumoconiosis, or any other compensable pneumoconiosis, complicated with tuberculosis of the lungs, pulmonary emphysema or other pulmonary dysfunction and there has been employment exposures to harmful dust or industrial hazards reasonably competent to produce such accompanying disease or dysfunction, there is a rebuttable legal presumption that all resultant disability therefrom is work related and compensable, and compensation shall be payable as for the uncomplicated disease, provided, however, that the disease or dysfunction was an essential factor in causing such disability or death.

(8) If an autopsy has been performed, no testimony relative thereto shall be competent unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(9) No compensation shall be payable for occupational disease if the employe at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of such disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(10) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which, under the provisions of this chapter would give right to compensation, arose, subsequent to the beginning of the first compensable disability, save only to after-born children of a marriage existing at the beginning of such disability.

(11) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of such cause, that the claim for injury, disability or death which was the basis for such application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for such injury, disability or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and such compensation may be awarded as is warranted by the whole evidence pursuant to the provisions of this chapter. When such amendment is submitted, further or additional evidence may be heard by the board when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required herein.

(12) When an employe has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier; except as otherwise provided herein.

(13) (a) The employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disablement only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employe was last exposed to the hazard of such occupational disease. In those cases where disability or death are not conclusively proven to be the result of such last exposure all compensation shall be paid out of the special fund for all claims filed prior to January 1, 1973; and seventy-five percent (75%) shall be paid by the special fund and twenty-five percent (25%) by the employer for all claims filed thereafter. In all other cases of occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disablement only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, the compensation for disability or death due to such diseases shall be paid jointly by the employer and the special fund, and the employer shall be liable for sixty percent (60%) of the compensation due and the special fund shall be liable for forty percent (40%) of the compensation due. Provided, however, that when there is a joint award against the carrier or self-insured employer and the special fund under this section, all of the compensation awarded shall be paid from the special fund and the special fund shall be reimbursed by the carrier or self-insured employer on a quarterly basis and under such regulations as the board may provide for such purpose.

(b) In all claims for compensation partially payable by the special fund the commissioner of labor, as custodian of said fund, shall be designated as codefendant.

(c) In all agreements for the payment of compensation and awards the amount payable by the employer and the amount payable out of the special fund shall be separately stated. An award against the employer shall be for only the percentage of the total compensation which the employer is obligated to pay. A separate award shall be made against the special fund for the balance of the compensation payable. Nothing in this section shall prohibit the commissioner of labor, as custodian of the special fund, from entering into agreements to pay the compensation for which it is liable; provided, however, that where compensation is payable by both the employer and the special fund, the commissioner shall not enter into an agreement unless the employer is a party to the agreement.

Section 4. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employe to gainful employment. To this end there is hereby created a rehabilitation panel which shall be composed of the director and specialists in medical and vocational rehabilitation to be appointed by the board.

(2) The panel shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public. The board in consultation with the panel, shall approve as qualified such facilities, institutions and physicians as are capable of rendering competent rehabilitation service to seriously injured employes. No facility or institution shall be considered as qualified unless it is specifically equipped to provide rehabilitation services for persons suffering either from some specialized type of disability or general type of disability within the field of occupational injury and is staffed with trained and qualified personnel, and with respect to physical rehabilitation, unless it is supervised by a physician qualified to render such service. No physician shall be considered qualified unless he has had the experience and training specified by the board.

(3) An employe who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the board shall inquire whether such services have been voluntarily offered and accepted. The board on its own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employe to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, and after affording the parties an opportunity to be heard by the panel, the board, in consultation with the panel, may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service *the board* [~~he~~] may deem necessary, be provided at the expense of the defendants as apportioned in the award. Vocational rehabilitation training, treatment or service shall not extend for a period of more than fifty-two (52) weeks except in unusual cases when by special order of the board, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employe's customary residence, reasonable cost of his board, lodging or travel shall be paid for by the defendants.

(5) Refusal to accept rehabilitation pursuant to an order of the board shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The board and the rehabilitation panel shall cooperate on a reciprocal basis with the Kentucky bureau of rehabilitation services of the department of education and the employment services of the Kentucky department for human resources.

Committee Substitute to **HB 330** is as follows:

HB 330, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employe was last exposed to the hazard of the occupational disease during any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973 shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employe was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time except as otherwise provided in paragraph (a) of subsection (13) of this section.

3. Immediately upon receipt of said application for adjustment of claim, the board shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim.

4. Upon receipt of notice of claim the employer, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. After said examination, the claimant or his representative shall be furnished a copy of said medical report within a reasonable time. *Also, the employer, the special fund, or any other party to the claim shall have the right to have the claimant evaluated by vocational experts or institutions, at their expense, including a reasonable sum for travel. After said examination, the claimant or his representative, shall be furnished a copy of said vocational report within a reasonable time.*

5. Within ninety (90) days of the receipt of notice by the employer of the filing of the claim, the employer, the special fund, and any other interested party shall notify the board and the claimant whether or not the claim will be resisted. *The special fund and any other interested party may file a notice of resistance at any time prior to the entry of an award by the board.* If the claim is not resisted, then the board shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the board shall set a date for a hearing and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the workers' compensation board shall be followed.

(3) The right to compensation under this chapter for disability resulting from an occupational disease shall be forever barred unless a claim is filed with the workers' compensation board within three (3) years after the last injurious exposure to the occupational hazard or after the employe first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within said period, unless a claim therefor be filed with the workers' compensation board within three (3) years after such death; provided, however, that notice of such claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employe, and its cause was known to the employer. Provided, however, that the right to compensation for any occupational disease shall be forever barred unless a claim is filed with the workers' compensation board within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease, a claim must be filed within 20 years from the last injurious exposure to the occupational hazard.

(4) The amount of compensation payable for disability due to occupational disease or for death from such disease, and the time and manner of its payment, shall be the same as provided for accidental injury or death under the general provisions of the workers' compensation act, but in no event to exceed such amounts as were in effect at the time of the last injurious exposure, and provided further, that the time of the beginning of compensation payments shall be the date of the employe's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, and provided further, that in case of death where the employe has been awarded compensation or made timely claim within the period provided for in this section, an employe has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the workers' compensation act and in this section.

(5) Where the occupational disease is a compensable pneumoconiosis and there has been employment exposure for ten (10) years or more to an industrial hazard sufficient to cause the disability of pneumoconiosis there shall be a rebuttable presumption that the disability or death was due to the compensable pneumoconiosis.

(13) (a) The employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disablement only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employe was last exposed to the hazard of such occupational disease. Section 2. KRS 342.340 is amended to read as follows:

(1) Every employer under this chapter shall either insure and keep insured his liability for compensation hereunder in some corporation, association or organization authorized to transact the business of workmen's compensation insurance in this state or shall furnish to the board satisfactory proof of his financial ability to pay directly the compensation in the amount and manner and when due as provided for in this chapter. In the latter case the board shall require the deposit of an acceptable security, indemnity or bond to secure to such an extent as the board directs the payment of compensation liabilities as they are incurred.

(2) *Every employer subject to this Act shall file, or have filed on its behalf, with the workers' compensation board, as often as may be necessary, evidence of its compliance with the provisions of this section and all others relating hereto. Every employer who has complied with the foregoing provision and has subsequently cancelled its insurance or its membership in an approved group self-insurance association, as the case may be, shall immediately notify, or have notice given on its behalf to the workers' compensation board of such cancellation, the date thereof and the reasons therefore; and every insurance carrier or group self-insurance association shall in like manner notify the workers' compensation board upon the cancellation of any policy issued by it or any membership agreement, whichever is applicable under the provisions of this chapter, except that the carrier or group self-insurance association need not set forth its reasons for cancellation unless requested by the workers' compensation board. The above filings are to be made on the forms prescribed by the board. Cancellation of any policy of insurance issued under the provisions of this chapter shall take effect no greater than ten (10) days prior to the receipt of such cancellation by the workers' compensation board unless the employer has obtained other insurance and the workers' compensation board is notified of that fact by the insurer assuming the risk.* [~~Every employer accepting this chapter shall at the time of such acceptance file with the board in substantially the form prescribed by it, and semiannually thereafter, or as often as may be necessary, evidence of his compliance with the provisions of this section and all others relating thereto. Until these provisions are complied with the employer shall, from the date of his acceptance of the chapter, be liable to an employe either for compensation under this chapter or at law in the same manner as if the employer had refused to accept this chapter. Claim of compensation in such cases shall be considered a waiver of the right to proceed at law and the institution of an action at law shall be considered a waiver of all claim to compensation.~~] Upon determination that any employer under this chapter has failed to comply with these provisions the board shall promptly notify interested government agencies of said failure and with particular reference to employers engaged in coal mining the board shall promptly report any such failures to the department of mines and minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

Section 3. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employe to gainful employment. To this end there is hereby created a rehabilitation panel which shall be composed of the director and specialists in medical and vocational rehabilitation to be appointed by the board.

(2) The panel shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public. The board in consultation with the panel, shall approve as qualified such facilities, institutions and physicians as are capable of rendering competent rehabilitation service to seriously injured employes. No physician shall be considered qualified unless he has had the experience and training specified by the board.

(3) An employe who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time necessary to accomplish physical rehabilitation goals

which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the board shall inquire whether such services have been voluntarily offered and accepted. The board on its own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employe to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, and after affording the parties an opportunity to be heard by the panel, the board, in consultation with the panel, may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service *the board* [~~he~~] may deem necessary, be provided at the expense of the defendants as apportioned in the award. Vocational rehabilitation training, treatment or service shall not extend for a period of more than fifty-two (52) weeks except in unusual cases when by special order of the board, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employe's customary residence, reasonable cost of his board, lodging or travel shall be paid for by the defendants.

(5) Refusal to accept rehabilitation pursuant to an order of the board shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The board and the rehabilitation panel shall cooperate on a reciprocal basis with the Kentucky bureau of rehabilitation services of the department of education and the employment services of the Kentucky department for human resources.

HB 746, AN ACT relating to unemployment insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 341.030 is amended to read as follows:

(1) As used in this chapter, unless the context clearly requires otherwise, and except as provided in subsections (2) to (6) of this section, "wages" means all remuneration for services, including commissions, bonuses, and, except for services performed in agriculture and domestic employment, the cash value of all remuneration in any medium other than cash. The reasonable cash value of remuneration in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the commission.

(2) Amounts paid to traveling salesmen or other workers as allowance or reimbursement for traveling or other expenses, incurred on the business of the employing unit, constitute wages only to the extent of the excess of such amounts over such expenses actually incurred and accounted for by the worker to his employer *except that "wages" does not include the cash value of meals and lodging furnished for the convenience of the employer.*

(3) Gratuities and tips customarily received by a worker in the course of his employment from persons other than his employing unit do not constitute wages but only if the employing unit does not:

(a) Determine the distribution; or

(b) Take them into account to determine wages; or

(c) Impose or require such tips from other persons.

(4) "Wages" does not include the amount of any payment made to, or on behalf of, a worker under a plan or system established by an employing unit that makes provision for its workers generally or for a class of its workers, including any amount paid by an employing unit for insurance or annuities, or into a fund, to provide for any such payment, on account of:

(a) Retirement;

(b) Sickness or accident disability;

(c) Medical and hospitalization expenses in connection with accident or sickness disability; or

(d) Death, if the worker has not:

1. The option to receive, instead of provision for such death benefit, any part of the payment, or if such death benefit is insured, any part of the premiums or contributions to premiums paid by his employing unit, and

2. The right, under the provisions of the plan or system or policy of insurance providing for such death benefit, to assign such benefit, or to receive a cash consideration in lieu of it either upon his withdrawal

(5) "Wages" does not include the amount of any payment made by an employing unit *on behalf of an agricultural or domestic* [~~without deduction from the remuneration of the~~] worker of the tax imposed under section 3101 of the Internal Revenue Code.

(6) "Wages" does not, for the purposes of KRS 341.260 to 341.310, include that part of remuneration which, after wages equal to *eight thousand dollars ($8,000)* [~~six thousand dollars ($6,000)~~] have been paid in a calendar year to a worker by a subject employer or his predecessor with respect to covered employment during any calendar year, is paid to such worker by such subject employer during such calendar year unless that part of the wages is subject to a tax under a federal law, imposing a tax against which credit may be taken for contributions required to be paid into a state unemployment fund. For the purpose of this subsection, the term "covered employment" shall include service constituting covered employment under any unemployment compensation law of another state.

Section 2. KRS 341.270 is amended to read as follows:

(1) Except as otherwise provided in this section, each employer's contribution rate shall be *three percent (3.0%)* [~~two and seven-tenths percent (2.7%) provided the fund solvency factor, as defined in this section, equals or exceeds 0.4 and shall be three percent (3.0%) if the fund solvency factor is less than 0.4, or the trust fund balance as of December 31 immediately preceding the rate year is less than one hundred million dollars ($100,000,000)~~].

(2) No subject employer's contribution rate shall be less than *three percent (3.0%)* [~~two and seven-tenths percent (2.7%) provided the fund solvency factor equals or exceeds 0.4 nor less than three percent (3.0%) if the fund solvency factor is less than 0.4, or the trust fund balance as of December 31 immediately preceding the rate year is less than one hundred million dollars ($100,000,000)~~], unless *he has been an employer subject to the provisions of this chapter for twelve (12)* [~~benefits were chargeable to his account with respect to the thirty-six (36)~~] consecutive *calendar quarters ended as of* [~~months immediately preceding~~] the computation date.

(3) For the calendar year *1982* [~~1981~~] and each calendar year thereafter, employer contribution rates shall be determined in accordance with "Table A" set out in subsection (4) of this section. For each calendar year, the secretary shall determine the *rate schedule to be in effect based upon the "trust fund balance" as of December 31 of the preceding year.* [~~fund solvency factor, as of the 31st day of October immediately preceding the calendar year for which contribution rates are determined, by dividing the "benefit cost rate" into the "statewide reserve rate."~~] If such *"trust fund balance"* [~~factor~~]:

(a) Equals or exceeds *three hundred fifty million dollars ($350,000,000)* [~~1.8~~], the rates listed in "Schedule A" of "Table A" shall be in effect.

(b) Equals or exceeds *two hundred seventy-five million dollars ($275,000,000)* [~~1.5~~] but is less than *three hundred fifty million dollars ($350,000,000)* [~~1.8~~], the rates listed in "Schedule B" of "Table A" shall be in effect.

(c) Equals or exceeds *two hundred fifty million dollars ($250,000,000)* [~~1.2~~] but is less than *two hundred seventy-five million dollars ($275,000,000)* [~~1.5~~], the rates listed in "Schedule C" of "Table A" shall be in effect.

(d) Equals or exceeds *two hundred million dollars ($200,000,000)* [~~1.0~~] but is less than *two hundred fifty million dollars ($250,000,000)* [~~1.2~~], the rates listed in "Schedule D" of "Table A" shall be in effect.

(e) [~~Equals or exceeds 0.8 but~~] Is less than *two hundred million dollars ($200,000,000)* [~~1.0~~], the rates listed in "Schedule E" of "Table A" shall be in effect.

[~~(f) Equals or exceeds 0.6 but is less than 0.8, the rates listed in "Schedule F" of "Table A" shall be in effect.~~

~~(g) Equals or exceeds 0.4 but is less than 0.6, the rates in "Schedule G" of "Table A" shall be in effect.~~

~~(h) Less than 0.4, the rates listed in "Schedule H" of "Table A" shall be in effect.~~

~~(i) Notwithstanding the rate schedule set forth in this section, rate Schedule H shall be in effect for the calendar year 1981 and each calendar year thereafter when the "Trust Fund Balance" as of December 31st immediately preceding the rate year is less than one hundred million dollars ($100,000,000).~~]

(4) For the calendar year *1982* [~~1981~~] and each calendar year thereafter, contribution rates shall be determined upon the basis of an individual employer's reserve ratio as of *October 31 immediately preceding* the computation date and the schedule of rates established under subsection (3) of this section. Except as otherwise provided in this section, the contribution rate for each subject employer for the calendar year immediately following the computation date shall be the rate in that "Schedule" of "Table A," as set out below, effective with respect to such calendar year, which appears on the same line as his reserve ratio as shown in the "Employer Reserve Ratio" column of the same table.

(5) *Notwithstanding any section of this chapter to the contrary, on or after July 1, 1982, any foreign corporation or other legal entity engaged in the contract construction trades shall pay contributions equal to the average rate of contributions paid by all contract construction employers subject to this chapter for the year preceding the year in which such contract construction employer first employed workers in this state; and, such rate of contribution payments shall remain in effect until the employer has employed persons in this state for not less than twelve (12) consecutive calendar quarters ending as of the computation date. Thereafter, such employer's contribution rate shall be determined in accordance with the provisions of subsection (4) of this section. This section shall not apply to those construction contracts let prior to July 1, 1982.*

(6) As used in this section and elsewhere in this chapter, unless the context clearly requires otherwise:

(a) "Trust fund balance" means the amount of money in the unemployment insurance fund, less any unpaid advances made to the state under section 1201 of the social security act. In determining the amount in the fund as of a given date all money received by the department as of such date shall be considered as being in the fund on such date.

(b) "Total wages" means all remuneration for services, as defined in subsections (1) to (5) of KRS 341.030, paid by subject employers.

(c) [~~"Statewide reserve rate" means the percentage ratio obtained by dividing the total wages for the four calendar quarters ending on the 30th day of September, which have been reported to the department on or before the immediately following 31st day of October, into the "trust fund balance" as of that same date.~~

~~(d) "Benefit cost rate" means the percentage ratio obtained by dividing the total amount of benefits paid during the highest twelve consecutive calendar-month period since 1956 by the total wages reported to the department for the four (4) quarters ending immediately prior to the end of such twelve-month period.~~

~~(e)~~] An employer's "reserve ratio" means the percentage ratio of his reserve account balance as of the computation date to his taxable payrolls for the *twelve (12) consecutive calendar quarters ended as of the* [~~thirty-six (36) months last preceding such~~] computation date.

(d)[~~(f)~~] An employer's "reserve account balance" means the amount by which contributions credited to his reserve account exceed benefits charged to such account. If benefits charged to an account exceed contributions credited to such account as of the computation date, such account shall be considered as having a debit balance and a reserve ratio of "less than zero."

(e)[~~(g)~~] "Computation date" *is December 31 of each calendar year* [~~means the date, occurring at least once in each calendar year and within twenty-seven (27) weeks~~] prior to the effective date of new rates of contributions[~~, as of which individual employer contribution rates are computed. The secretary shall by regulation prescribe the computation date~~].

Section 3. KRS 341.350 is amended to read as follows:

An unemployed worker shall, except as provided in KRS 341.360 and 341.370, be eligible for benefits with respect to any week of unemployment only if:

(1) He has made a claim for benefits;

(2) He has registered for work with respect to such week in accordance with regulations prescribed by the secretary;

(3) He is physically and mentally able to work;

(4) He is available for suitable work, and making such reasonable effort to obtain work as might be expected of a prudent person under like circumstances;

(5) His base-period wages in that calendar quarter of his base period in which such wages were highest are equal to at least *seven hundred and fifty dollars ($750)* [~~five hundred dollars ($500)~~], and his total base-period wages are not less than one and three-eighths (1 ⅜) times the base-period wages paid to him in such quarter and he was paid base-period wages in the last six (6) months of his base period equal to at least eight (8) times his weekly benefit rate with a minimum of *seven hundred and fifty dollars ($750)* [~~five hundred dollars ($500)~~] earned outside the high quarter;

(6) An otherwise eligible worker shall not be denied benefits under subsection (4) of this section or because of his failure to actively seek work, nor disqualified under paragraph (a) of subsection (1) of KRS 341.370 with respect to any week he is in training with the approval of the secretary.

(7) The foregoing eligibility requirements and the conditions of benefit disqualifications imposed by KRS 341.370 shall be strictly construed. Nothing in this section, excepting subsection (5), nor in KRS 341.360 or 341.370 shall affect the establishment of a "benefit year."

Section 4. KRS 341.370 is amended to read as follows:

(1) A worker shall be disqualified from receiving benefits for the duration of any period of unemployment with respect to which:

(a) He has failed without good cause either to apply for available, suitable work when so directed by the employment office or the secretary or to accept suitable work when offered him, or to return to his customary self-employment when so directed by the secretary; or

(b) He has been discharged for misconduct or dishonesty connected with his most recent work, but legitimate activity in connection with labor organizations or failure to join a company union shall not be construed as misconduct; or

(c) He has left his most recent suitable work voluntarily without good cause attributable to the employment.

(2) A worker shall be disqualified from receiving benefits for any week with respect to which he knowingly made a false statement to establish his right to or the amount of his benefits, and, within the succeeding twenty-four (24) months, for such additional weeks immediately following the date of discovery, not to exceed a total of fifty-two (52), as may be determined by the secretary.

(3) No worker shall be disqualified under paragraph (b) or (c) of subsection (1) of this section unless the employer, within a reasonable time as prescribed by regulations promulgated by the secretary, notifies the department for human resources and the worker in writing of the alleged voluntary quitting or the discharge for misconduct; provided, however, that nothing in this subsection shall restrict the right of the secretary for human resources to disqualify a worker whose employer has refused or failed to notify the department for human resources of the alleged voluntary quitting or discharge for misconduct if such alleged voluntary quitting or discharge for misconduct is known to the secretary for human resources prior to the time benefits are paid to such worker; provided, further, that the exercise of such right by the secretary for human resources, in the absence of timely notice from the employer, shall not relieve the employer's reserve account of benefit charges under the provisions of subsection (3) of KRS 341.530.

(4) As used in this section and in subsection (3) of KRS 341.530, "most recent" work shall be construed as that work which occurred after the first day of the worker's base period and which last preceded the week of unemployment with respect to which benefits are claimed; except that, if the work last preceding such week of unemployment was seasonal, intermittent or temporary in nature, most recent work may be construed as that work last preceding such seasonal, intermittent or temporary work.

(5) No worker shall be disqualified or held ineligible under the provisions of this section or KRS 341.350, who is separated from employment pursuant to a labor management contract or agreement, or pursuant to an established employer plan, program or policy, which permits the employer to close the plant or facility for purposes of vacation or maintenance.

(6) The term "misconduct" as used in paragraph (b) of subsection (1) of this section shall be construed to mean conduct evincing willful and wanton disregard of an employer's interest or a carelessness or negligence of such degree or recurrence as to show an intentional or substantial disregard of the employer's interest.

Section 5. KRS 341.380 is amended to read as follows:

(1) All benefits shall be paid through employment offices, or such other agencies as may be designated by regulations of the secretary. Claims for all payments of benefits shall be made in accordance with regulations of the secretary.

(2) The weekly benefit rate payable to an eligible worker for weeks of unemployment shall, except as provided in KRS 341.390, be an amount equal to *one percent (1%) of his total base-period wages, except that no worker's weekly benefit amount shall be less than twenty-two dollars ($22.00), nor more than the maximum rate as determined in accordance with subsection (3) of this section* [~~one twenty-third (1/23) of his base-period wages in that calendar quarter of his base period in which such wages were highest~~].

(3) Prior to the first day of July of each year the secretary shall determine the average weekly wage for insured employment by dividing the average monthly employment, as obtained by dividing the total monthly employment reported by subject employers for the preceding calendar year by twelve (12), into the total wages reported by such employers for such calendar year and dividing by fifty-two (52). Fifty-five percent (55%) of the amount thus obtained, adjusted to the nearest multiple of one dollar ($1.00), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of such year and prior to the first day of July of the next following year*; except that for the benefit years beginning on or after July 1, 1982, if the "trust fund balance" as of December 31 immediately preceding the benefit year is less than one hundred twenty million dollars ($120,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate.*

(4) The maximum amount of benefits payable to any worker within any benefit year shall be the amount equal to whichever is the lesser of (a) twenty-six (26) times his weekly benefit rate or (b) one-third (⅓) of his base-period wages, except that no worker's maximum amount shall be less than fifteen (15) times his weekly benefit rate. Such maximum amount, if not a multiple of one dollar ($1.00), shall be adjusted to the nearest multiple of one dollar ($1.00).

Section 6. KRS 341.530 is amended to read as follows:

(1) The department shall maintain a reserve account for each subject employer, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions paid by the employer on his own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.

(2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 through KRS 341.740, subject to the provisions of paragraphs (a) and (b) below, shall be charged proportionately against the accounts of those of his subject employers from whom he has base-period wages. The proportion so used shall be that ratio which is obtained by dividing the base-period wages of a worker received from such employer by the total base-period wages and previously uncovered wages, as defined in KRS 341.092, of such worker, provided, however, that the division may, when necessary, make such fractional adjustments in such computation as may be required to assure mathematical compliance with this provision:

(a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (½) of the extended benefits paid in accordance with KRS 341.700 through 341.740; and

(b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 through 341.740 for compensable weeks occurring on or after January 1, 1979 and for one-half (½) of the extended benefits paid for compensable weeks occurring prior to such date.

(3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to an employer's reserve account under such subsection shall be charged against the pooled account if such worker was discharged by such employer for misconduct connected with his most recent work for such employer, voluntarily left his most recent work with such employer without good cause attributable to the employment, or such employer has continuously employed the worker without significant interruption since the end of the worker's base period and in the week with respect to which benefits are paid, wages and employment are provided to the worker by such employer to the same extent as during the base period, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the department, in writing, of the alleged voluntary quitting, discharge for misconduct or continuing employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.

(4) Each subject employer's reserve account shall, unless terminated as of the computation date (as defined in subsection *(6)* [~~(5)~~] of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account under subsection (2) of this section. A subject employer's reserve account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540.

(5) [~~Any subject employer may at any time make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid within one month following the computation date and voluntary payments made within twenty days following the mailing of notices of new rates shall, in accordance with regulations established by the secretary, be credited to an employer's reserve account as of the computation date; provided, no voluntary payments shall be used in computing an employer's rate unless such payment is made prior to the expiration of one hundred and twenty days after the beginning of the year for which such rate is effective.~~

~~(6)~~] Notwithstanding subsection (1) of this section, two (2) or more nonprofit (Internal Revenue Code 501(c)(3)) organizations may jointly request the secretary to establish a group reserve account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he deems necessary for the establishment, maintenance and dissolution of a group reserve account.

Section 7. Whereas, the enactment of the provisions of this Act is necessary to alleviate the current insolvency of the unemployment insurance trust fund, an emergency is declared to exist and Sections 1, 2, and 6 of this Act shall become effective January 1, 1982. Sections 3, 4 and 5 shall become effective July 1, 1982.

(2) The informational, technical, and other services of any public purchasing unit may be made available to any other public purchasing unit or foreign purchasing activity provided that the requirements of the public purchasing unit tendering the services shall have precedence over the requesting public purchasing unit or foreign purchasing activity. Additionally, and subject to agreement between the parties, the requesting public purchasing unit or foreign purchasing activity shall pay all of the expenses of the services so provided.

(3) This Commonwealth, through the *finance and administration cabinet* [~~department of local government~~], upon request may make available to all public purchasing units the following services, among others:

Section 21. KRS 56.802 is amended to read as follows:

(1) Whenever an agency determines that it will need office or other space it shall submit a request for the acquisition of such additional space to the *department for facilities management* [~~bureau of public~~

~~properties~~] in the [~~department of~~] finance *and administration cabinet*. If the *department for facilities management* [~~bureau of public properties~~] determines that insufficient space has been allocated to the agency making the request, it may then acquire the space required by lease as provided by KRS 56.800 to 56.820.

(2) The *department for facilities management* [~~bureau of public properties~~] shall review each agency space request to determine whether space suitable to meet the agency's reasonable needs may be available in a state-owned or occupied building. If it is determined that there is no suitable space available in a state-owned or occupied building, the *department* [~~bureau~~] shall, except as provided in KRS 56.804, cause an advertisement to be placed in a newspaper having general circulation in each county where space is sought, soliciting negotiations of a lease to the Commonwealth of space meeting the agency's general requirements. The advertisement shall be published two (2) times during any seven (7) day period in daily newspapers and one (1) time in weekly newspapers. Whenever an advertisement for space is made in a weekly newspaper, it shall also be made in a newspaper of daily publication in the county of closest geographic proximity to the county in which the space is sought and for which advertisement has been made in a weekly newspaper. All leases of space in Franklin County, and all leases in any county for which the annual rental charge is estimated to exceed one hundred thousand dollars ($100,000), shall be published in at least two (2) newspapers having broad circulation within the state, to be designated by the secretary of the *finance and administration cabinet* [~~department~~], in addition to a newspaper published and of general circulation in the county in which the space is sought. The advertisement shall contain such general information concerning the agency requirements for the space sought as will reasonably inform persons having property to let within the county of the type of space wanted, the general location of the property, and the number of square feet needed, and shall state the last time, date and place that responses will be received. Responses may be made by any person in writing on or before the time and date designated and need only designate the type and location of the property, the name and address of the property owner and the date of the availability of the property for lease.

(3) Following the expiration of the time specified for the submission of proposals, the space proposed to be leased to the state by each person submitting a proposal will be inspected to determine its suitability to the reasonable needs of the agency for whose use the property is sought. The owner or other person submitting the proposal shall provide access to the property for such inspection. A report of the findings about each property inspected shall be submitted to the commissioner of the *department for facilities management* [~~bureau of public properties~~] who shall, after consultation with the head of the agency for whose use the space is sought, determine the best proposal received in the interest of the state. The commissioner shall, in making his determination, take into account factors including but not limited to: the location and accessibility of the property to the public; its condition and state of repair; its conformity with the requirements of occupational health and safety regulations; the proposed rental rates; and the general conformity of the property proposed to the advertised space requirements. The lease of the space shall be awarded in the discretion of the commissioner [~~of the bureau~~] to the person whose proposal most closely conforms to the general requirements of the advertisement for the space and meets applicable state fire, health, safety and sanitation requirements and the requesting agency's reasonable space requirements.

(4) Recognizing the improbability that any two (2) properties proposed to be leased to the state under this section will be identical and that reasonable men might differ in determining the best proposal received for the lease of property to the state, it is the general assembly's intention in this section to confer upon and delegate to the commissioner of the *department for facilities management* [~~bureau of public properties~~] through the *finance and administration cabinet* [~~department~~], the broadest possible power and authority to make such determinations. Judicial review of the action of the *cabinet* [~~department~~] and the commissioner [~~of the bureau~~] in the award of leases under this section shall be limited to determining whether the award of a lease by the state was procured by fraud. Any person who by judicial process unsuccessfully challenges the award of any lease of space by the state under this section shall be liable to the state for its costs in the action, including reasonable attorneys' fees.

Section 22. KRS 56.816 is amended to read as follows:

(1) Whenever the *department for facilities management* [~~bureau of public properties~~] in the [~~department of~~] finance *and administration cabinet* has reason to believe that there is no office or other space available to let that will be suitable to meet the space needs of one or more state agencies seeking the lease of space in a community where space is sought, and a determination has been made by the secretary of the [~~department of~~] finance *and administration cabinet*, with the approval of the governor, that the construction of a building by the Commonwealth to meet such need is not economically or otherwise feasible, the *department* [~~bureau~~] may advertise for written proposals for the construction of a building meeting the agency or agencies' space requirements and to be leased to the Commonwealth under a built-to-suit lease as authorized by this section.

(2) Advertisements for all built-to-suit leases shall be published in a newspaper of general circulation in the county where the space is sought and on a state-wide basis as provided by KRS 424.180. Advertisements for proposals for all built-to-suit leases shall be made ninety (90), sixty (60), and thirty (30) days in advance of the date fixed for receiving and opening the proposals.

(3) The *department* [~~bureau~~] shall develop, in consultation with the agency or agencies for whose use the space is sought[~~, and with the assistance of the bureau of facilities management,~~] general requirement specifications for the structure, which shall be set forth in outline form in the advertisement for proposals; the advertisement shall state that more detailed information about the space requirements and forms for submitting proposals may be obtained from the *department for facilities management* [~~bureau of public properties~~] and the time, date and place that proposals will be received.

(4) Each proposal submitted for built-to-suit leases shall contain information about the proposed site for the building, an estimate of the cost of the building, information about the proposed plan or method of financing the construction of the building, and schematic drawings of the proposed building. All buildings constructed and leased to the Commonwealth under built-to-suit lease agreements shall be constructed in accordance with all applicable state and national safety, building and construction code requirements and the preliminary and final building construction plans shall be reviewed and approved by the *department for* [~~bureau of~~] facilities management.

(5) At the time, date and place fixed in the advertisement, all written proposals for built-to-suit leases received shall be opened and publicly read. The commissioner of the *department* [~~bureau~~], after consultation with the head or heads of the agency or agencies for whose use the space is sought, [~~and with the advice and assistance of the bureau of facilities management,~~] shall award the built-to-suit lease to the individual or firm whose proposal, in the judgment and discretion of the commissioner, most closely conforms to advertised general requirement specifications.

Section 23. KRS 56.818 is amended to read as follows:

(1) The term of all built-to-suit lease agreements entered into by the Commonwealth under KRS 56.816 shall conform to the requirements of all applicable statutory and constitutional provisions as construed by the Kentucky Supreme Court.

(2) When necessary to enable an individual or firm to whom a built-to-suit lease agreement has been awarded to obtain either short or long term financing for the erection of the building to be constructed under such lease, or desirable in the best interests of the Commonwealth, the Commonwealth may be granted and may accept as a part of said lease an option to purchase the leased buildings, land and any appurtenant facilities. The option price to be paid for any such property shall not exceed its fair market value as of the time the option is exercised as determined by a competent and qualified real estate appraiser, selected by mutual agreement of the parties, employing the reproduction cost new or other accepted appraisal techniques; provided, however, that in no event shall the option price be less than a sum equal to the remaining balance of any mortgage lien encumbering the property and securing the repayment of monies advanced to the owner for the original construction of the building, plus an amount not to exceed ten percent of such mortgage balance.

(3) All built-to-suit lease agreements shall be executed for the Commonwealth by the secretary of the [~~department of~~] finance *and administration cabinet* on recommendation by the commissioner of the *department for facilities management* [~~bureau for public properties~~], approved for form and legality by the attorney general or an assistant attorney general, and approved by the governor, before they shall be binding against the Commonwealth. All such leases shall be lodged for record and recorded in the office of the county clerk of the county in which the leased property is located.

Section 24. KRS 58.215 is amended to read as follows:

(1) The capital plaza authority shall be composed of *six (6)* [~~five (5)~~] members. The governor, secretary of the [~~department of~~] finance *and administration cabinet*, [~~and~~] attorney general *and the secretary of development* shall be the *four (4)* [~~three (3)~~] state members. The mayor shall appoint the city member. The county judge/executive shall appoint the county member. Both the city member and the county member shall serve for a four (4) year term. These *six (6)* [~~five (5)~~] persons are a body corporate constituting a public corporation and governmental agency and instrumentality of the Commonwealth by the name of the "Capital Plaza Authority," with perpetual succession and with power in that name to contract and be contracted with, to convey property, to sue and be sued, to have and use a corporate seal, and to exercise, in addition to the powers and functions specifically stated in KRS 58.210 to 58.315, all of the usual powers of private corporations not inconsistent with specifically enumerated powers.

(2) The members of the authority shall receive no compensation for their services, but are entitled to reimbursement for all reasonable expenses necessarily incurred in connection with performance of their duties and functions as members.

(3) *Four (4)* [~~Three (3)~~] members of the authority shall constitute a quorum for the transaction of business. The governor shall be the chairman of the authority and the secretary of the [~~department of~~] finance *and administration cabinet* shall be the vice-chairman. The authority shall elect a secretary and a treasurer who shall serve at the pleasure of the authority and receive such compensation as may be determined by the authority. The treasurer shall give bond to the authority for a faithful accounting for all funds coming into his custody, in such amount as the authority may prescribe, drawn upon a surety company qualified

to do business in the Commonwealth, premium therefor to be paid by the authority. The authority shall establish and maintain an office and the secretary of the authority shall maintain therein complete records of the authority's actions and proceedings, as public records open to inspection.

Section 26. KRS 61.460 is amended to read as follows:

(1) Each political subdivision of the state is hereby authorized to submit for approval by the state agency a plan for extending insurance coverage to employes of such political subdivision; provided, however, that no such plan shall provide insurance coverage to an employe occupying a position to which KRS 161.220 to 161.710 are applicable except for employes of the state colleges and public junior colleges. (3) From the contribution fund the custodian of the fund shall pay to the secretary of the treasury such amounts at such time or times as may be directed by the state agency in accordance with any agreement entered into under KRS 61.430.

(4) *At the end of each fiscal year, the state agency shall make an estimate of the necessary operating costs of the state agency for the next fiscal year, including a contingent liability fund. Section 28. KRS 64.810 is amended to read as follows:

(1) Any county clerk, county judge/executive, county attorney, sheriff, jailer, coroner, or constable shall have the right to employ a certified public accountant to audit the books, accounts, and papers of his office in lieu of the audit conducted by the state auditor of public accounts required by KRS 43.070.

(2) If said official elects to exercise the right prescribed in subsection (1), then he shall:

(a) Notify in writing within thirty (30) days following the period to be audited, the fiscal court of his county and the state auditor of the name of the certified public accountant employed by said official to audit the books, accounts, and papers of his office; the auditor shall acknowledge, in writing, receipt of such notification, and approval of the use of the designated independent certified public accountant cannot be withheld unless such certified public accountant fails to conform to standard audit programs established for governmental accounting and other generally accepted accounting procedures as set forth by the Kentucky board of accountancy;

(b) Bear the cost of the audit from funds received or collected by him, and the cost of the audit shall be construed as an expense of his office;

(c) Within a reasonable time after the certified public accountant's examination, submit the accountant's written report to the governor, the general assembly, the attorney general, the county officials' compensation board, the state librarian, the state auditor of public accounts, *the state local finance officer,* and the fiscal court and county attorney of his county. In addition, the official shall send the report to a newspaper having general circulation in the county of the official, and the letter of transmittal accompanying the report shall be published in said newspaper in accordance with the provisions of KRS chapter 424.

(3) This section shall not be construed as eliminating the requirement that the books, accounts, and papers of the above named officials be audited yearly. This section shall not preclude the state auditor from reviewing the reports of the certified public accountant. After preliminary review, should discrepancies be found, nothing in this section or in KRS 43.070(1)(b) shall be construed as precluding the auditor's office from making its own investigative report or audit to verify the findings of the independent certified public accountant's report. If such investigative audit be deemed necessary, the expenses to said county official, as directed by KRS 43.070(2), shall be construed as an allowable expense of that office.
